Falcon's Egg Edward Willett,2020-11-19 Falcon's Egg, the sequel to Right to Know, is a fast-paced action adventure. Discovering a plot to reassert Imperial control over the recently rediscovered Peregrine, Lorn Kymbal tracks the conspirators into the deepest and most dangerous reaches of the planet and beyond. Kymbal, a veteran of the war of liberation that almost costs his life, fights killer robots and his own inner demons as he tries to win freedom for himself and his planet. Praise for Falcon's Egg “Falcon's Egg by Edward Willett is space opera/action-adventure novel in the grand tradition, full of interplanetary intrigue, chases through the abandoned bowels of giant spaceships, and shootouts with everything from shotgun shells to beam weapons. Oh, and there's an army of evil robot spiders. This book is a fun, easy read, and I got through it in two nights.” – Ty Black, Dark Futures Fiction In Falcon's Egg, Edward Willett takes on the notion of heroism itself, exploring the casualties of war and the results of battle on the psychology of the protagonist who has endured the traumas of war. Falcon's Egg is a text of revolution, a war narrative with a bit of frontier ideologies since it is set on an alien world that is in conflict with the more technologically developed centrist planets. However, unlike most exploration, war, revolution, and adventure narratives who uncritically cast the hero as a figure who is above trauma, Willett's narrative explores the toll that heroism takes on the mind of the hero as well as the toll that it takes on human lives and society.” – Derek Newman-Stille, Speculating Canada

Queen of Gorgos M. L. Hollinger,2015-10-06 The Queen of Gorgos is the third book in the Javik series and continues the parallel stories of Javik and Allana. Javik returns from the mountain fortress to find a plague has struck his village. Polla, Goldar's wife, and many others are victims of the plague, but his son, Garen, survives. Javik has no idea what's happened to Allana. Allana receives a visitor from Grogos. He informs her of the desperate conditions on the island. Allana sets out on her own adventure. Allana is determined to bring Gorgos back its honor and glory. Javik is brooding over his loss when Margan tells him Allanas was captured by a bandit king in a country far away. Javik gathers his friends in a quest to free her and they set off for the bandit king's territory. Javik gathers other allies looking for adventure along the way. The group manages to locate Allana, and a battle ensues. Javik set off for Gorgos only to find the island is only a shell of its former self. The story continues in book four, The Wallan Prince.

Right to Know Edward Willett,2020-11-19 Right to Know is a fast-paced space opera about first contact-with a difference. When Art Stoddard, civilian information officer of the generation starship Mayflower II, is kidnapped by a secret military organization determined to overthrow the power of the Captain and Crew, he becomes embroiled in a conflict that tests everything he believed to be true, forced to choose between preserving social order and restoring the people's right to know.. When Art is ripped from the safety of his ship by the mysterious residents of Peregrine, his problems only escalate. He becomes a pawn in a game that will determine the fate of both ship and planet. As he and his new found friends rush to save both, he faces questions of courage, loyalty and moral responsibility. Praise for Right to Know “An inspiring tale of redemption and courage, set in an all too plausible future in space. Well done!” – Julie E. Czerneda, author of The Clan Chronicles “...a wildly entertaining read...the novel had romance, an ego-maniacal supporting antagonist, family drama, intrigue, and plenty of action...if you want a fun and rollicking SF yarn that I found to be pretty suitable for most age groups, Right to Know is a great selection.” – Jon Guenther, SF Revu “This is a fast-paced SF novel, with jailbreaks, rocket-rides and wilderness adventures on a strange planet. It also features clear themes. Freedom of the press is foremost, and the need to prioritize freedom over security plays a part, too...Recommended for anyone who likes SF with a rapid pace and a clear message.” – Timothy Gwyn
