Shikimori's Not Just a Cutie 5 Keigo Maki,2021-07-06 Shikimori seems like the perfect girlfriend: cute, fun to be around, sweet when she wants to be... but she has a cool dark side that comes out under the right circumstances. And her boyfriend Izumi loves to be around when that happens! A fun and funny high school romance with a sassy twist perfect for fans of Nagatoro-san and Komi Can't Communicate! Shikimori spends some quality time with her rival (?) Kamiya and finds that they have a lot more in common than just their attraction to Izumi. Could this be the start of a special friendship? With the culture fair now over, the time has come for the dreaded (to some) sports fair, and the whole gang has been assigned to the relay race team! Hachimitsu, whose interest in sports and all physical activities is nonexistent, faces a difficult dilemma. Her friends are

passionate about competing to win, while she is passionate about not exerting herself in any way. Will the power of friendship overcome her deep distaste for running or, heaven forbid, practicing running?!

The Paladin C. J. Cherryh,2016-06-20 Does it seem reasonable to you that a Regency continues—into an Emperor's thirtieth year No, m'lord, Shoka said. Not to us, either. Not to many of us. We were ready to make that objection—when lord Gitu overran Yijang and Hua.... Assassinations, elsewhere. Hired killers. Bands of mercenaries traveling under imperial orders. The Emperor's seal, and the Regent's orders. How do we stop such a thing How do we prevent it—when every lord able to lead is apprehended, assassinated, when they strip us of men, even boys out of the fields—go to Saukendar, some said. Go to Saukendar. They urged me to send to you. This time he has to listen, they said. But if I had sent—and Ghita had known—you understand— Reidi gave an uncomfortable twitch of the shoulders.

His horse shifted again. I had no true hope that you'd come. You'd indicated to the villagers—that you had no wish to hear from anyone. That you would refuse any such petitions— You were watching me. It's my village, m'lord—as the Regent pointed out to me again and again, and threatened my life should you leave that mountain. Of course the word came to me. I tried to get a messenger down the road to you when I knew you'd left Mon.... We believed you'd come back to deal with Ghita and his partisans. Shoka felt cold, cold all the way to the bones. There are men ready to follow you, lord Saukendar. There are men who've committed their lives to this— We didn't know the hour. We only believed. Now you've come back ... It's gripping drama, tightly focussed and inexorable as Taizu herself. Read *The Paladin* and you'll never settle for another ordinary sword-wielding female. —Faren Miller LOCUS At the publisher's request, this title is sold without DRM (Digital Rights Management)

The Animated Movie Guide Jerry Beck, 2005-10-28 Going beyond the box-office hits of Disney and Dreamworks, this guide to every animated movie ever released in the United States covers more than 300 films over the course of nearly 80 years of film history. Well-known films such as *Finding Nemo* and *Shrek* are profiled and hundreds of other films, many of them rarely discussed, are analyzed, compared, and catalogued. The origin of the genre and what it takes to make a great animated feature are discussed, and the influence of Japanese animation, computer graphics, and stop-motion puppet techniques are brought into perspective. Every film analysis includes reviews, four-star ratings, background information, plot synopses, accurate running times, consumer tips, and MPAA ratings. Brief guides to made-for-TV movies, direct-to-video releases, foreign films that were never theatrically released in the U.S., and live-action films

with significant animation round out the volume.
