In the kingdom of Hyrule, a legend has been passed down since the beginning of time: A mysterious artifact known as the Triforce, symbolized by three golden triangles arranged to form a fourth triangle, is said to possess mystical powers. It is hardly surprising that this object has been coveted by many power-hungry men over the centuries. One day, the evil Ganon, the Prince of Darkness whose ambition is to subjugate the entire world to his will, sends his armies to attack the peaceful kingdom. He manages to capture one of the fragments of the Triforce, the triangle of power. Daughter of the king of Hyrule, Princess Zelda is terrified at the prospect of seeing Ganon's armies swarming over the world. She, too, seizes a fragment of the Triforce, the triangle of wisdom, and chooses to break it into eight pieces, which she then scatters across the world, hiding them to prevent Ganon from ever acquiring them. She then orders her faithful nursemaid Impa to go forth and seek a warrior brave enough to challenge Ganon. As Impa roams the kingdom of Hyrule in the hope of finding a savior, Ganon learns of Zelda's plans and has her locked up before sending his men to track down the nursemaid. Surrounded by these ruthless creatures, Impa is saved by a young boy named Link at the very moment when it appears that all is lost. As unbelievable as it may seem, Link has been chosen by the golden triangle of courage, and thus holds a part of the Triforce himself. Convinced that she has finally found the one who will save the kingdom, Impa hurries to tell him her story. Link accepts his mission to rescue Zelda without hesitation. Before confronting Ganon, however, he will have to gather the eight fragments of the triangle of wisdom, which are his only hope of gaining entry to the dungeon deep beneath Death Mountain where the Prince of Darkness hides. His quest has only

just begun.
