*Present Day Political Organization of China* H.S. Brunnert,V.V. Hagelstrom,2013-04-15 Originally published in 1910, this work presents a fascinating insight into the government and administration of the China of the day. The period was one of immense change as China's leaders turned the nation towards modernity. As student interpreters to the Imperial Russian Legation, the authors had privileged access to the corridors of power and found themselves very much at the heart of the republican ferment that gripped the country.

**Imperial Kelly** Peter Bowen, 2013-01-15

Yellowstone Kelly has dealt with Indians, Zulus, hapless Brits, and Mormons. Now the intrepid scout meets his greatest challenge: Theodore Roosevelt. /div  
Nowadays US Army Major Luther "Yellowstone" Kelly isn't the young lively man he once was. He's cantankerous, stubborn, and his nagging illnesses are exacerbated by the slightest provocation. Still, Kelly is called back into action by his most irritating boss yet: a young assistant secretary of the navy by the name of Theodore "Teethadore" Roosevelt. /div  
The future president needs a crew of toughs to join his Rough Riders outfit, and he correctly reckons that Kelly has an inside track on some of the nastiest ones. Kelly enlists a rascally crew, including his friends Butch Cassidy and the Sundance Kid, and helps Roosevelt win the Spanish-American War. Next an impressive piece of jade leads him over the Pacific, before he's summoned to observe the outbreak of the Boer War. While sailing to southern Africa, he runs into Winston Churchill in Mozambique . . . and on Kelly stumbles into other areas of the history books. Whether he's being chased by Boers or Igorote tribesmen, Kelly always maintains his trademark cynicism and resourcefulness, somehow finding a way to always land on his feet—even if Teethadore is determined to take credit for it. /div

**Trench** Daniel Freedman, 2021-10-13 Set during the bloody hand-to-hand combat between Allied and German troops in the First World War, Trench is centred on the lives of Reilly Weathers and Sean Foley, two young soldiers in the British Fourth Army, 32nd Division. As the men fight the harsh realities of war, they're welded as comrades and confidantes, with each one battling his own personal demons. Back in London, Reilly's girlfriend Marie desperately awaits his safe return home. She confronts power and politics in her own campaign to further the women's suffrage movement and support the war effort in a male-dominated world. As the British soldiers fight to survive in the trenches, they're haunted by the spectre of a blood-thirsty beast—one that's perhaps even more fearsome and formidable than the Germans. The recruits must band together to battle their darkest fears and vanquish not only the monsters that dwell within their minds, but also the growling abomination that stalks them from the

shadows.
