Emmanuel's Book II Pat Rodegast, Judith Stanton, 1997-01-21 Fear tells you, "I want to make you safe." Love says, "you are safe." Fear would walk you on a narrow path. Love says, "open your arms and fly with me." –Emmanuel Emmanuel's great wisdom—coming to us through channel Pat Rodegast—has illuminated thousands of lives. Emmanuel's Book revealed deeply enriching truths about our place in the cosmos and the evolutionary destiny of the human soul. Now Emmanuel shines his light on the limitless power of love—and the prison house of fear. With startling directness and gentle wit, he confronts ageless questions such as "Why am I here?" and contemporary questions such as "How can we help the homeless?" Whether we struggle with personal confusion and pain or with the dilemmas of a troubled world, this wonderful new collection brings us singular comfort, assurance, and encouragement on our way to wholeness.

Love and Responsibility Pope John Paul II, Karol Wojtyła, 1982

Love Stories of World War II, 2001 Both poignant and inspiring, these are the moving stories of men and women who met amid the chaos of the most devastating war in history and became the loves of one another's lives. Many are now enjoying their seventies and eighties together after more than fifty happy years of marriage. They met in many remarkable ways, some in the briefest of chance encounters, and their love endured heart-rending ordeals of long separation and the constant threat that a husband or lover might not return. As these couples reflect on the profound experience of the war, the stories they most like to tell are of the deep bonds they forged during that tumultuous time, bonds so strong that they lasted a lifetime. As one man put it, "We've all got war stories. Some of us like to tell them and some don't. But the story of how we fell in love with our wives, well, that's still with us every day, and I know a lot of us can still get a little choked up over it. The war was a long time ago, one part of our lives. But we're still living the love stories." Bestselling author and master interviewer Larry King tells the stories of these love affairs just as the couples recalled them, capturing the special feeling of those times in their own words. The stories are complemented with a wealth of personal photographs and reproductions of touching memorabilia, including V-mail letters, cartoons, cards, newspaper accounts, and even the ticket stub from the movie seen on a first date. The stories reflect a wonderful range of experiences, from couples who met and got married within a few weeks to those who waited years after a brief first meeting to see each other again. There are stories of falling in love at first sight, stories of tragedy transformed by love, and stories of the remarkable resourcefulness that can be exercised by two people determined to be together. A treasure trove of unique reminiscences, *Love Stories of World War II* offers an unprecedented view into this personal side of the World War II experience and celebrates the incredible legacy of remarkable relationships forged in the midst of tragedy.

Covenant of Love Richard Hogan, 2011-02-16 Pope John Paul II has had a profound theological and personal impact on Catholics and non-Catholics alike. In the scholarly tradition of Saint Augustine and Saint Thomas, he has found a new unity between faith and reason. The study of God, says John Paul, is also the study of humanity. He has come to vigorously insist on the rights and dignity of each human person, and on the divine importance of the family. John Paul teaches that the keystone of Christian living today is the communion of persons which is the family. *Covenant of Love* conveys this central message of his pontificate. It explores the influence of Christ on the modern family, human intimacy, and sexuality and illustrates the Pope's response to the violations of that familial communion: materialism, sterilization, pre-marital sex, abortion, polygamy, adultery and lust, contraception and artificial conception, and homosexuality. Written for the layman as well as for clerics, students, and educators, this volume will enhance the understanding and appreciation of Pope John Paul II's teachings. *Covenant of Love*, presents the extraordinary new way that John Paul II is using to present a new synthesis of the faith that can be the means of renewing the faith of all Christians and of bringing more people to Christ. It sets out his philosophical and theological design for every Christian who seeks a closer relationship with God—in the person of Christ, in the Church, and in the human heart. Fr. Richard M. Hogan holds a doctorate in medieval history from the University of Minnesota. Fr. John M. LeVoir holds a M.A. in theology from Saint Paul Seminary. Both are diocesan priests of the Archdiocese of Saint Paul-Minneapolis with extensive pastoral experience. A splendid analysis of Pope John Paul II's teachings on sexuality, marriage and the family. We see that the Pope's magnificent vision of the human person is ultimately grounded in the revealed truth that the human person is made in the image and likeness of God. - William E. May, Catholic University of America

Called to Love Carl Anderson, Jose Granados, 2012-07-31 A thoughtful, accessible work on the beauty of love and the splendor of the body, inspired by Pope John Paul II. Christianity has long been regarded as viewing the body as a threat to a person's spiritual nature and of denying its sexual dimension. In 1979, Pope John Paul II departed from this traditional dichotomy and offered an integrated vision of the human body and soul. In a series of talks that came to be known as "the theology of the body," he explained the divine meaning of human sexuality and why the body provides answers to fundamental questions about our lives. In *Called to Love*, Carl Anderson, chairman of the world's largest catholic service organization, and Fr. Jose Granados discuss the philosophical and religious significance of "the theology of the body" in language at once poetic and profound. As they explain, the body speaks of God, it reveals His goodness, and it also speaks of men and women and their vocation to love. *Called to Love* brings to life the tremendous gift John Paul II bestowed on humanity and gives readers a new understanding of the Christian way of love and how to embrace it fully in their lives.

Nancy Love and the WASP Ferry Pilots of World War II Sarah Byrn Rickman,2008 When the United States entered World War II, the Army needed pilots to transport or ferry its combat-bound aircraft across the United States for overseas deployment and its trainer airplanes to flight training bases. Male pilots were in short supply, so into this vacuum stepped Nancy Love and her Women's Auxiliary Ferrying Squadron (WAFS). Initially the Army implemented both the WAFS program and Jacqueline Cochran's more ambitious plan to train women to do many of the military's flight-related jobs stateside. By 1943, General Hap Arnold decided to combine the women's programs and formed the Women Airforce Service Pilots (WASP), with Cochran as the Director of Women Pilots. Love was named the Executive for WASP.

Men, Women, and the Mystery of Love Edward Sri,2020-01-08 Fr. Karol Wojtyla (Pope John Paul II's name before he became the pontiff in 1978) published *Love and Responsibility* in 1960. It revealed his fully formed philosophy of marriage and sheds light on the dynamics between men and women. Some consider his analysis of the true meaning of human love as life changing and practical, shedding light on real issues between men and women. This updated and expanded edition of Edward Sri's classic meditation on Pope John Paul II's *Love and Responsibility* includes a new introduction, new chapters for single people and engaged couples, and maybe most importantly the stories of people whose lives have been transformed by Pope John Paul II's foundational teaching on relationships. "Edward Sri is a gifted teacher and an equally talented writer. This book shows why. He breaks open Karol Wojtyla's great text, *Love and Responsibility*, in a way that's clear, engaging and very practical for the challenges of daily life." – Charles J. Chaput, OFM, Archbishop of Philadelphia. In *Men, Women and the Mystery of Love*, Edward Sri breaks down the contents of John Paul's epic work, making it more accessible to the reader. It isn't a manual on sexual ethics, more so a no-nonsense discussion on issues we face as couples. He emphasizes the down-to-earth nature of *Love and Responsibility*, giving readers actionable advice on issues like: How to determine if a relationship is one of authentic love or is doomed to failure; The problem of pornography; The meaning of friendship; How to achieve greater intimacy in marriage; The difference between feeling "I'm in love" and love itself; and so many other valuable questions. While this book is a great personal resource, it also can be used in a variety of situations like small group studies, marriage preparation classes, and other parish settings. It offers valuable advice for just about everyone, from young single adults and engaged couples to newlyweds and couples celebrating their 35th anniversary. Study questions with each chapter make this a valuable resource not only for individual personal reading, but also for small group study.

Love In Vein II Poppy Z. Brite,2010-01-01 Be warned. Brite has done it again with a provocative new collection even more dangerously seductive, more boldly erotic than her first. It is not for everyone. But it may be what you need.

From very different backgrounds, their relationship faces seemingly insurmountable obstacles, and Cal's letters lovingly express how deeply he misses Jo. He has no idea when he will see her again, and plans for marriage give him hope and purpose throughout the war. Yet his dream is unexpectedly shattered when he finally returns. This story is a remarkable display of resolute determination in the face of grim historic events and a parade of personal challenges. Enemies in Love Alexis Clark,2018-05-15 A "New & Noteworthy" selection of The New York Times Book Review "Alexis Clark illuminates a whole corner of unknown World War II history." –Walter Isaacson, New York Times bestselling author of *Leonardo da Vinci* "[A]n irresistible human story. . . . Clark's voice is engaging, and her tale universal." –Jon Meacham, Pulitzer Prize-winning author of *Thomas Jefferson: The Art of Power* and *American Lion: Andrew Jackson in the White House* A true and deeply moving narrative of forbidden love during World War II and a shocking, hidden history of race on the home front This is a love story like no other: Elinor Powell was an African American nurse in the U.S. military during World War II; Frederick Albert was a soldier in Hitler's army, captured by the Allies and shipped to a prisoner-of-war camp in the Arizona desert. Like most other black nurses, Elinor pulled a second-class assignment, in a dusty, sun-baked—and segregated—Western town. The army figured that the risk of fraternization between black nurses and white German POWs was almost nil. Brought together by unlikely circumstances in a racist world, Elinor and Frederick should have been bitter enemies; but instead, at the height of World War II, they fell in love. Their dramatic story was unearthed by journalist Alexis Clark, who through years of interviews and historical research has pieced together an astounding narrative of race and true love in the cauldron of war. Based on a New York Times story by Clark that drew national attention, *Enemies in Love* paints a tableau of dreams deferred and of love struggling to survive, twenty-five years before the Supreme Court's Loving decision legalizing mixed-race marriage—revealing the surprising possibilities for human connection during one of history's most violent conflicts.
