Jase Geri Glenn,2016-04-08 Ellen My life is far from perfect, but I'm OK with that. I've worked hard to get to where I am. I have a cute little house, a job that fulfills me, and a little boy that I love more than life itself. I pride myself on being a strong, independent woman, and letting a man fix my problems for me just isn't the way I work. I had Jase pegged from the second I laid eyes on him. The man's a player and I have no intentions of being played. Been there, done that. I don't care that he has a killer smile and an ass I could happily spend all day bouncing quarters off of. His interest is kind of flattering in the beginning - and then it's not. Jase People say I don't take anything in life seriously. They're probably right. I've seen the shit life can throw at you and I refuse to let it touch me. I live free - I have fun. People say I don't respect women. Well, they're wrong about that. I love women almost as much as they love me. I love the way they smell, the way they taste, and I especially love they way they feel when I get them under me. I'd met Ellen months ago, and no matter what I do, I can't seem to get her out of my head. She's gorgeous, funny and has an incredible ass. The only problem is that I've never had to work so hard to get a woman into my bed ... but we'll get there. I'll make sure of it. She doesn't know it yet, but my brand of playing is just what she needs.

Will You Wait for Me? Mike Newsome, 2011-03-03 Jase and Makalyn were certainly never the type to meet each other. Makalyn was kind and sweet-hearted; she listened and followed the rules and guidelines set by her parents and religion, and eagerly found the good in life, always looking to please. Jase was rough. He had no future ahead of him, no family support whatsoever, and was condemned by society for reasons he knew not. Yet when Makalyn moved to Rhodesdale and out of good nature befriended the tyrant, both parties quickly change for the good and the worse, and soon found themselves immersed in feelings that they found unexplainable. Follow them as the world pushes them to the limits of their love, and see just how far they will go and what promises they will make for what they believe is true love.

Straight up, I don't really care what you, or anyone else thinks about it. There's this blonde chick who has had my eye for awhile. Her name is Carly. She's HOT, but innocent. I'm going for it. JASE Megyn Ward, 2023-12-18 If there's anything I know for sure, it's this: The world is full of saviors. People who want to save you from the world. From your life. From yourself. And here's something else I know—saviors are dangerous. Because they claim to care—to love you even—until it gets hard. Because they make promises they never intend to keep. Because the person they're really trying to save isn't you. It's themselves. Because they're liars. Weak, selfish liars. Every. Single. One of them. No one in this world is worth saving—least of all me. I believed that to my core. Until I met Ophelia. I was

seventeen and she was too young. Too young to protect me. Too trapped to save me. But she tried anyway. She tried, even though she knew that saving me would mean destroying herself. And knowing the price she paid for me killed me—kept killing me, every time I thought about it. So I stopped thinking about it. I stopped thinking about her. Stopped wondering what happened to her. Where she was. If she survived... I never thought I'd see her again. But then I did. Suddenly, she's right in front of me—marked as another man's property but it doesn't matter. None of it matters because Ophelia needs a savior—a real savior—and this time, it's going to be me who's doing the saving. ***Warning: This book deals with dark, sensitive subject matter and depicts graphic scenes that may trigger those who have dealt with or experienced trauma due to stalking, human trafficking, child abuse, physical abuse/violence and childhood sexual assault. While CSA is not depicted on the page it is talked about. Please read with caution.***
