Master, Lady Wants To Conquer You Jin XiaoYi,2020-07-09 In order to pay off the debts of her previous life, Tang Xi had traveled to the Peach Blossom Kingdom, an ancient country where she stayed. She had become the national treasure of the Zhenjiang Mansion and had been involved in a dispute over the payment of the debts. At the poorest yamen, National Treasures served as attendants, the chief of the Iron Chicken Stronghold served as bodyguards, the handsome Ghost Doctor of the Jianghu, the eccentric hero who ate shadows, and the dream master Gao Leng who protected and occasionally fell in love and decided upon a marriage. Anime's Identity Stevie Suan, 2021-11-09 A formal approach to anime rethinks globalization and transnationality under neoliberalism Anime has become synonymous with Japanese culture, but its global reach raises a perplexing question—what happens when anime is produced outside of Japan? Who actually makes anime, and how can this help us rethink notions of cultural production? In *Anime's Identity*, Stevie Suan examines how anime's recognizable media-form—no matter where it is produced—reflects the problematics of globalization. The result is an incisive look at not only anime but also the tensions of transnationality. Far from valorizing the individualistic “originality” so often touted in national creative industries, anime reveals an alternate type of creativity based in repetition and variation. In exploring this alternative creativity and its accompanying aesthetics, Suan examines anime from fresh angles, including considerations of how anime operates like a brand of media, the

intricacies of anime production occurring across national borders, inquiries into the selfhood involved in anime's character acting, and analyses of various anime works that present differing modes of transnationality. Anime's Identity deftly merges theories from media studies and performance studies, introducing innovative formal concepts that connect anime to questions of dislocation on a global scale, creating a transformative new lens for analyzing popular media.

Serving without sinking John Hindley, 2013-03-01 Shows busy Christians how to serve joyfully, not wearily. Many of us are serving, and feel like we're sinking. We feel joyless, weary and burdened. John Hindley shows how Jesus was telling the truth when he offered people an easy yoke—a way of serving him that is joyful and liberating. He explains why serving is so often joyless—and how our identity in Christ changes everything. If you are serving, but sometimes feel as though you're sinking... you need this book! If you know someone who has burn out, or is heading in that direction... they need this book too. Serving with sinking... * Is written in a personal, warm, gospel-hearted style. * Encourages readers to see not only how they serve, but WHY they serve * Points Christians away from themselves and back to Jesus * Frees people from the burdens of joyless, duty-based serving
