*For My Legionaries* Corneliu Zelea Codreanu,1990

**For My Legionaries** Corneliu Codreanu,2015-05-08 For My Legionaries (Romanian: Pentru legionari) is an autobiographical book by Iron Guard leader Corneliu Zelea Codreanu first published in 1936. The book has been described by historian Irina Livezeanu as being to Codreanu what Mein Kampf was to Adolf Hitler. It was first published in Sibiu, as it was not allowed to pass censorship in Bucharest. The book is a first-person narrative describing Codreanu's leadership role in a series of political movements, The Guard of the National Conscience, League of National Christian Defence, the Legion of the Archangel Michael, and finally, the Iron Guard. His goal within these movements was to defend the newly established Greater Romania against a set of demonised enemies, particularly, the Soviet Union and the Jewish people. The narratives are interspersed with quotations from Romanian intellectuals, as well as clippings from contemporary newspapers. Codreanu makes clear in his book that his ideology is not compatible with the liberal democratic institutions. He loathed the elections and the parliamentary system and he considered his movement to be part of a greater family of ultra-nationalist ideologies, which included Italy's Fascism and Germany's Nazism.

Holy Legionary Youth Roland Clark,2015-06-05 Founded in 1927, Romania's Legion of the Archangel Michael was one of Europe's largest and longest-lived fascist social movements. In Holy Legionary Youth, Roland Clark draws on oral histories, memoirs, and substantial research in the archives of the Romanian secret police to provide the most comprehensive account of the Legion in English to date. Clark approaches Romanian fascism by asking what membership in the Legion meant to young Romanian men and women.

Viewing fascism from below, as a social category that had practical consequences for those who embraced it, he shows how the personal significance of fascism emerged out of Legionaries' interactions with each other, the state, other political parties, families and friends, and fascist groups abroad. Official repression, fascist spectacle, and the frequency and nature of legionary activities changed a person's everyday activities and relationships in profound ways. Clark's sweeping history traces fascist organizing in interwar Romania to nineteenth-century grassroots nationalist movements that demanded political independence from the Austro-Hungarian Empire. It also shows how closely the movement was associated with the Romanian Orthodox Church and how the uniforms, marches, and rituals were inspired by the muscular, martial aesthetic of fascism elsewhere in Europe. Although antisemitism was a key feature of official fascist ideology, state violence against Legionaries rather than the extensive fascist violence against Jews had a far greater impact on how Romanians viewed the movement and their role in it. Approaching fascism in interwar Romania as an everyday practice, *Holy Legionary Youth* offers a new perspective on European fascism, highlighting how ordinary people performed fascism by working together to promote a unique and totalizing social identity.

**The Iron Palace** Morgan Howell, 2010-12-28 *BLOOD WILL TELL* Seventeen years have passed since Yim, an ex-slave blessed by the benevolent goddess Karm, sacrificed her body—and perhaps her very soul—to Lord Bahl, avatar of the evil Devourer. In that selfless act, Yim stripped Lord Bahl of his power but became pregnant with his son. Now that son, Froan, is a young man. And though Yim has raised him in the remote Grey Fens and kept him ignorant of his past, the taint of the Devourer is in his blood. Even now an eldritch call goes out—and the slumbering shadow stirs in Froan's blood, calling to him in a voice that cannot be denied. Armed with a dark magic he barely understands, Froan sets out to claim his destiny. When Yim seeks to stop him, her sole hope is that Honus—the love she abandoned—will take up the sword again for Karm's sake and hers. Only then can she hope to face the impregnable bastion of unspeakable evil: the Iron Palace.
