United States Code United States,2013 The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited U.S.C. 2012 ed. As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office--Preface.

How to Secure Your H-1B Visa James A. Bach,Robert G. Werner,2014-03-01 James Bach and Robert Werner's How to Secure Your H-1B Visa is written for both employers and the workers they hire. Andrew Hacker, The Frenzy about High-Tech Talent, The New York Review of Books, July 9, 2015 The H-1B visa is the gateway for the world's best and brightest to live and work in the United States as IT professionals, engineers, scientists, professors, doctors, nurses, and researchers. How to Secure Your H-1B Visa guides employees and employers alike through the maze of H-1B laws, policies, and procedures. This road map lays out the whole H-1B process from petition to visa to status maintenance to visa extension and, ultimately, to permanent residence in the US for you and your family. It shows you step by step exactly how the H-1B process divides up between the employer and employee. It identifies the points where the two tracks converge and the H-1B employer and employee need to pull in tandem. Navigation icons tell you at a glance whether a topic concerns employees and employers equally or primarily one or the other. Sidebars highlight pitfalls, liabilities, and disasters to avoid; tips and exceptions to leverage for success; administrative and enforcement trends and late-breaking changes; and special conditions that apply to nationals of particular countries, such as India and China. Ancillary chapters cover complementary visas for family members and H-1B substitute visas for professionals with particular skill sets or from particular countries, such as Australia and Canada. The authors are Silicon Valley immigration lawyers with 60 years combined experience handling professional work visas. Whether you are an international professional desiring to work in the US for the first time, an international student in the US wishing to remain after graduation, or a hiring manager or HR specialist for a sponsoring entity, this short book will show you how to secure, maintain, and leverage your H-1B visa and answer all your questions about: quotas and exemptions RFEs and consular interviews dual representation by the employer's lawyer LCA compliance, auditing, and penalties serial H-1B employers termination and benching regulations reconciling filing deadlines with expiration dates transitioning from academic to affiliated to private H-1B employment
