Hugh Johnson

Going Coastal Hugh Johnson,2015-01-15 Going Coastal is an epic tale of transformation. It is an autobiographical account of the struggles of first time author, Hugh Mongous Johnson and details many of the challenges encountered by the author over the course of the final twenty years of the twentieth century. The audience is brought along on the rollercoaster ride of the aspiring artist/ musician after he graduates high school in 1980 and leaves the dysfunction of a broken home in the Midwest and makes the journey, in a round about way, to California and the west coast of the US, in pursuit of a career in the arts. It is a coming of age story and provides the reader with a detailed version of the true facts surrounding the experience, not only in crossing the North American continent, but also of a young man transformed into adulthood void the benefit of parental guidance or support. The book is intended to be an inspirational story, written in the uncensored, gonzo style and directed toward a mature audience.

Superworld: Save Noah Yarrow Cheney,Carrie Cheney,2022-11-01 In a world where everyone is extraordinary, it takes a totally normal kid to save the day. This new series breaks the mold with gorgeous black-and-white art on every page, and a cinematic, blockbuster feel. Every 12-year-old kid feels like they don't fit in sometimes -- but Noah takes it to a whole new level. When a meteor crashed to Earth on his seventh birthday, the whole planet got superpowers.....except for Noah. Thanks to his tin foil superhero costume, Noah's powers got deflected -- onto his little sister. He's literally the only normal person in all of Superworld. He can't fly. He can't scale tall buildings. He can't turn broccoli into candy. (And of course his little sister got double powers. Of course.) And still...when the biggest, baddest villian in town plots to take over Superworld forever, normal Noah and his supercharged best friends are the ones who just might save the day. Seriously.

"Only the Super-Rich Can Save Us!" Ralph Nader,2011-01-04 In the cozy den of the large but modest house in Omaha where he has lived since he started on his first billion, Warren Buffett watched the horrors of Hurricane Katrina unfold on television in early September 2005. . . . On the fourth day, he beheld in disbelief the paralysis of local, state, and federal authorities unable to commence basic operations of rescue and sustenance, not just in New Orleans, but in towns and villages all along the Gulf Coast. . . He knew exactly what he had to do. . . So begins the vivid fictional account by political activist and bestselling author Ralph Nader that answers the question, What if? What if a cadre of superrich individuals tried to become a driving force in America to organize and institutionalize the interests of the citizens of this troubled nation? What if some of America's most powerful individuals decided it was time to fix our government and return the power to the people? What if they focused their power on unionizing Wal-Mart?

What if a national political party were formed with the sole purpose of advancing clean elections? What if these seventeen superrich individuals decided to galvanize a movement for alternative forms of energy that will effectively clean up the environment? What if together they took on corporate goliaths and Congress to provide the necessities of life and advance the solutions so long left on the shelf by an avaricious oligarchy? What could happen? This extraordinary story, written by the author who knows the most about citizen action, returns us to the literature of American social movements—to Edward Bellamy, to Upton Sinclair, to John Steinbeck, to Stephen Crane—reminding us in the process that changing the body politic of America starts with imagination.

Ronald Hugh Morrieson Peter Simpson, 1982 Ronald Hugh Morrieson (1922-1972) lived all his life in the same house in the small Taranaki town of Hawera, and yet created a bizarre and brilliantly funny fictional world which constitutes one of the most distinctive contributions to New Zealand fiction. However, his originality and his isolation from a sustaining literary community meant that his work was virtually ignored during his lifetime. His first two novels, though well received in Australia, sank almost without trace in New Zealand, and Morrieson was unable to find a publisher for his two later novels, both of which were published posthumously. ... Simpson provides an illuminating biographical sketch, and discusses each of the novels in detail to demonstrate the compelling mixture of comedy, pathos, suspense and violence of which Morrieson was master.--Back cover.

Cillefoyle Park Hugh M Vaughan, 2021-08-24 Cillefoyle Park is a historical fiction novel based on the factual contact in the 1970's between the IRA and the British Government. The Contact, Brendan Duddy was a Nationalist Derry businessman but also a pacifist. In contact with the local police commander and MI5/MI6 agents, he conveyed messages between the British Government and the head of the IRA in Derry. The barman in this book is based on Eamon McCann who is a socialist activist. Cillefoyle Park is about a bar man torn between the possibility of politics and the violence exploding on the streets of Derry, Northern Ireland at the height of The Troubles in the mid 1970's. That's the treacherous dilemma that Dermot Lavery finds himself in when an innocent friendship with a neighbour - a schoolteacher leads them both into a precarious web of secrecy and intrigue with all sides of the endless conflict. Caught in a nightmare world of secret negotiations for a ceasefire, his life spins on the edge of clandestine friendship, love, meetings and certain death at any wrong turn - a constant struggle with his conscience and the challenge of simply staying alive. Research for this book includes Galway University sources- Brendan Duddy's diaries, Niall Ó Dochartaigh's research papers, Eamon McCann's books, the CAIN archive at University of Ulster, and Hugh Vaughan's teenage years growing up in 1970's Derry, attending school in the no-go area of Creggan. Other multiple sources were also used.
