

James Adomian

Mandee Johnson

Super Serious Mande Johnson,2020-08-18 An oral history of Los Angeles independent stand-up comedy with a collection of comedian portraits from a decade of the beloved independent comedy show, The Super Serious Show. With a foreword by Demetri Martin, afterword by Reggie Watts, and featuring big-name stars and up-and-coming indie comics alike, Super Serious gives a behind-the-scenes glimpse into the world of Los Angeles independent comedy, as told by the performers, directors, and producers who've helped shape it. Including over 60 intimate interviews and 350 photographs, Super Serious is a irreverent, loving portrait of a vibrant—and very funny—community.

The Year in Television, 2009 Vincent Terrace,2014-01-10 This reference work is a chronicle of all the first run entertainment programs broadcast from January 1 to December 31, 2009. Included are series, TV movies, aired pilots, specials, miniseries and Internet series. Alphabetically arranged entries provide casts, storylines, production credits, networks, broadcast dates, and excerpts from newspaper reviews. New to this volume is a listing of the highlights of the year and coverage of all the unaired pilots produced for the 2008–2009 season.

The Encyclopedia of American Animated Television Shows David Perlmutter,2018-05-04 This volume highlights North American animated television series broadcast between 1948 and 2016, providing credits for their original broadcast period and significant members of the cast and crew, as well as short descriptive and critical analyses.

Go Team Venture!: The Art and Making of the Venture Bros Cartoon Network,Jackson Publick,Doc Hammer,Ken Plume,2018-07-31 This oversized book is the comprehensive companion to the art and making of the The Venture Bros. and includes a foreword by Patton Oswalt! Ken Plume sits down with series creators Jackson Publick and Doc Hammer to have a conversation about the creation of every single episode through season six and much more. From the earliest sketches of Hank and Dean scribbled in a notebook, pitching the series to Cartoon Network's Adult Swim, learning the ins and outs of animation, character designs for each season, storyboards, painted backgrounds, behind-the-scenes recollections of how the show came together, it's all here. Features behind-the-scenes info and art covering every episode of all six seasons. Written by Venture Bros. creators Jackson Publik and Doc Hammer, with an introduction by Patton Oswalt. An all-encompassing look at the characters, art, history and influences of the beloved series. Never before seen Venture Bros. artwork!

Encyclopedia of Unaired Television Pilots, 1945-2018 Vincent Terrace,2018-10-12 Covering the years 1945-2018, this alphabetical listing provides details about 2,923 unaired television series pilots, including those that never went into production, and those that became series but with a different cast, such as The Green Hornet, The Middle and Superman. Rarities include proposed shows starring Bela Lugosi, Doris Day, Humphrey Bogart, Barbara Stanwyck, Orson Welles, Claudette Colbert and Mae West, along with such casting curiosities as Mona Freeman, not Gale Storm, as Margie in My Little Margie, and John Larkin as Perry Mason long before Raymond Burr played the role.

Insane Clown President Matt Taibbi,2017 In twenty-five pieces from Rolling Stoneplus two original essaysMatt Taibbi tells the story of Western civilizations very own train wreck, from its tragicomic beginnings to its apocalyptic conclusion.--Amazon.com.

The Chapo Guide to Revolution Chapo Trap House,Felix Biederman,Matt Christman,Brendan James,Will Menaker,Virgil Texas,2019-10-15 Instant New York Times bestseller “Howard Zinn on acid or some bullsh*t like that.” —Tim Heidecker The creators of the cult-hit podcast Chapo Trap House deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the Chapo Way. In a guide that reads like “a weirder, smarter, and deliciously meaner version of The Daily Show’s 2004 America (The Book)” (Paste), Chapo Trap House shows you that you don’t have to side with either sinking ships. These self-described “assholes from the internet” offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate. Learn the “secret” history of the world, politics, media, and everything in-between that THEY don’t want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that’s “as intellectually serious and analytically original as it is irreverent and funny” (Glenn Greenwald, New York Times bestselling author of No Place to Hide) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, “never before seen” drafts of Aaron Sorkin’s Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you’re a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we’re in, then Chapo, let’s go...

The Political Portrait Luciano Cheles,Alessandro Giacone,2020-06-10 The leader's portrait, produced in a variety of media (statues, coins, billboards, posters, stamps), is a key instrument of propaganda in totalitarian regimes, but increasingly also dominates political communication in democratic countries as a result of the personalization and spectacularization of campaigning. Written by an international group of contributors, this volume focuses on the last one hundred years, covering a wide range of countries around the globe, and dealing with dictatorial regimes and democratic systems alike.

As well as discussing the effigies that are produced by the powers that be for propaganda purposes, it looks at the uses of portraiture by antagonistic groups or movements as forms of resistance, derision, denunciation and demonization. This volume will be of interest to researchers in visual studies, art history, media studies, cultural studies, politics and contemporary history.

Goliath Matt Stoller, 2019-10-15 “Every thinking American must read” (The Washington Book Review) this startling and “insightful” (The New York Times) look at how concentrated financial power and consumerism has transformed American politics, and business. Going back to our country’s founding, Americans once had a coherent and clear understanding of political tyranny, one crafted by Thomas Jefferson and updated for the industrial age by Louis Brandeis. A concentration of power—whether by government or banks—was understood as autocratic and dangerous to individual liberty and democracy. In the 1930s, people observed that the Great Depression was caused by financial concentration in the hands of a few whose misuse of their power induced a financial collapse. They drew on this tradition to craft the New Deal. In *Goliath*, Matt Stoller explains how authoritarianism and populism have returned to American politics for the first time in eighty years, as the outcome of the 2016 election shook our faith in democratic institutions. It has brought to the fore dangerous forces that many modern Americans never even knew existed. Today’s bitter recriminations and panic represent more than just fear of the future, they reflect a basic confusion about what is happening and the historical backstory that brought us to this moment. The true effects of populism, a shrinking middle class, and concentrated financial wealth are only just beginning to manifest themselves under the current administrations. The lessons of Stoller’s study will only grow more relevant as time passes. “An engaging call to arms,” (Kirkus Reviews) Stoller illustrates here in rich detail how we arrived at this tenuous moment, and the steps we must take to create a new democracy.

Encyclopedia of Television Shows Vincent Terrace, 2024-02-23 There were, between January 1, 2017, and December 31, 2022, 1,559 television series broadcast on three platforms: broadcast TV, cable TV, and streaming services. This book, the second supplement to the original *Encyclopedia of Television Shows, 1925-2010*, presents detailed information on each program, including storylines, casts (character and performer), years of broadcast, trivia facts, and network, cable or streaming information. Along with the traditional network channels and cable services, the newest streaming services like Amazon Prime Video and Disney Plus and pioneering streaming services like Netflix and Hulu are covered. The book includes a section devoted to reality series and foreign series broadcast in the U.S. for the first time from 2017 to 2022, a listing of the series broadcast from 2011 through 2016 (which are contained in the prior supplement), and an index of performers.

A Very Punchable Face Colin Jost, 2021-07-13 NEW YORK TIMES BESTSELLER • In these hilarious essays, the Saturday Night Live head writer and Weekend Update co-anchor learns how to take a beating. “I always wanted to punch his face before I read this book. Now I just want to kick him in the balls.”—Larry David NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *Cosmopolitan* • *Vulture* • *Parade* If there’s one trait that makes someone well suited to comedy, it’s being able to take a punch—metaphorically and, occasionally, physically. From growing up in a family of firefighters on Staten Island to commuting three hours a day to high school and “seeing the sights” (like watching a Russian woman throw a stroller off the back of a ferry), to attending Harvard while Facebook was created, Jost shares how he has navigated the world like a slightly smarter Forrest Gump. You’ll also discover things about Jost that will surprise and confuse you, like how Jimmy Buffett saved his life, how Czech teenagers attacked him with potato salad, how an insect laid eggs inside his legs, and how he competed in a twenty-five-man match at WrestleMania (and almost won). You’ll go behind the scenes at SNL and Weekend Update (where he’s written some of the most memorable sketches and jokes of the past fifteen years). And you’ll experience the life of a touring stand-up comedian—from performing in rural college cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother’s experience on the scene of the Twin Towers’ collapse on 9/11). Told with a healthy dose of self-deprecation, *A Very Punchable Face* reveals the brilliant mind behind some of the dumbest sketches on television, and lays bare the heart and humor of a hardworking guy—with a face you can’t help but want to punch.

Waiting for the Punch Marc Maron, Brendan McDonald, 2017-10-10 Public figures as you rarely if ever hear them: strikingly personal, surprisingly open, and profoundly emotional. — *Entertainment Weekly* I’m British, so I’m medically dead inside, but even I can’t help but open up whenever I talk to Marc. He uses his honesty like a scalpel, cutting himself open in front of anyone he’s talking to, and in doing so, invites you to do the same. —John Oliver From the beloved and wildly popular podcast WTF with Marc Maron comes a book of intimate, hilarious and life changing conversations with some of the funniest, and most important people in the world like you’ve never heard them before. *Waiting for the Punch* features the stories and thoughts of such luminaries as Amy Schumer, Mel Brooks, Will Ferrell, Amy Poehler, Sir Ian McKellen, Lorne Michaels, Judd Apatow, Lena Dunham, Jimmy Fallon, RuPaul, Louis CK, David Sedaris, Bruce Springsteen, and President Obama. This book is not simply a collection of these interviews, but instead something more wondrous: a running narrative of the world’s most recognizable names working through the problems, doubts, joys, triumphs, and failures we all experience. With each chapter covering a different topic: parenting, childhood, relationships, sexuality, success, failures and others, *Punch* becomes a sort of everyman’s guide to life. Barack Obama candidly discusses the challenges of the presidency, and the bittersweet moments of

seeing your children grow up. Amy Schumer recounts the pain of her parents' divorce. Molly Shannon uproariously remembers the time she and her best friend hopped a plane from Ohio to New York City when they were twelve on a dare. Amy Poehler dishes on why just because you become a parent doesn't mean you have to like anybody else's kids but your own. Bruce Springsteen expounds on the dual nature of desperation to both motivate and devastate. Full of stories that are at once laugh-out loud funny, heartbreakingly honest, joyous, tragic and powerful, *Waiting for the Punch* is a book to be read from cover to cover, but it is also one to return to again and again.

Global Corpse Politics Jessica Auchter, 2021-10-07 What makes a photograph of a dead body obscene? Auchter's genealogy of obscenity argues that this process is highly political.

Experimental IR Meets Multilinguality, Multimodality, and Interaction Alberto Barrón-Cedeño, Giovanni Da San Martino, Mirko Degli Esposti, Fabrizio Sebastiani, Craig Macdonald, Gabriella Pasi, Allan Hanbury, Martin Potthast, Guglielmo Faggioli, Nicola Ferro, 2022-08-24 This book constitutes the refereed proceedings of the 13th International Conference of the CLEF Association, CLEF 2022, held in Bologna, Italy in September 2022. The conference has a clear focus on experimental information retrieval with special attention to the challenges of multimodality, multilinguality, and interactive search ranging from unstructured to semi structures and structured data. The 7 full papers presented together with 3 short papers in this volume were carefully reviewed and selected from 14 submissions. This year, the contributions addressed the following challenges: authorship attribution, fake news detection and news tracking, noise-detection in automatically transferred relevance judgments, impact of online education on children's conversational search behavior, analysis of multi-modal social media content, knowledge graphs for sensitivity identification, a fusion of deep learning and logic rules for sentiment analysis, medical concept normalization and domain-specific information extraction. In addition to this, the volume presents 7 "best of the labs" papers which were reviewed as full paper submissions with the same review criteria. 14 lab overview papers were accepted and represent scientific challenges based on new datasets and real world problems in multimodal and multilingual information access.

Comedy Book Jesse David Fox, 2023-11-07 Named a Most Anticipated Book by *Vulture*, *Elle*, *Chicago Tribune*, *The Millions*, and *Lit Hub* *Comedy Book* changes the way we talk about an art form that is more diverse and exciting than ever before." —Seth Meyers A sharp, loving, well written exploration and analysis of the art form that makes us smile, helps us relate, and is perpetually mysterious. —Jenny Slate From a beloved comedy critic, a wisecracking, heartfelt, and overdue chronicle of comedy's boom—and its magic. Comedy is king. From multimillion-dollar TV specials to sold-out stand-up shows and TikTok stardom, comedy has never been more popular, democratized, or influential. Comedians have become organizing forces across culture—as trusted as politicians and as fawned-over as celebrities—yet comedy as an art form has gone under-considered throughout its history, even as it has ascended as a cultural force. In *Comedy Book*, Jesse David Fox—the country's most definitive voice in comedy criticism and someone who, in his own words, "enjoys comedy maybe more than anyone on this planet—tackles everything you need to know about comedy. Weaving together history and analysis, Fox unravels the genre's political legacy through an ode to Jon Stewart, interrogates the divide between highbrow and lowbrow via Adam Sandler, and unpacks how marginalized comics create spaces for their communities. Along the way, Fox covers everything from comedy in the age of political correctness and Will Smith's slap to the right wing's relationship with comedy and, for Fox, comedy's ability to heal personal tragedy. With memorable cameos from Jerry Seinfeld, Dave Chappelle, John Mulaney, Ali Wong, Kate Berlant, and countless others, *Comedy Book* is an eye-opening education in how to engage with our most omnipresent art form, a riotous history of American pop culture, and a love letter to laughter.

An Ethical Compass, 2010-11-09 Offers essays on Bosnia, the genocide in Rwanda, sweatshops and globalization, and the political obligations of the mothers of Argentina's Disappeared. In this book, readers may be fascinated by the ways in which essays on conflict, conscience, memory, illness (essay on AIDS), and God overlap and resonate with one another.

BoJack Horseman: The Art Before the Horse Chris McDonnell, 2018-09-04 Netflix's *BoJack Horseman* has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. *BoJack Horseman: The Art Before the Horse* is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/ showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, *The Art Before the Horse* goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: *BoJack Horseman 2019 Wall Calendar* (ISBN: 978-1-4197-3177-8)

Performance, Politics, and the War on Terror Sara Brady, 2012-01-17 Using a performance studies lens, this book is a study of performance in the post-9/11 context of the so-called war on terror. It analyzes conventional theatre, political protest, performance art and other sites of performance to unpack the ways in which meaning has been made in the contemporary global sociopolitical environment.

Grover Cleveland's Rubber Jaw and Other Unusual, Unexpected, Unbelievable but All-True Facts About America's Presidents Stephen

Spignesi,2012-05-01 From George Washington to Barack Obama, this collection of weird and wild—but true!—facts will show you a whole other side of our nation’s leaders: • Andrew Jackson was married to a bigamist. • Martin Van Buren wore pistols in the Senate chamber in case things got too rowdy. • Franklin Pierce ran over a woman with his horse while in office and was arrested, but was released when the police realized he was the president. • James Garfield could simultaneously write Greek with one hand and Latin with the other. • Dwight D. Eisenhower’s nickname for his staff driver was “Private Parts.” • Barack Obama can bench press 200 pounds.

You Can't Be Serious Kal Penn,2022-08-09 Kal Penn's unlikely career arc has taken him from nerdy American kid from an immigrant family in the New York suburb of Montclair, New Jersey, to world-famous actor, to White House staffer under President Obama, and back to actor again. Now, in *You Can't Be Serious*, he reflects on the most ridiculous, offensive, and rewarding moments that have stood out during his journey. With intelligence, humor, and charm on every page, Penn explores what it means to be the embodiment of the American Dream, as the child of immigrant parents who came to this country with very little, and who never expected to see their son get his big break by sliding off an oiled-up naked woman in a raunchy Ryan Reynolds movie. He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in. And of course, he reveals how, after twenty-five years fighting for success in Hollywood, he made the terrifying but rewarding decision to walk away from it all for a career in politics. Above all, *You Can't Be Serious* shows that everyone can have more than one life story. Penn bravely demonstrates by example that no matter who you are and where you come from, you have many more choices than those presented to you. It's a story about struggle, triumph, and learning how to keep your head up. And okay, yes, it's also about whether Kal really smoked weed in the White House with the former First Lady--because let's be honest, that's what you really want to know--

James Adomian Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free James Adomian PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and

carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free James Adomian PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of James Adomian free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world

of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About James Adomian Books

What is a James Adomian PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. How do I create a James Adomian PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. How do I edit a James Adomian PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. How do I convert a James Adomian PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. How do I password-protect a James Adomian PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF

viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
