**Getting Illustration Clients** Jo Davies, Derek Brazell, 2024-02-22 The commissioning process can be a confusing maze for the commercial illustrator just starting out □ so let **Getting Illustration Clients** be your beacon for success. Written by the duo that brought you **Becoming a Successful Illustrator**, here Jo Davies and Derek Brazell demystify the commissioning process for commercial illustration, from the point of the view of those hiring and briefing freelance illustrators: the art editors, the designers, the agents and more. With insider tips that will make your work garner attention and satisfy the needs of the brief, each section is beautifully illustrated with full-colour examples of projects typical to main areas of practice from around the globe. Organised with key action points and summaries, as well as case studies from commissioning professionals for Harper Collins, VMLR&Y Wooga Games, and many more. Supporting exercises support Jo and Derek's guidance, to be used off the shelf by students, graduates and early-career professionals working independently. For the practicing illustrator, who want to see the commissioning process from 'the other side', you will always have to hand expert advice on what clients want, how commissioning works and how to get your work noticed. For lecturers in illustration, this is your go-to recommend for recent graduates looking for advice on the working world of commercial illustration.

**Of the Decorative Illustration of Books Old and New (1905)** Walter

Crane,2009-03 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

*Marketing Illustration* Marshall Arisman,Steven Heller,2009-06-09 The market for illustration is changing. How can illustrators survive and thrive? Illustration students, educators, and working artists will find illuminating commentary on editorial, graphic novels, comics, animations, Web, games, toys, fashion, textiles, and more, along with an exploration of how old platforms have changed and new ones emerged. Fifty working illustrators, including such top names as Christoph Niemann, Alex Murawski, Jashar Awan, Yuko Shimuzo, and Tomer Hanuka, share insights on what works now. Published in association with the School of Visual Arts, *Marketing Illustration* explores the impact of technology and the future of the illustration market. No illustrator can afford to miss this thought-provoking resource.

**Pen & Ink Illustration Showcase** Steve Archibald Editor, 2019-04-15 Pen and ink artwork has been a popular form of art and illustration for well over a century. The art form reached it's height in publishing at the end of the 19th century through to the first part of the 20th. During this period many artists came to the fore in a 'Gold rush' of illustrated books, magazines and newspapers. This book includes a selection of over 120 superb examples from some of the early masters of the craft. In total this showcase includes works from 48 excellent artists and illustrators. The examples come from not just the well known artists, but also artists you might not be familiar with. All the images are beautifully reproduced in a large size so the reader can study the different styles and techniques of the different artists. Featuring works from Arthur Rackham, Charles & Heath Robinson, Aubrey Beardsley, Charles Dana

Gibson, Joseph Clement Coll, Percy J Billinghamurst, Franklin Booth, Edmund J Sullivan, Harold Nelson and many more.

**What Do You See?** Jennifer Harding, Pat Pinsent, 2008 These papers explore the diversity of modern children's book illustration and consider its potential as a space for cultural dialogue and exchange. They also look at ways in which illustrations are themselves histories of art and style, and the extent to which they enable us to traverse boundaries and dissolve barriers.

**An Illustrated Field Guide to the Elements and Principles of Art + Design** Joshua Field, 2018 Discover the hidden language of images using this full-color guide to the Elements and Principles of Art and Design with over 200 individual illustrations and 30 artwork examples. This comprehensive illustrated exploration of how images are composed is organized for easy reference and explores each element and principle in depth. Unlike big textbooks, this field guide-sized edition can easily slip into a bag or pocket for your next trip to the museum, design meeting, or classroom critique.

**How to Be an Illustrator Second Edition** Darrel Rees, 2014-01-17 This book offers practical help and guidance to aspiring illustrators. All areas of the job are covered – creating a portfolio; approaching potential clients; preparing for meetings and negotiating contracts; setting up a studio; maintaining a flow of work and managing one's time and cash. Self-promotion, creating websites, self-publishing and the pros and cons of agents are all explored. International illustrators are interviewed, discussing how they got their break in the industry, their experiences with clients, their methods of promoting work and more. In addition, leading art directors describe their approach to commissioning illustration, how they spot new talent, their thoughts on promotional material and their advice to up-and-coming illustrators. Packed with useful tips gleaned from the author's own career as an illustrator, and his work as an agent handling some of the best new talent, the book is an essential read for anyone looking to succeed in

illustration.
