Impulse David Lewis,2013-10-01 Impulse explores what people do despite knowing better, along with snap decisions that occasionally enrich their lives. This eye-opening account looks at two kinds of thinking--one slow and reflective, the other fast but prone to error--and shows how our mental tracks switch from the first to the second, leading to impulsive behavior.

Impulse Nora Roberts,2004 Practical Rebecca Malone quits her accounting firm and goes to Greece for adventure; when a handsome stranger approaches her, she follows her impulse.

Specific Impulse Charles Justiz,2011-04-18 Specific Impulse is a Clarion Book of the Year Award Finalist. Great energy a fun and engaging read! DR. BONNIE DUNBAR, FORMER NASA ASTRONAUT AND CEO OF SEATTLE MUSEUM OF FLIGHT Space scientist Carin Gonzales and former submarine commander Jake Sabio are two strangers drifting separately through life when a thunderous explosion above the giant Barringer Meteor Crater inexplicably brings them together, transforming both in unpredictable ways. Now able to see and smell more precisely and move in ways that are clearly impossible, Gonzales and Sabio soon realize that these kinds of life-changing alterations do not come without a price. Worse yet, they soon notice that others who witnessed the explosion are now dead from a seemingly incurable infection. The CDC wants nothing more than to lock them up in a lab for study. Special Agent Will Greenfield wants them for questioning. Contract killer Antonio Crubari would be happy if they would just hurry up and die, but he is willing to speed up the process if need be. Time is running out for Gonzales and Sabio. But even as they struggle to survive and find a cure for the deadly infection, they uncover a secret of monumental proportions that changes everythingincluding the future.

Impulse Nora Roberts,2020-09-15 A woman acting on Impulse enjoys a romantic adventure of self-discovery in this novella from #1 New York Times bestselling author Nora Roberts. When her predictable path in life leads to dissatisfaction, Rebecca Malone quits her accounting job, sells her belongings, and leaves Philadelphia for Greece. Basking in an environment so different from everything she knows, Rebecca permits herself to enjoy the attentions of Stephen Nickodemus, a restaurant owner more than happy to share the many flavors of Greek culture with her. But when their flirtatious fling grows more serious than either expected, Rebecca must choose either to embrace her new carefree spirit or to accept the true love in her heart.

Impulse Ellen Hopkins,2008-05-20 From the bestselling author of Crank, the story of three kids whose lives collide at a mental hospital after each attempts suicide. Sometimes you don't wake up. But if you happen to, you know things will never be the same. Three lives, three different paths to the same destination: Aspen Springs, a psychiatric hospital for those who have attempted the ultimate act--suicide. Vanessa is beautiful and smart, but her secrets keep her answering the call of the blade. Tony, after suffering a painful childhood, can only find peace through pills. And Conner, outwardly, has the perfect life. But dig a little deeper and find a boy who is in constant battle with his parents, his life, himself. In one instant each of these young people decided enough was enough. They grabbed the blade, the bottle, the gun--and tried to end it all. Now they have a second chance, and just maybe, with each other's help, they can find their way to a better life--but only if they're strong and can fight the demons that brought them here in the first place.

Acting on Impulse Mia Sosa,2017-09-19 Guarantees characters that glow with equal parts wit, sass, and sensuality. Library Journal (Starred Review) The first in a fun, flirty new series from Mia Sosa! After a very public breakup with a media-hungry politician, fitness trainer Tori Alvarez escapes to Aruba for rest, relaxation, and copious amounts of sex on the beach--the cocktail, that is. She vows to keep her vacation a man-free zone but when a cute guy is seated next to her on the plane, Tori can't resist a little harmless flirting. Hollywood heartthrob Carter Stone underwent a dramatic physical transformation for his latest role and it's clear his stunning seat mate doesn't recognize the man beneath the shaggy beard and extra lean frame. Now Carter needs help rebuilding his buff physique and Tori is perfect for the job. It doesn't hurt that she makes his pulse pound in more ways than one. Sparks are flying, until a pesky paparazzo reveals Carter's identity. Tori is hurt and pissed. She wants nothing to do with another man in the limelight, but she's still got to whip him into shape. Can Carter convince Tori he's worth the threat to her privacy that comes with dating a famous actor, or will Tori chisel him down to nothing before he even gets the chance? Grab the popcorn...

The Apology Impulse Cary Cooper,Sean O'Meara,2019-10-03 WINNER: American Book Fest Best Book Award 2020 - Communications/Public Relations WINNER: NYC Big Book Award 2020 - Marketing and Public Relations Saying sorry is in crisis. On one hand there are anxious PR aficionados and social media teams dishing out apologies with alarming frequency. On the other there are people and organizations who have done truly terrible things issuing much-delayed statements of mild regret. We have become addicted to apologies but immune from saying sorry. In January 2018 there were 35 public apologies from high-profile organizations and individuals. That's more than one per day. Between them, in 2017, the likes of Facebook, Mercedes Benz and United Airlines issued over 2,000 words of apologies for their transgressions. Alarming, the word 'sorry' didn't appear once. This perfectly timed book examines the psychology, motivations and even the economic rationale of giving an apology in the age of outrage culture and on-demand contrition. It reveals the tricks and techniques we all use to evade, reframe and divert from what we did and demonstrates how professionals do it best. Providing lessons for businesses and organizations, you'll find out how to give meaningful apologies and know when to say

sorry, or not say it at all. The Apology Impulse is the perfect playbook for anyone - from social media executive through to online influencers and CEOs - who apologise way too much and say sorry far too infrequently.

Living on Impulse Cara Haycak,2009-08-20 Mia Morrow is impulsive, plain and simple. While her friends are concerned with grades and colleges, Mia would rather focus on the things that make her happy— like chasing boys or snatching something off a department store shelf. No big deal, right? But then Mia gets caught shoplifting, and her thoughtless behavior doesn't just push her friends away, it gets her into a lot of trouble, too. In this eye-opening tale of friendships, family, and negative impulses, Cara Haycak subtly shows that the power to heal is within all of us, and it almost always starts with forgiveness.

Impulse David Lewis,Student of Christ Church and Professor of Ancient History David Lewis,2013 psychology.

Irresistible Impulse Robert Tanenbaum,1997 Husband and wife Butch Carp and Marlene Ciampi face important turning points in their lives when Butch takes on his first case back at the D.A.'s office and Marlene finds herself at the center of a media frenzy over vigilante justice.

Impulse Buying: Concepts, Frameworks and Consumer Insights Dr. C. Nagadeepa,Ms. Deepthi Shirahatti,Ms. Sudha N, This book emphasizes on Impulse buying, its concepts and consumer insights. Consumer behaviour is always a remarkably interesting topic and complex subject for all marketers and retailers. Retailers have long recognised the value of impulse purchases, which have contributed significantly to their bottom lines. Getting customers to buy on impulse is a tried-and-true approach to increase average purchase value in any retail store. Marketers and retailers tend to exploit these impulses which are tied to the basic want for instant gratification. The entry of foreign products into the Indian market, growth in the organised retail industry, increasing disposable income, favourable demographic segmentation, and changing culture and lifestyle, Indian consumers' shopping behaviour has radically changed, and impulse buying is emerging as a highly noticeable behaviour. In this background, we are privileged and honoured by the interest of the academicians, research scholars and students that this Book on “Impulse Buying Behaviour” will contribute to the changing scenarios in the Field of Marketing. cnagadeepa@gmail.com, for further suggestions and improvement.

Impulse Catherine Coulter,1991-06-04 A journalist's quest for revenge takes her to a private Caribbean island in this contemporary suspense novel from #1 New York Times bestselling author Catherine Coulter. When Pulitzer Prize winning journalist Rafaella Holland discovers that her “real” father is powerful arms dealer Dominick Giovanni, all she can think about is vengeance. Vengeance for what he did to her now comatose mother. To gather enough proof to send him to prison for the rest of his miserable life, Rafaella will have to travel to the private island compound in the Caribbean where he runs his operations. Marcus Devlin manages the resort on Giovanni's Island, a private playground for the wealthy and powerful. He's very good at what he does, but Rafaella wonders if he's really what he seems. As Rafaella and Marcus grow closer, events threaten to spin out of control when their small world on Giovanni's Island starts to implode...

Focal Impulse Theory John Paul Ito,2021-01-05 Music is surrounded by movement, from the arching back of the guitarist to the violinist swaying with each bow stroke. To John Paul Ito, these actions are not just a visual display; rather, they reveal what it really means for musicians to move with the beat, organizing the flow of notes from beat to beat and shaping the sound produced. By developing focal impulse theory, Ito shows how a performer's choices of how to move with the meter can transform the music's expressive contours. Change the dance of the performer's body, and you change the dance of the notes. As Focal Impulse Theory deftly illustrates, bodily movements carry musical meaning and, in a very real sense, are meaning.

Impulse Steven Gould,2013-01-08 A latest tale set in the world of Jumper finds Cent, the daughter of a man brutally pursued by the government and other dangerous adversaries for his ability to teleport, triggering an avalanche while illegally snowboarding and discovering her own teleporting abilities.

Perfect Ellen Hopkins,2013-12-03 In this riveting and startling companion to *Impulse*, northern Nevada teenagers Cara, Kendra, Sean, and Andre, tell in their own voices of their very different paths toward perfection and how their goals change when tragedy strikes.

The Impulse Society Paul Roberts,2014-09-02 It's something most of us have sensed for years-the rise of a world defined only by “mine” and “now.” A world where business shamelessly seeks the fastest reward, regardless of the long-term social consequences; where political leaders reflexively choose short-term fixes over broad, sustainable social progress; where individuals feel increasingly exploited by a marketplace obsessed with our private cravings yet oblivious to our spiritual well-being or the larger needs of our families and communities. At the heart of *The Impulse Society* is an urgent, powerful story: how the pursuit of short-term self-gratification, once scorned as a sign of personal weakness, became the default principle not only for individuals, but for all sectors of our society. Drawing on the latest research in economics, psychology, political philosophy, and business management, Paul Roberts shows how a potent combination of rapidly advancing technologies, corrupted ideologies, and bottom-line business ethics has pushed us across a threshold to an unprecedented state: a virtual merging of the market and the self. The result is a socioeconomic system ruled by impulse, by the reflexive, id-like drive for the largest, quickest, most “efficient” reward, without regard for long-term costs to ourselves or to broader society. More than thirty years ago, Christopher Lasch hinted at this bleak world in his landmark book, *The Culture of Narcissism*. In *The Impulse*

Society, Roberts shows how that self-destructive pattern has grown so pervasive that anxiety and emptiness are becoming embedded in our national character. Yet it is in this unease that Roberts finds clear signs of change-and broad revolt as millions of Americans try step off the self-defeating treadmill of gratification and restore a sense of balance. Fresh, vital, and free of ideological, right-wing/left-wing formulations, The Impulse Society shows the way back to a world of real and lasting good.

The Oxford Handbook of Impulse Control Disorders Jon E. Grant,Marc N. Potenza,2012 Research in the area of impulse control disorders has expanded exponentially. The Oxford Handbook of Impulse Control Disorders provides researchers and clinicians with a clear understanding of the developmental, biological, and phenomenological features of a range of impulse control disorders, as well as detailed approaches to their treatment.

The Impulse Factor Nick Tasler,2008-10-07 In his work as research and development director at cutting-edge think tank TalentSmart, where he helps businesses work better and employees think smarter, Nick Tasler realized that the recent discovery by scientists of a potential-seeking gene could have a remarkable impact on how we understand decision making. Those who have this gene -- about one quarter of the population -- are endowed with impulsive tendencies that can lead to fast and decisive action or to foolish choices. The cautious majority that Tasler calls risk managers can make carefully considered decisions or become hopelessly lost in the fog of details. Now The Impulse Factor offers readers a unique online opportunity to analyze their own decision-making style and harness it to improve their everyday lives. Each book comes with access to a proprietary assessment developed specifically to evaluate impulsivity. With examples from business, psychology, and Tasler's own research at TalentSmart, the book also vividly illustrates how susceptible we are to the events around us and how our reactions often run contrary to our best interests. By combining his research with real-world examples of extreme decision making, Tasler teaches readers how to thrive when faced with difficult choices. More than just a book, The Impulse Factor provides a clear understanding of why you make the choices you do -- and the tools to make those decisions change your business and your life.

Impulse Breakdown of Liquids Vasily Y. Ushakov,V. F. Klimkin,S. M. Korobeynikov,2007-09-21 The book describes the main physical processes and phenomena in pulsed electric breakdown. The knowledge and the control of the electric breakdown of liquids is important not only for the insulation inside power systems but it is also used for the creation and information of high voltage and high current pulses. Such high-voltage micro- and nanosecond pulses find wide application in experimental physics, electro discharge technology, physics of dielectrics, radar detection and ranging, high-speed photography.
