A dark, twisty modern fairytale where three sisters discover they are not exactly all that they seem and evil things really do go bump in the night. Iris Hollow and her two older sisters are unquestionably strange. Ever since they disappeared on a suburban street in Scotland as children only to return a month later with no memory of what happened to them, odd, eerie occurrences seem to follow in their wake. And they're changing. First, their dark hair turned white. Then, their blue eyes slowly turned black. They have insatiable appetites yet never gain weight. People find them disturbingly intoxicating, unbearably beautiful, and inexplicably dangerous. But now, ten years later, seventeen-year-old Iris Hollow is doing all she can to fit in and graduate high school on time--something her two famously glamorous globe-trotting older sisters, Grey and Vivi, never managed to do. But when Grey goes missing without a trace, leaving behind bizarre clues as to what might have happened, Iris and Vivi are left to trace her last few days. They aren't the only ones looking for her though. As they brush against the supernatural they realize that the story they've been told about their past is unraveling and the world that returned them seemingly unharmed ten years ago, might just be calling them home.

So now that he's finally managed to (somewhat clumsily) behead the evil king (turns out magical swords yanked from bogs don't come pre-sharpened), he and his rag-tag group of quest companions are at a bit of a loss for what to do next. As a temporary safeguard, Arek's best friend and mage, Matt, convinces him to assume the throne until the true heir can be rescued from her tower. Except that she's dead. Now Arek is stuck as king, a role that comes with a magical catch: choose a spouse by your eighteenth birthday, or wither away into nothing. With his eighteenth birthday only three months away, and only Matt in on the secret, Arek embarks on a desperate bid to find a spouse to save his life—starting with his quest companions. But his attempts at wooing his friends go painfully and hilariously wrong...until he discovers that love might have been in front of him all along.

Meanwhile, our phones, personal computers, and cars have attained the ability to know and learn everything about us. This volume opens with essays about robots in popular culture, followed by 100 A-Z entries on the most famous AIs in film, comics, and more. Sidebars highlight ancillary points of interest, such as authors, creators, and tropes that illuminate the motives of various robots. The Starless Sea Erin Morgenstern, 2019-11-05 NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.
