Icebreaker A. L. Graziadei,2022-01-18 A. L. Graziadei's Icebreaker is an irresistible YA debut about two hockey players fighting to be the best—and the romance that catches them by surprise along the way. Seventeen-year-old Mickey James III is a college freshman, a brother to five sisters, and a hockey legacy. With a father and a grandfather who have gone down in NHL history, Mickey is almost guaranteed the league's top draft spot. The only person standing in his way is Jaysen Caulfield, a contender for the #1 spot and Mickey's infuriating (and infuriatingly attractive) teammate. When rivalry turns to something more, Mickey will have to decide what he really wants, and what he's willing to risk for it. This is a story about falling in love, finding your team (on and off the ice), and choosing your own path.

Icebreaker Hannah Grace,2023-02-07 Anastasia Allen has worked her entire life for a shot at Team USA. It looks like everything is going according to plan when she gets a full scholarship to the University of California, Maple Hills and lands a place on their competitive figure skating team. Nothing will stand in her way, not even the captain of the hockey team, Nate Hawkins. Nate's focus as team captain is on keeping his team on the ice. Which is tricky when a facilities mishap means they are forced to share a rink with the figure skating team—including Anastasia, who clearly can't stand him. But when Anastasia's skating partner faces an uncertain future, she may have to look to Nate to take her shot--

Coast Guard Polar Icebreaker Modernization Ronald O'Rourke,2010-03 Of the Coast Guard's (CG) 3 polar icebreakers, 2 – Polar Star and Polar Sea – have

exceeded their intended 30-year service lives. Potential policy issues for Congress regarding CG polar icebreaker modernization include: the numbers and capabilities of polar icebreakers the CG will need in the future; whether to provide these icebreakers through construction of new ships or service life extensions of Polar Star and/or Polar Sea; whether new ships should be funded entirely in the Coast Guard budget, or partly or entirely in some other part of the fed. budget; and whether the Polar Star should be repaired and placed back into service. The Icebreaker Brett Butler, 2006 As a normal young man at age eighteen, I encountered the natural fears associated with breaking the ice with women who were unknown to me. I have learned to think and act differently from most men, and have enjoyed the company of hundreds of ladies, which has enriched my life with many great experiences. I can see men repeating the same mistakes over and over again when they try to attract a woman. Alarmingly, eighteen years later I have discovered many men in later years have not developed any skills in breaking the ice - they are still using the same unsuccessful methods they tried in their teenage years. I now share the secrets of my success. I will show you how to get out of your comfort zone, take action, deal with the fear of rejection, use positive thought and action, and enhance your physical appearance. You will learn communication skills, the art of maintaining a conversation, the time and place to meet women, and how to combine all strategies and prepare for action. You too can become a grand master of seduction!

Polar Icebreaker Roles and U.S. Future Needs National Research Council,Transportation Research Board,Marine Board,Division on Earth and Life Studies,Polar Research Board,Committee on the Assessment of U.S. Coast Guard Polar Icebreaker Roles and Future Needs,2006-01-08 The age and condition of the U.S. Coast Guard's polar icebreakers are jeopardizing national security and scientific research in the Arctic and Antarctic, according to an interim report from the National Academies. Because of a shortfall in funding for U.S. polar icebreaking activities, long-term maintenance on these icebreakers has been deferred over the past several years, making the ships inefficient to operate and their technological systems outdated. Congress asked the National Academies to provide a comprehensive assessment of the current and future roles of U.S. Coast Guard polar icebreakers in supporting U.S. operations in the Antarctic and the Arctic, including scenarios for continuing those operations and alternative approaches, the changes in roles and missions of polar icebreakers in the support of all national priorities in the polar regions, and potential changes in the roles of U.S Coast Guard icebreakers in the Arctic that may develop due to environmental change. This brief interim report highlights the most urgent and time-dependent issues, and a final report, expected to be released next summer, will examine the type and number of icebreaking ships that the U.S. requires in the long term and other issues.

Ice Breaker Lian Tanner,2014 Twelve year old Petrel is an outcast, the lowest of the low on an ancient icebreaker that has been following the same course for three hundred years. In that time, the ship's crew has forgotten its original purpose and broken into three warring tribes, the Cooks, the Officers and the Engineers. Everyone has a tribe except Petrel, whose parents committed such a terrible crime that they were thrown overboard, and their daughter ostracised. But Petrel is a survivor. She lives in the dark corners of the ship, trusting no one, speaking to no one except two large grey rats, Mister Smoke and Missus Slink. That is, until a boy is discovered, frozen on an iceberg, and brought onto the ship. No one knows where he has come from, and when he recovers consciousness he claims to have forgotten even his name. The tribes don't trust strangers; they haven't seen one for three hundred years. But Petrel saves him and hides him away in the forgotten corners of the ship, hoping he will be her friend. What she doesn't know is that for the last three hundred years, the ship has been guarding a secret. A secret that could change the world. A secret that the boy has been sent to destroy, along with the ship and everyone on it.
