Why I Stand Jonathan Isaac, 2022-05-17 Facing public criticism, peer hostility, and widespread disapproval, would you compromise your principles to blend in with the crowd, or would you stand for what you believe? On July 31, 2020, the Orlando Magic starting forward Jonathan Isaac was the lone NBA player not to kneel for the national anthem amid a league-wide demonstration in support of Black Lives Matter. Standing alone, knowing the scrutiny to come, Jonathan had a peace he at one time never could have imagined possible. In *Why I Stand*, Jonathan shares the journey of how—through a series of divine connections and a willingness to follow Christ—his fear and insecurity-driven life was transformed into one of confidence and purpose. From his childhood in the Bronx to his high school years in Florida, from rail-skinny freshman at FSU to top draft pick in the NBA, Jonathan uses his life story to illuminate the freedom and peace found in the love of Jesus Christ. More than the story of an NBA player's transformation from man on the court to man of God, *Why I Stand* is a testament to His love, power, and grace that extends to us all. This book is a discovery that no matter your level of confidence today, God's strength will develop in your weakness. That courage is found in trusting that God is greater than your fears. As Jonathan takes you through the experiences that drove his decisions, he offers insight and inspiration to help you to grow to a point where standing alone is better than not standing at all.

Sons of Isaac Roberta Kells Dorr, 2014-04-15 A story so timeless, it could have been taken from today's headlines. This grand account of love, greed, jealousy, hope, manipulation, and faith is pulled from the pages of biblical history—yet this is fresh, new, and never before published. *The Sons of Isaac* is the capstone work of a master of biblical fiction, Roberta Kells Dorr. When God tells Rebekah that she will bear Isaac twin sons and the older will serve the younger, Isaac is skeptical. But that revelation will forever mark the lives of his family. The sweeping landscape of this saga ends much as it began and will influence the generations to come.

Power in Modernity Isaac Ariail Reed, 2020-03-25 In *Power in Modernity*, Isaac Ariail Reed proposes a bold new theory of power that describes overlapping networks of delegation and domination. Chains of power and their representation, linking together groups and individuals across time and space, create a vast network of intersecting alliances, subordinations, redistributions, and violent exclusions. Reed traces the common action of “sending someone else to do something for you” as it expands outward into the hierarchies that control territories, persons, artifacts, minds, and money. He mobilizes this theory to investigate the onset of modernity in the Atlantic world, with a focus on rebellion, revolution, and state formation in colonial North America, the early American Republic, the English Civil War, and French Revolution. Modernity, Reed argues, dismantled the “King's Two Bodies”—the monarch's physical body and his ethereal, sacred second body that encompassed the body politic—as a schema of representation for forging power relations. Reed's account then offers a new understanding of the democratic possibilities and violent exclusions forged in the name of “the people,” as revolutionaries sought new ways to secure delegation, build hierarchy, and attack alterity. Reconsidering the role of myth in modern politics, Reed proposes to see the creative destruction and eternal recurrence of the King's Two Bodies as constitutive of the modern attitude, and thus as a new starting point for critical theory. Modernity poses in a new way an eternal human question: what does it mean to be the author of one's own actions?

Isaac Taylor J Gray, 2021-08-09 Adult only. Explicit and descriptive scenes of BDSM, medical fetish and play and M/m sex. It's a story about love in a world that is about pain. Isaac is a slave. He's been a slave since the day he turned eighteen. He likes it, he's good at it, gets off on it and is good at serving people. A client visit to the 'Doctor' changes everything and he finds himself having to prove his worth as a slave all over again... until he finds himself right back where it all started.

Isaac, God'S Final Mercy Wyatt Allen,2017-12-20 The Bible warns us of things to come and things that are even happening now. There will be wars and rumors of wars, earthquakes, storms, violence, bigotry, famine, and more horrors. Because God loves us, he will show mercy upon those who have goodness, love, and understanding in their hearts. But what about in a world without God? Isaac, Gods Final Mercy is a story of Gods mercy just after the rapture, when suddenly in a flash of light all true believers are taken to safety. But in this time, the world is consumed by all the remaining evil, and the Antichrist takes his reign over the earth. God sends a powerful supreme being, Isaac, back to the world during these last days, and his task is to find those who were left behind and see if they are worthy of Gods love and mercy and to destroy those who are not. Throughout the Bible and even since the beginning of time, God has always shown his mercy upon the world. Without God there would be no love or understanding, and the world would be filled with hatred, murder, mayhem, and suffering. This is not unlike our world today, but we can be hopeful because we know God is here for us, and in his mercy he will show us the way to eternity.

Why Abraham Killed Isaac Tzemah Yoreh,2013-06-14 Like beautifully layered rock formations lining the walls of a desert canyon, so is the Biblical text. Story is piled upon story until the foundations are invisible. Those foundations tell a different story—one that only a trained geologist can tease from the rock, one that only a Biblical philologist, trained in the dissection of literature, can find in the text. In this early version of the Abraham story Abraham the patriarch gave his wife, Sarah, to a local monarch who may have impregnated her with Isaac. The purity of the Israelite bloodline is not in doubt, however, since Abraham killed Isaac to atone for his sins before Isaac had a chance to procreate. In this and many other respects, this early version of Abraham story is very different from what those familiar with the canonical text may recall. Why Abraham Killed Isaac traces the development of this uniquely divergent account and its slow development into the canonical text we have today.

I.M. Isaac Mizrahi,2019-02-26 “Honest, insightful, and thoroughly entertaining...Mizrahi comes off in writing just like his onscreen persona: warm, witty, humble—and ready to dish.” —Booklist, starred review Isaac Mizrahi is sui generis: designer, cabaret performer, talk-show host, a TV celebrity. Yet ever since he shot to fame in the late 1980s, the private Isaac Mizrahi has remained under wraps. Until now. In I.M., Isaac Mizrahi offers a poignant, candid, and touching look back on his life so far. Growing up gay in a sheltered Syrian Jewish Orthodox family, Isaac had unique talents that ultimately drew him into fashion and later into celebrity circles that read like a who’s who of the twentieth and twenty-first centuries: Richard Avedon, Audrey Hepburn, Anna Wintour, Mikhail Baryshnikov, Meryl

Streep, and Oprah Winfrey, to name only a few. In his elegant memoir, Isaac delves into his lifelong battles with weight, insomnia, and depression. He tells what it was like to be an out gay man in a homophobic age and to witness the ravaging effects of the AIDS epidemic. Brimming with intimate details and inimitable wit, Isaac's narrative reveals not just the glamour of his years, but the grit beneath the glitz. Rich with memorable stories from in and out of the spotlight, I.M. illuminates deep emotional truths.

By Faith Isaac Elsa Henderson,2013-11-01 The Bible's great Faith Hall of Fame in Hebrews chapter 11 honours Abel, Enoch, Noah, and Abraham as outstanding examples of faith and identifies the acts that qualified them for this prestigious list. Then we read, "By faith Isaac blessed Jacob and Esau in regard to their future" (Hebrews 11:20). Merely speaking a blessing? How does this act rate alongside Noah's building the ark or Abraham's leaving his country? "And thereby," believes Henderson, "hangs a tale." The first half of the book, *By Faith Isaac*, explores Abraham's faith journey and listens in to conversations between Abraham and Isaac as Abraham carefully passes on the faith lessons he has learned. When Abraham faces his greatest faith test, the sacrifice of his son, Isaac embarks on his own faith journey. After marrying Rebekah, Isaac has to learn a new lesson of faith—one which his forefathers had not had to deal with. Whether you love the Old Testament or struggle to read it, *By Faith Isaac* educates as it entertains, and at times borders on being devotional.
