**Husky** Justin Sayre, 2015-09-22 [G]enuinely funny, heart-wrenching . . . - Kirkus Reviews [A] moving journey of self-discovery and a gratifying coming-of-age story. - Publishers Weekly *Husky* . . . is a superb addition to the middle grade literary canon. - VOYA Reviews There is not a false note in the writing . . . - Lambda Literary A beautifully voiced debut captures an intimate story of change and acceptance. Twelve-year-old Davis lives in an old brownstone with his mother and grandmother in Brooklyn. He loves people-watching in Prospect Park, visiting his mom in the bakery she owns, and listening to the biggest operas he can find as he walks everywhere. But Davis is having a difficult summer. As questions of sexuality begin to enter his mind, he worries people don't see him as anything other than "husky." To make matters worse, his best girlfriends are starting to hang out with mean girls and popular boys. Davis is equally concerned about the distance forming between him and his single mother as she begins dating again, and about his changing relationship with his amusingly loud Irish grandmother, Nanny. Ultimately, Davis learns to see himself outside of his one defining adjective. He's a kid with unique interests, admirable qualities, and people who will love him no matter what changes life brings about.

Still, so often, while looking out from our balcony in a beautiful country house, we know how to observe but do not appreciate creation's beauty. Know the details and habits of a Siberian Husky as common as it is surprising, through a simple path, which fuels your child's interest and curiosity. That's the purpose of this book. I do! -Hey dad, do you know what

other names there are for Siberian Huskies? I do!-Grandpa, do you know what shape Siberian Huskies eyes are and why? I do!-Grandma, do you know how fast Siberian Huskies can run? **Husky** Justin Sayre, 2016-09 It's the summer before high school, and Davis is starting to worry. According to his friend Ellen, everybody gets one adjective to describe them at the beginning of the school year. Unfortunately, Davis has a pretty good idea what his adjective will be: husky. But Davis hardly has time to think about high school, as the rest of his life is changing faster than ever before. Sophie, his best friend since forever, suddenly seems more interested in doing girl stuff--and Davis isn't invited. And his mother doesn't appear to have time for him anymore, either. In fact, only his embarrassing Irish grandmother is around, loudly reminding him of everything that is going wrong. The only thing Davis can count on is the feeling he gets when he listens to opera--the feeling that he does matter--even when the world seems determined to ignore him.--Page [4] of cover.
