**Not F\*cking Ready to Adult: a Totally Ill-Informed Guide to Life** Iain Stirling,2019-05-30 Comedian  
Iain Stirling knows a lot about f\*cking up. And he's ready to share.

Not Ready to Adult Yet Iain Stirling,2018-08-09 Hilarious life lessons from the voice of a generation.So, what do you write about when you do a book? Yourself? Nah, I've not done enough stuff yet (you've got to think word count; I'd really have to drag out that time I went caravanning with Aunty Pam and Uncle Bill in order to achieve anything other than 'pamphlet' status). So, what about my generation? Millennials. We've got loads of stories. We've been celebrated and scorned; it seems we're the envy, fascination and disgrace of the world.Throughout life, millennials have been taught we're perfect and should live a perfect life - from being mollycoddled by our parents to receiving awards for taking part at school, and the beautiful, filtered lives we all see and share on social media. We've been taught, whatever happens, life should be flawless; whatever you do, don't fuck up. And then we enter the real world and start work, and start having relationships, and failure starts to rear its ugly head. A head none of us were warned about or indeed are ready for.We were told failure was never an option. And I believed them. But, truth be known, I've fucked up at every point. As have you. And honestly, it's fine.In his brilliant first book, Iain explores why millennials are the way they are - and whether that makes us self-obsessed, work-shy, mollycoddled, egomaniacs; or just a misunderstood generation with a fear of failure.Funny, provocative and packed-full of entertaining stories, is what my publishers have told me to say about this book. But actually this is my ill-informed guide to what life is really like for millennials and how we can navigate it better.

**Earthfall** Mark Walden,2015-07-14 Sam awakens to see strange vessels gathered in the skies around London. As he stares up, people stream past, walking silently toward the enormous ships, which emit a persistent noise. Only Sam seems immune to the signal. Six months later, he is absolutely alone.

**Retribution** Mark Walden,2016-07-12 Originally published in 2014 in Great Britain by Bloomsbury Publishing.

**Complicity** Iain Banks,2002-11-12 In Scotland, a self-appointed executioner dispenses justice to fit the crime. Thus the lenient judge who let a rapist go is punished by being raped, while a man who killed is killed in turn. By the author of *The Wasp Factory*.

*Bitter Leaves* Tabatha Stirling,2019-03-07 Near the west coast of Singapore lies the leafy enclave of Sabre Green – a haven of wealth and luxury in one of the richest countries in the world. But beneath the glamour lies the insidious truth of the country's maid culture, where a woman's life is cheap. Here are the voices of the unheard – of maid and employer, of village girl and city dweller. Follow Lucilla, Ma'am Leslie, Shammi and Madame Eunice as they strive, each in their own way, to exist in a country whose pristine exterior belies the dark shadows beneath. In this candid, often brutal narrative, the lives of four women are woven together. What follows is a story of loss, madness, abuse and hope – and the ways in which they can haunt a woman's life. \* 'A great read; tense, vivid and involving, both heart-breaking and heart-warming' – Lesley Glaister, author of Jerwood Prize winner *Little Egypt*

**Be Kind** Emily Herbert,2020-08-13 'In a world where you can be anything, be kind.' Caroline Flack was the girl who had it all ... beauty, talent, money, fame and a hugely successful career. But, away from the television cameras and the fabulous parties, there hid a lonely, frightened young woman. Caroline was already a rising star when she shot to fame as the presenter of *Love Island*. With her beauty and her

effervescent personality, she was perfect for the role and soon the show was drawing 6 million viewers. Yet, behind the scenes her love life was chaotic. She dated Prince Harry, Harry Styles and Russell Brand before finding love with tennis player Lewis Burton. Her world came crashing down on the night Lewis called 999 to report Caroline was attacking him. Police found Caroline hysterical and the couple covered in blood. Just as it seemed life could not be any worse Caroline was fired by ITV and barred by the courts from contacting Lewis. In this extraordinary and revealing book, Emily Herbert talks with friends and celebrities to reveal the heartbreaking true story of how this beautiful woman crashed from the pinnacle of fame and success to a lonely and tragic death. A donation from the sale of this book will be given to cyber bullying charities.

**May We Be Forgiven** A.M. Homes, 2013-09-24 Winner of the 2013 Women's Prize for Fiction—A darkly comic novel of twenty-first-century domestic life by a writer who is always “compelling, devastating, and furiously good” (Zadie Smith) Harold Silver has spent a lifetime watching his younger brother, George, a taller, smarter, and more successful high-flying TV executive, acquire a covetable wife, two kids, and a beautiful home in the suburbs of New York City. But Harry, a historian and Nixon scholar, also knows George has a murderous temper, and when George loses control the result is an act of violence so shocking that both brothers are hurled into entirely new lives in which they both must seek absolution. Harry finds himself suddenly playing parent to his brother's two adolescent children, tumbling down the rabbit hole of Internet sex, dealing with aging parents who move through time like travelers on a fantastic voyage. As Harry builds a twenty-first-century family created by choice rather than biology, we become all the more aware of the ways in which our history, both personal and political, can become our destiny and either compel us to repeat our errors or be the catalyst for change. *May We Be Forgiven* is an unnerving, funny tale of unexpected intimacies and of how one deeply fractured family might begin to put itself back together.

Reality Television Ruth A. Deller,2019-11-25 Reality television is shown worldwide, features people from all walks of life and covers everything from romance to religion. It has not only changed television, but every other area of the media. So why has reality TV become such a huge phenomenon, and what is its future in an age of streaming and social media?

*Money, Power, Dominance* Steven Kuhn,2022-11-30 From the telegram to Instagram, western culture has undergone drastic changes in the way individuals communicate with one another. Steven Kuhn details

how these changes have progressed and the consequences these innovations have had on our culture. Hugh Hefner and Gianni Versace have proven themselves to be influential titans in utilising mass media. They have changed the western concept of femininity by building on the print media created by Hollywood and moulding the 'super model'. Hefner would go on to pioneer reality television in a way which continues to influence twenty-first-century programming and vanity-driven social media platforms. Long after Hollywood in the 1920s and the rise of the internet from the cold war, social media was born, exacerbating the culture of sexualisation and dominance competition which had always existed offline. From Piczo to Tik Tok, Steven Kuhn shows where our electronic culture is heading in the future.

**It's Not Me, It's Them** Joel Dommett, 2018-02-08 'Effortless humour and bucketloads of charm. It's impossible not to be bowled over by the ending. Brilliant.' - THE SUN \*\*The hilarious debut from I'm A Celeb star Joel Dommett (Live at the Apollo, 8 Out of 10 Cats, Impractical Jokers), for fans of Joe Lycett, James Acaster and Sarah Millican\*\* As a 17-year-old virgin working . . . for Virgin, Joel Dommett has grand ambitions. Firstly, he is going to swap suburbia for the bright lights of Showbiz. Secondly, he is going to find 'the one' in the first forty people he's going to sleep with. What follows is a series of disastrous romantic encounters, including carpets mistaken for toilets, futile grand gestures and the catfishing to end all catfishing. Featuring genuine teenage diary entries and told in Joel's trademark self-deprecating style, this is the brilliant first book from the UK's most exciting comedian.
