**The Honjin Murders** Seishi Yokomizo,2020-08-04 One of Japan's greatest classic murder mysteries, introducing their best loved detective, translated into English for the first time In the winter of 1937, the village of Okamura is abuzz with excitement over the forthcoming wedding of a son of the grand Ichibanagi family. But amid the gossip over the approaching festivities, there is also a worrying rumour - it seems a sinister masked man has been asking questions around the village. Then, on the night of the wedding, the Ichibanagi household are woken by a terrible scream, followed by the sound of eerie music. Death has come to Okamura, leaving no trace but a bloody samurai sword, thrust into the pristine snow outside the house. Soon, amateur detective Kosuke Kindaichi is on the scene to investigate what will become a legendary murder case, but can this scruffy sleuth solve a seemingly impossible crime?

Death on Gokumon Island Seishi Yokomizo,2022-07-05 A fiendish, classic locked room murder mystery, from one of Japan's greatest crime writers, that's perfect for fans of Lucy Foley and Ruth Ware "An exceptional whodunit... The brilliant and intricate plot will keep readers turning the pages." --Publishers Weekly, starred review "Seishi Yokomizo took a pinch of John Dickson Carr and a dash of Agatha Christie in creating Kosuke Kindaichi, solver of impossible crimes... Kosuke's arrival [on Gokumon Island] coincides with a string of bizarre and gruesome murders. As deaths mount, the quirky, endearing detective strings together the clues to solve this fiendish puzzle." -- Sarah Weinman, New York Times Detective Kosuke Kindaichi arrives on the remote Gokumon Island bearing tragic news—his friend and fellow soldier, the son of one of the island's most important families has died, on a troop transport ship bringing him back home after the Second World War. But Kindaichi has not come merely as a messenger--with his last words, the dying man warned that his three step-sisters' lives would now be in danger. The scruffy detective is determined to get to the bottom of this mysterious prophecy, and to protect the three women if he can. As Kindaichi attempts to unravel the island's secrets, a series of gruesome murders begins. He investigates, but soon finds himself in mortal danger from both the unknown killer and the clannish locals, who resent this outsider meddling in their affairs. Loosely inspired by Agatha Christie's And Then There Were None, the sensational second outing of Japan's most famous detective is perhaps the most highly regarded of all the great Seishi Yokomizo's classic Japanese mysteries.
