*Woman Evolve* Sarah Jakes Roberts,2021-04-06 A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In *Woman Evolve*, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of

her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in *Woman Evolve*, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

*Jake the Snake* Tori Velle, 2009-11 *Jake the Snake* is a sweet story about the relationship between humans and animals. One rainy afternoon, Jake helped three children out of a sticky situation. At first, the children feared Jake because of the way he looked. Jake did not mean to frighten them and just wanted to play in the game. It was not until the children needed Jake's help

that they felt bad for the way they treated him. Jake gladly rescued the children and asked for nothing in return. It was then that the children realized that judging others by the way they look hurts everyone. The next day, they made Jake a gift to say thank you and that they were sorry. From then on, the children and Jake played together having learned valuable lessons about friendship, feelings, and fun!

The Holy Trinity Decryption Jacob Roberts, 2021-04-21 What if a document existed confirming Sir Francis Bacon wrote the works attributed to Shakespeare? What if that same document included the name of the secret son of Queen Elizabeth I? What if it also included information leading to an answer about the mysteries surrounding Oak Island, Nova Scotia? What if this document also included the secret of Sir Francis Bacon's true parents, and the names of some of his aliases? And what if these messages had been hidden in plain sight for 400 years? As amazing as it sounds, the plaque adorning Shakespeare's Funerary Monument in Holy Trinity Church in Stratford-upon-Avon is that document. In a narrative that sounds like one of the National Treasure movies, follow the clues to where they lead as they are uncovered by author, Jacob Roberts. He lays bare the methods used by Sir Francis Bacon to create an intricate cipher system, and the methods the author used to decrypt the messages. See how he followed the clues within the messages themselves, and how these clues led to a famous map containing its own secrets, including directions leading to that mysterious island in the North Atlantic, Oak Island, Nova Scotia. See the keys of the Fra. Rosi Crosse laid bare, as well as two submissions of the author's theories submitted to the Brotherhood of the Dig, the team of searchers on Oak Island.
