Legend of the Imperial Sword Jonathan Wang,2021-12-23 Long ago in the High Heavens lived a celestial god named Long Mao, his fairy wife, Yuying; and his 4 sons: Honglong, Liulong, Huanglong, and Heilong. They lived very happily in the Celestial Gardens. However, their happiness did not last long after Long Mao received a gift from the Jade Emperor: The Imperial Sword. The Imperial Sword was developed by Pangu, the Great Creator as a weapon used to reset the world if it deemed not suitable for life. It was never used and passed on as an heirloom from god to god. The Jade Emperor believed that Long Mao is deemed well responsible for taking care of the sword after his long-term service to the High Heavens as High Ambassador to the Andromeda Galaxy, another Heavenly body, and the Underworld. Long Shi, the evil younger brother of Long Mao, sought to reset the world under his rule with the Imperial Sword. He conquered and ruled the Underworld for many years. Long Shi decided to invade the Celestial Gardens and take the sword. Long Mao decided to give the sword to his four sons and leave the palace. Long Mao and his wife died afterward. The four brothers known as the Dragoncat Brothers split off in their separate ways and advise their servant to protect a future immortal descendant, a man named Justin, who will fully understand the sword's power and see its proper destruction. The descendant will have the power to destroy the sword that no one will possess. Not only will the descendant destroy the sword but also bring peace to the Immortal and Mortal realms.

Fall of the Swords Collection Scott Michael Decker, 2022-07-04 All four books in 'Fall Of The Swords', a series of fantasy novels by Scott Michael Decker, now in one volume! The Peasant: Following a civil war, an empire grapples with the devastating fallout. His conscience heavy, Peasant General Guarding Bear wants to usurp the tyrannical emperor's throne. But the general's rivals continue to play games, seeking to avenge their name and reclaim the Northern Imperial Sword. With his reign threatened and no progeny to his name, the Emperor plots to conceive an heir by stealth. Soon, Guarding Bear enters a world of deception, smoke and mirrors, and must decide where his loyalties lie. The Bandit: Tired of lying in wait, the exiled Noble Bandit seizes his chance at revenge. Meanwhile, as the birth of the Royal Twins nears, Peasant General Guarding Bear is repatriated by the Emperor. Fearing for the safety of his heirs, the emperor orders the general to lay siege to his enemy's fortress. In preparation, the general recruits the aid of a powerful wizard and a skilled young healer - but none of them suspects a traitor in their midst. As loyalties are tested and new alliances made, who will rise above and claim victory as their own? The Heir: The future of the Empire hangs in the balance. Separated from birth, the Royal Twins have been raised in opposite corners of the empire. Meanwhile, bandits continue to lay waste to the kingdom in their attempt to force the Emperor to relinquish the Northern Imperial Sword. Among them is the Noble Bandit, nemesis of Peasant General Guarding Bear. Tasked with rearing one of the twins, the Peasant General wastes no time in preparing the boy for his destiny of ridding the kingdom of the bandits once and for all. But long-kept secrets are brought to life as the Heir is mistaken for his long-lost brother, and his new rival declares himself Emperor of the northern lands. Their path leads them towards

a final confrontation that will forever change the fate of the realm. The Emperor: Seeking Sword looks to the south for only one thing: The Northern Imperial Sword, which now lies dormant in the vaults of the Eastern Empire. Without it, Seeking Sword will always be a bandit. And to get it, he'll have to defeat the Heir. Abandoned to bandits as an infant, Seeking Sword has known adversity, but nothing has prepared him to lead a campaign against such an adversary. It isn't the Heir's formidable fighting skills nor his tactical acumen that so dismays the bandit Emperor. It's the beloved devotion of his people.

Ancillary Sword Ann Leckie, 2014-10-07 Seeking atonement for past crimes, Brek takes on a mission as captain of a troublesome new crew of Radchai soldiers, in the sequel to the New York Times bestselling, award-winning *Ancillary Justice*. Brek is a soldier who used to be a warship. Once a weapon of conquest controlling thousands of minds, now she has only a single body and serves the emperor. With a new ship and a troublesome crew, Brek is ordered to go to the only place in the galaxy she would agree to go: to Athoek Station to protect the family of a lieutenant she once knew -- a lieutenant she murdered in cold blood. Ann Leckie's Imperial Radch trilogy has become one of the new classics of science fiction. Beautifully written and forward thinking, it does what good science fiction does best, taking readers to bold new worlds with plenty explosions along the way.

to lead a campaign against such an adversary. It isn't the Heir's formidable fighting skills nor his tactical acumen that so dismays the bandit Emperor. It's the beloved devotion of his people. How is Seeking Sword to fight that? This is the large print edition of The Emperor, with a larger font / typeface for easier reading.

Sword Tomb Bao JianRen, 2020-06-12 His killing intent shook the heavens, and he cut down all the cold water to bring justice to the world. Eternal Heroic Soul for my use, I have a sword that can pierce the heavens. A swordsman was the sovereign of all weapons. Those who wielded a sword wielded a Dao. The sovereign of heaven and earth ruled the world, annihilating ghosts and deities. In ancient times, there was a tomb, a tomb to judge the heavens. Close]

Reconstructing the Reality of Images Maria G. Pangu Descendant Warrior Xie ZhiShangAiZhiHen, 2020-05-24 Q city's summer was not as hot as other cities. As a seaside city, it had the characteristics that a seaside city should have. Although the weather was hot, the sea breeze still gave people a chill, except for those hot-blooded teenagers in high school ... The third high school is a comprehensive strong school in the city of Q, not the comprehensive teaching, but the comprehensive students. There were all kinds of students here, be they poor or rich, good or bad, all of them would appear in this school. Some of the students' parents had countless amounts of money, while some of the parents were just ordinary workers. Some students were generous, kind and empathetic, while others were ruthless and sinister. The reason for this is that No. 3 High School is a special school. In high school, the teaching level and promotion rate of No. 3 High School are in the whole world.
