Yorick Wilks

The Hidden Icon Jillian Kuhlmann,2015-09-01 An enthralling Arabian Nights-style fantasy perfect for fans of Bradley Beaulieu and N. K. Jemisin. Eiren, the youngest daughter of the Aleynian royal family, has been living in exile in the deep desert of their kingdom. When the invading force from Ambar captures her family and demands that Eiren alone return with the Ambarians to their distant, mountainous lands, she agrees for the sake of her people. Gentle, perceptive, and able to sense the thoughts and feelings of those around her, Eiren is a storyteller—and unsure why the Ambarians have chosen her instead of her more brazen siblings. As she grows closer to the masked and enigmatic Gannet, one of her captors, on the journey to Ambar, Eiren learns that her special gifts mark her as an icon—the rare, living embodiment of a god. Gannet, too, is an icon, and when he awakens more abilities within her, Eiren discovers a bitter truth: She is host to Theba, the goddess of destruction. A dark and dangerous force, Theba awakens similar appetites in Eiren. But there’s more the Ambarians aren’t telling her, and secrets Eiren has to uncover for herself. To know the truth of why she was taken from her home, Eiren must become one of the monsters from her stories, whether she wants to or not.

The Year I Stopped to Notice Miranda Keeling,2022-03-17 'This book is a delight ... the world is full of little surprises, momentary little fountains of pleasure and beauty, that could be visible to all of us if we learned to stop and notice as Miranda Keeling does.' Philip Pullman 'An odd, beautiful book ... Buy an extra copy to give to someone you love.' Neil Gaiman January: A man walking along Caledonian Road falls over onto the huge roll of bubble wrap he is hugging, perhaps for just this sort of situation. Inspired by her popular Twitter account, The Year I Stopped to Notice brings together Miranda Keeling's observations of the magic, humour, strangeness and beauty in ordinary life. Through the changing seasons, on city streets and on buses, in parks and cafes, Miranda notices things: moments between friends, the interactions of strangers, children delighting in the world around them, the quiet melancholy of lost items on the pavement. Accompanied by stunning watercolour illustrations from Luci Power, Miranda's poetic vignettes take us on journeys of discovery and share with us the joy of stopping to notice. September: On a sweltering, packed rush-hour train, my arm suddenly feels lovely and cool, and I look down to see a shopping bag held by the woman beside me - full of just-bought cartons of milk.

Rewilding Nathalie Pettorelli,Sarah M. Durant,Johan T. du Toit,2019-01-31 Discusses the benefits and risks, as well as the economic and socio-political realities, of rewilding as a novel conservation tool.

Icon and Devotion Oleg Tarasov,2004-01-03 Icon and Devotion offers the first extensive presentation in English of the making and meaning of Russian icons. The craft of icon-making is set into the context of forms of worship that emerged in the Russian Orthodox Church in the mid-seventeenth century. Oleg Tarasov shows how icons have held a special place in Russian consciousness because they represented idealized images of Holy Russia. He also looks closely at how and why icons were made. Wonder-working saints and the leaders of such religious schisms as the Old Believers appear in these pages, which are illustrated with miniature paintings, lithographs and engravings never before published in the English-speaking world. By tracing the artistic vocabulary, techniques and working methods of icon painters, Tarasov shows how icons have been integral to the history of Russian art, influenced by folk and mainstream currents alike. As well as articulating the specifically Russian piety they invoke, he analyzes the significance of icons in the cultural life of modern Russia in the context of popular prints and poster design.

God's Human Face Christoph Schoenborn,2011-03-30 The principal editor of the Catechism of the Catholic Church, presents the sources of meditation on the mystery of God's human face from the great Masters of early Christianity. Artists and theologians have meditated upon the mystery of God's human countenance and tried to express it. This book seeks to present the great sources of this meditation--sources which today are widely unknown, or have become foreign or obscure. These sources are above all the great masters of early Christianity. In their meditation upon Christ, Bishop Schonborn seeks the sources of the art on the Icon. The reader will find not only an engaging introduction to the meaning and beauty of Icons, but an invitation to draw closer to the One who inspired these Masters of theological expression and holy art. Includes beautiful color Icon illustrations.

The Space Business Andrew May,2021-10-07 Dreams, schemes and opportunity as space opens for tourism and commerce. Twentieth century space exploration may have belonged to state-funded giants such as NASA, but there is a parallel history which has set the template for the future. Even before Apollo 11 landed on the Moon, private companies were exploiting space via communication satellites - a sector that is seeing exponential growth in the internet age. In human spaceflight, too, commercialisation is making itself felt. Billionaire entrepreneurs Elon Musk, Jeff Bezos and Richard Branson have long trumpeted plans to make space travel a possibility for ordinary people and those ideas are inching ever closer to reality. At the same time, other companies plan to mine the Moon for helium-3, or asteroids for precious metals. Science writer Andrew May takes an entertaining, in-depth look at the triumphs and heroic failures of our quixotic quest to commercialise the final frontier.

Mother of the Lamb Matthew J. Milliner,2022-10-04 Mother of the Lamb tells the remarkable story of a Byzantine image that emerged from the losing side of the Crusades. Called the Virgin of the Passion in the East and Our Lady of Perpetual Help in the West, the icon has expanded beyond its Byzantine origins to become one of the most pervasive images of our time. It boasts multiple major shrines on nearly every continent and is reflected in every epoch of art history since its origin, even making an appearance at the Olympics in 2012. Matthew Milliner first chronicles the story of the icon's creation and emergence in the immediate aftermath of the Third Crusade, whereupon the icon became a surprising emblem of defeat, its own fame expanding in inverse proportion to Christendom's political contraction. Originally born as a Christian response to the Christian violence of the Crusades, it marked the moment when Mary's ministry of suffering love truly began. Having traced the icon's origin and ubiquity, Milliner teases out the painting's theological depth, and continues the story of the icon's evolution and significance from its origins to the present day. As the story of the icon moves well beyond Byzantine art history, both temporally and thematically, it engages religion, politics, contemporary art, and feminist concerns at once. Always, though, the icon exemplifies dignity in suffering, a lesson that--through this image--Byzantium bequeathed to the wider world. Encapsulating eleven centuries of development of the mourning Mary in Byzantium, the Virgin of the Passion emerges as a commendable icon of humility, a perennial watchword signaling the perils of imagined political glory. The Virgin of the Passion, emblemizing political humility, the powerful agency of women, and the value of inter-Christian and extra-Christian concord, is an exemplary Marian image for the fledgling twenty-first century.

American Icon Bryce G. Hoffman,2012 A riveting, behind-the-scenes account of the near collapse of the Ford Motor Company, which in 2008 was close to bankruptcy, and CEO Alan Mulally's hard-fought effort and bold plan--including his decision not to take federal bailout money--to bring Ford back from the brink.

A Brush with God Peter Pearson,2005-10-01 Step-by-step instructions for painting icons, from original drawings through finished product. For more than a thousand years, Eastern Christians have used their hands and hearts to create icons, proclaiming God’s reality in a visible—and breathtakingly beautiful—way. This ancient art is enjoying a renewed interest in the West, as people of faith create icons and use them to meditate on mysteries for which there are no words. A Brush with God is a guide to painting icons and using them in prayer. Written with warmth and energy, it describes the history of icons and examines why they’ve been a spiritual tool for so many centuries. Written from a uniquely Western perspective, the book guides artists—from novices to professionals—through the process of icon painting, using traditional techniques but employing contemporary materials. Included are eight full-

color plates of the artist's icons.

The Russian Icon Nikodim Pavlovich Kondakov,1927

The Ecumenical Work of the Icon Hilda Kleiman,2018-09-27 The Ecumenical Work of the Icon is an invitation to the students and faculties of Catholic seminaries to be a part of the tradition of the icon through the lens of ecumenis. With a view of ecumenism as lived in both the Roman Catholic and Orthodox traditions, the visual theological language of the icon may be engaged more fully and respectfully, thus enriching the theological education and future ministry of those who learn and teach in a Catholic setting. In the third portion of the book, readers are offered multiple practical pedagogical examples of how to integrate teaching and learning about the icon into seminary courses and beyond, including writing assignments, oral presentations, and hands-on activities.

In the Beginning is the Icon Sigurd Bergmann,2016-04-08 Icons provide depictions of God or encounters with the divine that enable reflection and prayer. 'In the Beginning is the Icon' explores the value of these images for a theology of liberation. Iconology, art theory, philosophical aesthetics, art history and anthropology are integrated with rigorous theological reflection to argue that the creation and observation of pictures can have a liberating effect on humanity. In presenting art from across the world, 'In the Beginning is the Icon' reflects the ethnocentricity of both art and religious studies and offers a new cross-cultural approach to the theology of art.

The Middle Ages Eleanor Janega,2021-06-03 A unique, illustrated book that will change the way you see medieval history The Middle Ages: A Graphic History busts the myth of the 'Dark Ages', shedding light on the medieval period's present-day relevance in a unique illustrated style. This history takes us through the rise and fall of empires, papacies, caliphates and kingdoms; through the violence and death of the Crusades, Viking raids, the Hundred Years War and the Plague; to the curious practices of monks, martyrs and iconoclasts. We'll see how the foundations of the modern West were established, influencing our art, cultures, religious practices and ways of thinking. And we'll explore the lives of those seen as 'Other' - women, Jews, homosexuals, lepers, sex workers and heretics. Join historian Eleanor Janega and illustrator Neil Max Emmanuel on a romp across continents and kingdoms as we discover the Middle Ages to be a time of huge change, inquiry and development - not unlike our own.

Turing and the Universal Machine (Icon Science) Jon Agar,2017-09-07 The history of the computer is entwined with that of the modern world and most famously with the life of one man, Alan Turing. How did this device, which first appeared a mere 50 years ago, come to structure and dominate our lives so totally? An enlightening mini-biography of a brilliant but troubled man.

Artificial Intelligence Yorick Wilks,2019-06-06 Artificial intelligence has long been a mainstay of science fiction and increasingly it feels as if AI is entering our everyday lives, with technology like Apple's Siri now prominent, and self-driving cars almost upon us. But what do we actually mean when we talk about 'AI'? Are the sentient machines of 2001 or The Matrix a real possibility or will real-world artificial intelligence look and feel very different? What has it done for us so far? And what technologies could it yield in the future? AI expert Yorick Wilks takes a journey through the history of artificial intelligence up to the present day, examining its origins, controversies and achievements, as well as looking into just how it works. He also considers the future, assessing whether these technologies could menace our way of life, but also how we are all likely to benefit from AI applications in the years to come. Entertaining, enlightening, and keenly argued, this is the essential one-stop guide to the AI debate.

What Is an Icon? Ruthanna Seidel,1999-11

Icons Margaret Stohl,2013-05-07 Ro murmurs into my ear. Don't be afraid, Dol. They're not coming for us. Still, he slips his arm around me and we wait until the sky is clear. Because he doesn't know. Not really. Everything changed on The Day. The day the Icon appeared in Los Angeles. The day the power stopped. The day Dol's family dropped dead. The day Earth lost a war it didn't know it was fighting. Since then, Dol has lived a simple life in the countryside with fellow survivor Ro-safe from the shadow of the Icon and its terrifying power. Hiding from the one truth she can't avoid. They're different. They survived. Why? When the government discovers their secret, they are forced to join faint-hearted Tima and charismatic Lucas in captivity. Called the Icon Children, the four are the only humans on Earth immune to the power of the Icons. Torn between brooding Ro and her evolving feelings for Lucas, between a past and a future, Dol's heart has never been more vulnerable. And as tensions escalate, the Icon Children discover that their explosive emotions-which they've always thought to be their greatest weaknesses-may actually be their greatest strengths. Bestselling author Margaret Stohl delivers a thrilling novel set in a haunting new world where four teens must piece together the mysteries of their pasts-in order to save their future.

The Living Icon in Byzantium and Italy Paroma Chatterjee,2014-03-17 This is the first book to explore the emergence and function of a novel pictorial format in the Middle Ages, the vita icon, which displayed the magnified portrait of a saint framed by scenes from his or her life. The vita icon was used for depicting the most popular figures in the Orthodox calendar and, in the Latin West, was deployed most vigorously in the service of Francis of Assisi. This book offers a compelling account of how this type of image embodied and challenged the prevailing structures of vision, representation and sanctity in Byzantium and among the Franciscans in Italy between the eleventh and thirteenth centuries. Paroma Chatterjee uncovers the complexities of the philosophical and theological issues that had long engaged both the medieval East and West, such as the fraught relations between words and images, relics and icons, a representation and its subject, and the very nature of holy presence.

Thinking in Icons Felix Sockwell,EMILY POTTS,2017-10-17 In Thinking in Icons, designer Felix Sockwell explains the process of creating an icon and offers examples of collaborations with high-profile designers and his work with international brands like Apple.

The Meaning of Icons Léonide Ouspensky,Vladimir Lossky,1982 The nature of the icon cannot be grasped by means of pure art criticism, nor by the adoption of a sentimental point of view. Its forms are based on the wisdom contained in the theological and liturgical writings of the Eastern Orthodox Church and are intimately bound up with the experience of the contemplative life. The present work is the first of its kind to give a reliable introduction to the spiritual background of this art. The introduction into the meaning and language of the icons by Ouspensky imparts to us in an admirable way the spiritual conceptions of the Eastern Orthodox Church which are often so foreign to us, but without the knowledge of which we cannot possibly understand the world of the icon. -- Back cover.

Icon Introduction

In the digital age, access to information has become easier than ever before. The ability to download Icon has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Icon has opened up a world of possibilities. Downloading Icon provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Icon has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Icon. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Icon. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Icon, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Icon has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Icon Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Icon is one of the best book in our library for free trial. We provide copy of Icon in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Icon. Where to download Icon online for free? Are you looking for Icon PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Icon. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should

		Icon
