Jane Field Mary Eleanor Wilkins Freeman,2016-07-06 Amanda Pratt's cottage-house was raised upon two banks above the road-level. Here and there the banks showed irregular patches of yellow-green, where a little milky-stemmed plant grew. It had come up every spring since Amanda could remember. There was a great pink-lined shell on each side of the front door-step, and the path down

over the banks to the road was bordered with smaller shells. The house was white, and the front door was dark green, with an old-fashioned knocker in the centre.

The Outer Planets Mary-Jane Wilkins, 2018-03-08 Describes the characteristics of the planets farthest away from the Sun (Jupiter, Saturn, Uranus, and Neptune) and their place in the solar system.

Jane Field Mary E. Wilkins Freeman, 2014-12-06 THE motive of Miss Wilkins' novel is striking and simple. Jane Field, a widow with one daughter, living in a New England village, becomes anxious on account of the ill health of her Lois. If the girl could rest from her work as schoolmistress, and be spared the long walk under the heat of the sun, she might escape from the decline that threatened her. Of course the neighbors all warn and commiserate the mother after the maddening fashion of the tactless everywhere. Then arrives a letter addressed to Esther Maxwell - a deceased sister of Mrs. Field - informing her that Thomas Maxwell, her father-in-law, had died, leaving to his son's widow his whole property. There had been a grievance on account of money, which had separated the elder Maxwell from his son's widow and her sister, so that he had not known of the death of Esther. Jane Field, out of her poverty, had lent fifteen hundred dollars to the younger Maxwell, her brother-in-law. It was lost, and she had applied to the father to pay his son's debt. In a strange exaltation of the sense of justice, sharpened by fear for the life of her child and mixed with the wild resolution which appears in some way to belong to the law-abiding sobriety of the New Englander, Jane Field suddenly resolved to impersonate the sister whom she closely resembled; go to the town, five hours distant by rail, where the Maxwell homestead was, and there repossess herself of the money which was due her. Here surely is a fine subject for a study of character; and Miss Wilkins has known how to avail herself of its possibilities. The commonplace incidents jarr upon Jane Field's tragic tension of mind; the homely women who comment and warn and deliver words more significant than they know, are impressive but impotent to help, like a Greek chorus. Lois follows her mother; and when she learns the deceit shows all the crude intolerance of youth for the wrongdoing, the stress of which she cannot comprehend. Jane Field continues to live with her daughter- whom she calls her niece - in the Maxwell house. The income of the property is duly passed over to her; but she will not spend a penny of that which she has denied her own identity in order to gain. The two women are half starved on the pittance which they can earn, and are called mean by the chorus of neighbors. Finally, like three Eumenides descending on the guilty, arrive three good women from the village where Jane Field formerly lived. In the midst of a wild tempest of rain and thunder the poor creature, overcome and broken, declares, I ain't Esther Maxwell! From that moment she wanders about, repeating to men and women, to children, to the dogs in the street, her confession. The unconscious ministers of her punishment are full of pitying care for their old friend, crazed by remorse: O Mis' Field! oh poor woman! it ain't for us to judge you, returned Mrs. Green, in her tender, inexpressibly solemn voice. Little by little the tortured mind regains its balance, although to every stranger poor Jane Field always repeats, I ain't Esther Maxwell. Meanwhile, for the reader's consolation, Lois regains her bloom in a happy romance. The larger canvas of the novel has allowed Miss Wilkins a freer sweep of her fine brush. On the whole Jane Field bears comparison with her best
