

Impaler

Autumn Bardot

The Impaler Gregory Funaro,2011-02-01 A Killer Without A Conscience The crimes are barbaric. The victims are found in desolate rural areas, naked and impaled on long wooden stakes. There are no clues. No DNA evidence. Just a message, etched over and over again on one broken body: I have returned. Without Control FBI Agent Sam Markham's last investigation ended with a serial killer's death and Sam's promotion. But back then, Sam had luck on his side. This time, the murderer's methods are evolving too fast, his bloodlust growing too swiftly. This time, no one is safe. Without Limits With each mutilated body, new depths to The Impaler's brutality are revealed. And as the clues finally slip into place, Sam will discover how easy it is to cross the line from hunter--to hunted. . . Praise for Gregory Funaro and The Sculptor A stone cold thrill ride! Unique and unexpected twists make this one a keeper! --Lisa Jackson Funaro provides clever plotting and plenty of suspense. --John Lutz Fast-paced, exciting. . .Funaro delivers gasp-out-loud terror and relentless suspense. A genuine page-turner! --Kevin O'Brien

Heart of the Impaler Alexander Delacroix,2021-12-07 Alexander Delacroix's darkly romantic debut Heart of the Impaler is perfect for fans of Kiersten White's And I Darken. Vlad Dracula has long lived in the shadows cast by his bloodthirsty father, the voivode, and his older brother, Mircea. Despite their cruelty, Vlad has yearned to prove himself worthy of the throne his whole life. In the cold halls of the voivode's palace, Vlad can only rely on his cousin and closest friend, Andrei Musat. When Vlad and Andrei meet Ilona Csáki, the daughter of an influential boyar, they each find themselves inextricably drawn to her. But then Ilona is betrothed to Mircea as part of a political alliance, and Vlad's resentfulness of his brother begins to seethe into something far darker. Ilona has no desire to marry the voivode's eldest son, but love and marriage are the least of her worries. The royal family's enemies have already tried to put an arrow through her back—and if anyone discovers her blossoming feelings for Andrei and Vlad, she may just wish they'd succeeded. Beneath the shadow of impending war, the only battle that will be deadlier than the one for Ilona's life will be the one for her heart. Praise for Heart of the Impaler: Flowing and fast-paced as court intrigue, spies, family secrets, romance, twists, and turns pull readers into fifteenth-century Romania—and into the heart of Vlad the Impaler. Highly recommended. —Booklist Delacroix adroitly immerses readers in a delicious blend of romance and 15th-century politics that leans more historical than mythic, while exploring the power of love to change history's tides. —Publishers Weekly

Impaler William Harms,2010 Millions of vampires have descended upon America. In a desperate attempt to defeat them the US military nuked New York City. Unfortunately, it was too little, too late. The legendary vampire hunter Vlad the Impaler has returned to stop them and NYC Detective Victor Dailey has become his unwilling companion. International Horror Guild Award finalist William Harms (Wolverine: The Anniversary) returns to his bold new re-imagining of the vampire mythos with this second volume! Joining Harms for this volume is up-and-coming painter Matt Timson (Popgun). Collects Impaler Volume 2 #1-6, plus a cover gallery and bonus material.

The Impaler Thomas Arthur,2016-10-21 You have known me by many names, but the one that you would be most familiar with is Dracula. However, before that, I was known as Vlad, the Impaler. What you hold now in your hands is my story, the beginning of a tale that spans countless lives and countless souls. It is a tale that is not so much a tale, but instead the complete and utter truth, if truth is what you seek, which I know that it is. That is why out of the mass of hundreds, it was you who picked this book from the shelves.Do not be alarmed or think it strange that I know of this, for that is irrelevant to the course

of actions that will follow. Now, it has become too late and you have begun this journey whether you wanted to or not. You see, this is a cursed book, and you are a seeker of truth, a seeker of knowledge, a seeker of the unknown. That is why you will open the pages and will look inside not knowing what to find, and afraid of seeing what I truly know of you and all of humanity. Before you go on, I warn you that what you will read inside is haunting, desolate and grim, and not civil or kind in any way. It is a story that will leave you changed and disturbed, and if that is a journey that you wish not to take, then I implore you to put me back on the shelf where you found me and leave at once from here. For now that you have read what you have read, I will call for you...always.

Dracula Arie Kaplan,2011-01-15 Recounts the life of the real Dracula, a Romanian warrior prince, and how some events have become part of modern vampire lore.

Dracula Bram Stoker,1982-04-12 String garlic by the window and hang a cross around your neck! The most powerful vampire of all time returns in our Stepping Stone Classic adaption of the original tale by Bran Stoker. Follow Johnathan Harker, Mina Harker, and Dr. Abraham van Helsing as they discover the true nature of evil. Their battle to destroy Count Dracula takes them from the crags of his castle to the streets of London... and back again.

Blood of the Impaler Jeffrey Sackett, THE BLOOD REMEMBERS... Malcolm Harker is heir to the family fortune - and he is about to discover the family curse. Sunlight burns his eyes, consecrated wine sears his throat, and dark memories fill his dreams. The answer rests in his name, his ancient blood, and a terrifying legend that is much, much more than legend. It is fact THE BLOOD CALLS... Malcolm Harker is an educated man.To unmask the lie that his family has accepted as truth, Harker must find the crypt of Vlad of Wallachia, the man once known as the Impaler. He must prove that the vampire prince has no power over the blood coursing through his veins. But when the century-old princess of the Undead arises, the blood calls - and Malcolm will answer. BLOOD OF THE IMPALER

Vlad the Impaler Sid Jacobson,2009-10-15 Read Sid Jacobson's posts on the Penguin Blog Two legends of the comic book industry bring to life the story of gore and lust that inspired Dracula. Vlad the man had a devilish streak-a vicious temper, a passion for women, and a thirst for revenge. Vlad the ruler was a true devil-a relentless torturer, a brutal murderer, and a paranoid leader whose megalomania would be his own undoing. Responsible for the merciless deaths of thousands, this savage 15th century ruler earned himself the moniker Vlad the Impaler. His bloody reign struck terror into the hearts of his disciples and inspired generations of vampire myths-most famously Bram Stoker's ghoulish protagonist, Dracula. However that beloved bloodsucker doesn't hold a candle to the real-life fiend whose brutal treachery has made him immortal.

Vlad the Impaler John M. Shea,2016-07-15 Vlad III, the 15th century ruler of what is now southern Romania, had a terrifying nickname☐ the Impaler. It originated with the grisly way he dealt with his enemies: He demanded that their not-yet-dead bodies be impaled on stakes. Vlad☐ s reputation for brutality only grew and later became entwined with the legend of the vampire Dracula. This in-depth account presents the true story of Vlad the Impaler and his fight against the Ottoman Empire, a struggle that makes the villain a hero to some. An appealing design and features such as sidebars and fact boxes make this biography an especially high-interest read for young historians.

The Impaler Prince David John McAllister,2022-05-31 In fifteenth-century Eastern Europe, Vlad III of Wallachia conducted a reign of terror. He had citizens impaled by the thousands. People were butchered on his merest whim. In his realm, and beyond it, men and women lived in dread of the Impaler

Prince. And this Prince revelled in the horror he inspired. He was a sadist, seen by some as a being of unequalled depravity, even as the Devil's own spawn. But Vlad was also a man who had the qualities of a great leader: strength, courage, intelligence and commitment to an ideal. He was a crusader against the infidel who considered himself a true warrior of Christ. Here, his story is told by four men whose lives overlapped with his; men who were influenced by him to the point of obsession. But it is also told by Vlad himself. The inner thoughts of the butcher of Wallachia are exposed. And there is much more to this sinister figure than many would have imagined.

Vlad the Impaler: Son of Dracula Alan C. Baird, 2015-10-22 Many will assume this is just another retelling of the Dracula horror myth... but Vlad's story is true. Hitler's Holocaust killed approximately 10% of Germany's people, while some estimates claim that Vlad exterminated more than 20% of his fellow Wallachians. A gruesome genre-bender with perverse humor, based on 15th-century history. Warning: graphic transgressive violence.

Vlad Dracula : The Impaler Albert Ernst, 2024-03-28 1456, the night of Vlad's coronation: a dastardly plot, a joint venture between the Ottoman Empire and Catholic Hungary to kill the Impaler's beloved, sets off some of the worst atrocities in history, enshrining the name Dracula as a synonym for terror. He drank the blood of his victims, and filled the castles of the land with wretches destined for the stake: Scourge of the Saxons, champion of the peasants, national hero who saved his country from Islamic conquest, Vlad was all of these, and much, much more... His name has become a byword for cruelty, Vlad's draconian policies the horror of Europe. But who was the man behind the legend? Written off by historians, the Dacians were thought to have vanished immediately after the Roman conquest of Dacia, but Vlad, Son of the Devil, would revive the ancient Gaulish pride, bringing hope to the oppressed Wallach remnants of Transylvania through a dastardly series of impalements: he would become known in Romanian as Vlad Țepeș, the Impaler! A man more terrifying than any vampire.

Impaler William Harms, 2008 When one of the worst blizzards in modern history descends upon New York City, the blinding snow and wind are the least of the city's problems. For hidden in the weather is a growing army of ravenous vampires, and humanity's only hope lies with Vlad Tepes, the 'historical Dracula'--Back cover

The Impaler Thomas Arthur, 2016-10-25 This is an epic, dark fantasy/Gothic literature series about the man who inspired Dracula and how he became a monstrous legend. The Impaler is book one of the series and tells the story of Vlad and how he met Gideon, a man who would change his life.

The Impaler Lucia Gorea, 2015-10-01 Who was the real Count Dracula? A bloodthirsty vampire? A medieval prince? A ruthless tyrant? Or a famous voivode who skillfully defended his land? In 1442, on a somber morning in Wallachia, Vlad and his younger brother, Radu, bid farewell to their weeping, heartbroken mother. Their father has given them to Sultan Murad II, ruler of the Ottoman Empire, to prove his loyalty to the Turks. One of the boys will adapt well to captivity. The other won't... The Impaler tells a gripping true story of passion, betrayal, resentment, and revenge--and an obsession to conquer and rule.

Prince Dracula Gavin Baddeley, 2022-09-22 A war hero, a mass murderer and a Gothic legend the world has never forgotten Vlad the Impaler is one of history's most compelling and brutal characters, with a bizarre afterlife as a cult horror sensation. A hero to his countrymen, Vlad Dracula is a byword for dread. Not just for generations of Western fans of Gothic fiction and film, but also for an appalled and fascinated 15th-century readership, for whom contemporary accounts of Dracula's atrocities became the world's first horror bestsellers. Combining historical research and dramatic reconstruction with contemporary

reference, here is Vlad the Impaler's dramatic career, from pampered captive of the Ottoman Sultans to exterminating angel of Christian vengeance. But in reality, was he the embodiment of unbridled cruelty or model ruler of an embattled realm? Prince Dracula also examines the role of psychological warfare and black propaganda in international politics, from the medieval torture chamber to the headlines of the modern age, and shows Vlad as an unwitting pioneer of the modern world. Plying a grisly course through medieval bloodbaths and contemporary horrors, Gavin Baddeley and Paul Woods leave no tombstone unturned in this extraordinary history.

Brides of the Impaler ASSISTANT PROFESSOR OF RADIOLOGY EDWARD LEE (DR.), Edward Lee, 2013-09-24 Cristina Nichols fears the future, through the harrowing whispers of her past. She longs to forget the depraved abuses she suffered in her youth that left her afraid of love and passion. But something, somewhere, is suddenly tantalizing her, beckoning into a muse of carnal revelation and ecstatic fulfillment SECRET PASSIONS Deep in the cryptic New York City brownstone, something awakens, brimming with hot, real breath, libidinous longings and desires of the flesh the likes of which Cristina cannot conceive A SECRET LUST BURIED FOR AGES In the basement she finds it, the sinister evil finally unbound, reaching forth in vampiric bloodlust to prey upon her most forbidden fantasies and plummet her body and soul into a chasm of wantonness as black as the most timeless sin IMPALER The secret will drench your desires in blood

Vlad Dracula the Impaler Marin Sorescu, 1987

Impaler: a Novel John Salonia, Howard Mertine, Jr., 2012-06-06 Prince Dracula, Scourge of the Turks, is a gruesome enigma to his subjects, as well as to his enemies and the spies of his "allies" at his court. His nickname, Vlad the Impaler, is well earned. However, even the most savage of Dracula's executions exhibit a thread of twisted ethics, leading through the sardonic prince's labyrinthine morality to the psychological scars at the center of the maze. These flaws motivate Dracula's attempts to control his treacherous nobles, the boyars, while simultaneously fighting off the enemy nations and faithless allies that surround Wallachia, his principality. The boyars have murdered Dracula's father and elder brother Mircea under orders from one of these faithless allies – Janos Hunyadi, the great Hungarian crusader, who hates Dracula's family for its political misdeeds. The boyars extirpate any prince who refuses to be their weak puppet. After spending his childhood as a political prisoner of the Turks, resisting their ceaseless indoctrination attempts, Dracula is neither weak nor a puppet. But his mental scars run deeper than those inflicted by the Turks. Dracula's psychological wounds begin in his cradle, where his love-hate relationship with his autocratic father Vlad is forged. Dracula's distrust of human nature is worsened by the treacherous political turmoil of his homeland. The death of Dracula's mother Armilla while giving birth to his brother Radu creates a lifelong hatred between the brothers, for Dracula blames Radu for Armilla's death. Dracula's psyche is warped further when the Turks capture him, with his father and Radu. The boys are held as hostages at Egrigoz, a Turkish indoctrination center for political prisoners, to ensure Vlad's obedience to the Sultan . . . an indoctrination that goes horribly awry. In Part 1, "A Forest of Stakes," we find Dracula in the midst of his reign of terror, and glimpse the twisted results of his nightmarish childhood. In Part 2, "Roots of Blood," we flash back to Dracula's childhood and explore the complex psychological, social, political and sexual traumas that warped his psyche as he grows to adulthood. In Part 3, "The Tenderness of the Starving Wolf," we experience Dracula's fall from power and his death. IMPALER is a thriller, a love story, a horror story, and an intimate portrait of a man twisted by fate. And it's proof that the truth IS stranger and more wondrous than fiction.

The Impaler's Wife Autumn Bardot, 2019-03-27 A dark tale of love, obsession, and revenge. A young woman is swept into a life of intrigue, revenge, passion, and betrayal when she falls for the world's most notorious prince, Vlad Dracula. The year is 1464. King Matthias controls Hungary, his family, and the fate of the world's most notorious political prisoner, Prince Vlad Dracula. Ilona Szilágyi, the king's cousin, is young and ambitious. Dracula is determined to marry into the family. It is love at first sight, but the king has other plans. The Impaler Prince, however, never takes no for an answer. Eager to become his trusted confidant, Ilona enters a treacherous world where revenge, betrayal, ambition, and passion transcend all that is sacred. And love demands the ultimate sacrifice. Woven throughout is a peek into the life and times of one of the world's most enigmatic and maligned rulers...the man before the legend. With Bardot's decadent period detail and a cast of gritty evocative characters, *The Impaler's Wife* offers a fierce yet sensuous glimpse into the violent 15th century.

As recognized, adventure as skillfully as experience approximately lesson, amusement, as capably as understanding can be gotten by just checking out a ebook **Impaler** then it is not directly done, you could admit even more all but this life, on the world.

We have the funds for you this proper as well as easy habit to acquire those all. We manage to pay for Impaler and numerous books collections from fictions to scientific research in any way. among them is this Impaler that can be your partner.

Impaler Introduction

In today's digital age, the availability of Impaler books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying

heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Impaler books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Impaler books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Impaler versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Impaler books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open

them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Impaler books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Impaler books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical

manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Impaler books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Impaler books and manuals for download and embark on your journey of knowledge?

FAQs About Impaler Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends

on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Impaler is one of the best book in our library for free trial. We provide copy of Impaler in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Impaler. Where to download Impaler online for free? Are you looking for Impaler PDF? This is definitely going to save you time and cash in something you should think about.
