James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James Acaster, 2017-08-24

****THE SUNDAY TIMES BESTSELLER**** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER, MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.

Perfect Sound Whatever James Acaster, 2019-08-22 ***The Sunday Times Bestseller*** The brand new memoir from James Acaster: cult comedian, bestselling author of Classic Scrapes, undercover cop, receiver of cabbages. PERFECT SOUND WHATEVER is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017

James Acaster wakes up heartbroken and alone in New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the year' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons' character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

James Acaster's Guide to Quitting Social Media James Acaster, 2022-08-18 THE SUNDAY TIMES
BESTSELLER This is a self-help book like no other. Because you are not helping yourself, James Acaster is helping you. In 2019, James quit all forms of social media - covering his phone in tar and driving it to a lock-up in Rhyl, before setting up home in a castle he'd built himself called Castle Anti-Net. But when the withdrawal symptoms hit him, he realised in order to stay clean he'd have to replace everything social media gave him with three-dimensional, real-life activities. Employing the help of a mysterious, wealthy benefactor named Clancy Dellahue, and an ever-growing gang of misfits (aka the Tangfastic Crew), James

found ways to replace his online friends (he joined the scouts) and spy on his exes (climbing ropes, zip lines, fake moustache) as well as anonymously bullying strangers, seeing photos of everyone's dogs, getting public figures fired, arguing with everybody about everything, and so much more. His life is amazing and yours could be too if you buy JAMES ACASTER'S GUIDE TO QUITTING SOCIAL MEDIA, BEING THE BEST YOU YOU CAN BE AND SAVING YOURSELF FROM LONELINESS VOL. 1.

Watching Neighbours Twice a Day... Josh Widdicombe, 2021-09-16 'A wonderful blend of nostalgia, hilarity and personal anecdotes that only Josh Widdicombe could deliver' James Acaster 'If you read only one book by Josh Widdicombe this year, make it this one' Jack Dee 'Beautifully written, cleverly crafted and charmingly funny' Adam Hills 'This is a book about growing up in the '90s told through the thing that mattered most to me, the television programmes I watched. For my generation television was the one thing that united everyone. There were kids at my school who liked bands, kids who liked football and one weird kid who liked the French sport of petanque, however, we all loved Gladiators, Neighbours and Pebble Mill with Alan Titchmarsh (possibly not the third of these).' In his first memoir, Josh Widdicombe tells the story of a strange rural childhood, the kind of childhood he only realised was weird when he left home and started telling people about it. From only having four people in his year at school, to living in a family home where they didn't just not bother to lock the front door, they didn't even have a key. Using a different television show of the time as its starting point for each chapter *Watching Neighbours Twice a*

Day... is part-childhood memoir, part-comic history of '90s television and culture. It will discuss everything from the BBC convincing him that Michael Parkinson had been possessed by a ghost, to Josh's belief that Mr Blobby is one of the great comic characters, to what it's like being the only vegetarian child west of Bristol. It tells the story of the end of an era, the last time when watching television was a shared experience for the family and the nation, before the internet meant everyone watched different things at different times on different devices, headphones on to make absolutely sure no one else could watch it with them.

The Champ & The Chump James McNicholas, 2021-08-05 **WINNER OF BEST SPORTS ENTERTAINMENT BOOK AT THE BRITISH SPORTS BOOK AWARDS 2022** 'Hard-hitting and hilarious' - James Acaster 'Funny, moving and compelling' - Mike Costello A heart-warming, hilarious true story about fighting and family, based on the acclaimed stage show. For fans of books by Dave Gorman, James Acaster and Danny Wallace, along with boxing tales from the likes of Tyson Fury and Ricky Hatton. THE CHAMP Terry Downes - the charismatic cockney known as 'The Paddington Express' - was a world champion boxer, US Marine, gangsters' favourite and later a film star and businessman. THE CHUMP James McNicholas' PE teacher once told him he was so unfit he'd be dead by the time he was 23. James has spent his life pursuing a career in acting and comedy. In reality, that has meant stints as a car park caretaker and river cruise salesperson. After Terry's death, James finds himself in reflective mood, comparing his story of underachievement against that of his world champ grandad. What follows is an increasingly colourful journey through post-war Paddington to the blood-soaked canvases of Baltimore and Shoreditch, via Mayfair parties with the Krays. Along the way, James begins to dig into his own story, confronting the dysfunctional elements of his childhood, describing his often hilarious efforts to make it in the world of showbiz, and attempting to recreate Terry's trials by enlisting in a brutal military boot camp and boxing gym. When James is diagnosed with a frightening and mysterious neurological condition, the two tales of the fighter and the writer suddenly collide, and what began as a nostalgic journey takes on a far more important significance altogether. 'A wonderfully funny and heartfelt story of what family and

lineage means. Even made me like boxing' - Josh Widdicombe 'An extraordinary family history, told with warmth and wit. Two remarkable underdog stories - come for the cockney scrapper who conquered the world, stay for the grandson and the fight of his life' - Greg Jenner 'If you like comedy and boxing this is the perfect book. James McNicholas is a very funny man and a brilliant writer' - Rob Beckett

James Acaster & James Corden Natasha Tristan, James Acaster and James Corden, similar in name and have the same occupation, work in the same century from two corners of the same field, are said to have come together as footmen in Cinderella's adaptation with their excellence in British comedy representation. Although they have many similarities between them, reading this book will help you to understand how your favorite comic actors spent their life. James Acaster, a foodie and musician, has established himself a career in comedy. He was a man who got into a few problems in the games of life and then after a long time turned away from comedy and relied on music again. James Corden is a comedian and host who has taken his surroundings into the world of entertainment with various humorous actions since he was a kid. But he built a career as a comedian only in his 17 or 18. While fixing every brick of comedy in it, he became the prey of some criticism for the idea of his presentation. They are trying to remove their past from the audience again and again with their better performances to survive different situations and stay firm in their field. Go through this book about the life journeys of those two comedians walking towards such endeavors.

Straight Outta Crawley Romesh Ranganathan, 2018-10-04 THE SUNDAY TIMES BESTSELLER
Straight Outta Crawley is the hilarious and irreverent autobiography from comedian Romesh Ranganathan.

'Very, very funny. I can't recommend it highly enough.' Jonathan Ross

At the age of 9, Romesh Ranganathan delivered his first ever stand-up set at a Pontin's holiday camp talent competition, smashing the other competitor, a young girl playing the kazoo. The gig went so well that Romesh retired his comic genius for twenty-two years, hiding behind the guise of a maths teacher, before finally revealing himself again (no, not like that) at the tender age of 31. In 2010, Ranganathan staged his epic comeback gig to an almost silent room, and has since gone on to earn his place as the most in-demand overweight vegan Sri Lankan comedian in Britain. Now, for the first time, he tells the full story of how he got here. From the delights of Sri Lankan hospitality to his struggles as a child, teacher and now parent, to his adolescent flirtation with a rap career and his attempts to make it in comedy, *Straight Outta Crawley* is Ranganathan's hilarious and irreverent autobiography. Have you read Romesh's latest book? *As Good As It Gets: Life Lessons from a Reluctant Adult* is Romesh Ranganathan's hilarious and painfully accurate dissection of what it really means to grow up.

Travesty Liam Williams,2016 Debut play from the double Edinburgh Comedy Award nominee.

Leading Men Christopher Castellani,2020-05-26 An expansive yet intimate story of desire, artistic ambition, and fidelity, set in the glamorous literary and film circles of 1950s Italy In July of 1953, at a

glittering party thrown by Truman Capote in Portofino, Italy, Tennessee Williams and his longtime lover Frank Merlo meet Anja Blomgren, a mysterious young Swedish beauty and aspiring actress. Their encounter will go on to alter all of their lives. Ten years later, Frank revisits the tempestuous events of that fateful summer from his deathbed in Manhattan, where he waits anxiously for Tennessee to visit him one final time. Anja, now legendary film icon Anja Bloom, lives as a recluse in present-day America, until a young man connected to the events of 1953 lures her reluctantly back into the spotlight after he discovers she possesses the only copy of an unknown play--Tennessee's last. What keeps two people together and what breaks them apart? Can we save someone else if we can't save ourselves? With emotional clarity and grace, *Leading Men* seamlessly weaves fact and fiction to navigate the tensions between public figures and their private lives. In an ultimately heartbreaking story about the burdens of fame and the complex negotiations of life in the shadows of greatness, Castellani creates an unforgettable leading lady in Anja Bloom and reveals the hidden machinery of one of the great literary love stories of the twentieth-century.

Everyone You Hate Is Going to Die Daniel Sloss, 2021-10-12 One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter—all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage—and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000

breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship—with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unfailingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful—but also valuable and meaningful and important.

How to Fail: Everything I've Ever Learned from Things Going Wrong Elizabeth Day, 2020-07-17
Inspired by her hugely popular podcast, *How To Fail* is Elizabeth Day's brilliantly funny, painfully honest and insightful celebration of things going wrong. This is a book for anyone who has ever failed. Which means it's a book for everyone. If I have learned one thing from this shockingly beautiful venture called life, it is this: failure has taught me lessons I would never otherwise have understood. I have evolved more as a result of things going wrong than when everything seemed to be going right. Out of crisis has come clarity, and sometimes even catharsis. Part memoir, part manifesto, and including chapters on dating, work, sport, babies, families, anger and friendship, it is based on the simple premise that understanding why we fail ultimately makes us stronger. It's a book about learning from our mistakes and about not being afraid. Uplifting, inspiring and rich in stories from Elizabeth's own life, *How to Fail* reveals that failure is not what defines us; rather it is how we respond to it that shapes us as individuals. Because learning how to fail is actually learning how to succeed better. And everyone needs a bit of that.
