Jayce C. M. Marin, 2018-12-13 She's back in town. The only girl to ever hold my heart in her hands is back in town. The news is like the blow from a hammer. It prevents any constructive thoughts from forming in my mind. All I can see is her. All I can think about is how I've missed her. All I know is that I have to keep her at arm's length to protect her. From the threats still coming the club's way, and from... me. Alex has always had this bright light burning in her beautiful baby blues, and the last thing I need is to smother it with the darkness that settled in mine when every last member of my family was murdered. But the lines I drew back then quickly blur when the Spiders threaten her directly, forcing us to get ready for a possible war. More than ever, I wonder if keeping her close to me, instead of pushing her away, is the right thing to do. Did I make the worst mistake shoving her out of my life? Maybe. But does it really matter now, when she's so guarded that her heart has most likely irremediably shut down to me? *Book 2 in the Chaos Chasers series*Dual POV*Explicit sex scenes*Jayce is not a dark MC romance

Devil May Care Jayce Carter, 2023-04-11 FROM BESTSELLING AUTHOR OF REVERSE HAREM ROMANCE JAYCE CARTER Book two in The Devil's Luck series I don't bow to my demons— I prefer being on top. When I died and went to the Chasm, I'd planned to keep my head down and my mouth shut. That didn't work out too well,

however, and now I've taken over as one of the four Demon Lords who runs the place. I have to settle into my new job, learn to control the unruly spirits under my command and hopefully avoid getting murdered by the many people who want my position. To make it all worse, an angel shows up to tell me about an increase in demon possessions, which is now somehow my problem. The other Demon Lords aren't making things any easier on me, either, and I have no idea how to deal with the walking red flags I'm stupidly attracted to. Of course, if I can't figure out the possessions and stop them before they throw everything into chaos, my complicated love life won't matter. Who would have figured averting an apocalypse would be the easy task?

Saving the World and Other Bad Ideas Jayce Carter, 2021-09-28 FROM POPULAR AUTHOR OF PARANORMAL REVERSE HAREM ROMANCE JAYCE CARTER Book three in the Grave Concerns series I finally get four hot men and the world's going to end. Typical. I've gone to hell, I've faced off against the devil and I've lost someone who meant the

world to me. That's usually the end of the story, but it seems the universe isn't quite done with me yet. Lilith is still out there, the end of the world is getting closer and only I can hope to stop it. The more I discover, the deeper I dig into the mystery of Lilith's past and my own powers, the less sure I am that I can actually defeat her. Still by my side are the four men I've fallen hopelessly in love with—leave it to me to get my romantic life in order just as the world falls apart. With all the questions, there are only two things I know for certain—I will face Lilith, and only one of us will walk away from it.

The Corpse Princess Jayce Carter, 2022-03-15 FROM BESTSELLING AUTHOR OF REVERSE HAREM ROMANCE JAYCE CARTER Book one in the Nemesis duology Karma is a bitch—but then again, so am I. Ten years ago, a group of men murdered my mother and thought they had killed me. I've spent every day since planning revenge against the man behind the attack—my father. As the head of a powerful crime family, he won't be an easy target, but nothing matters more than making him pay for what he's done. Now, I return in disguise, only to end up on the radar of The Quad—the four most dangerous men in the city, men I've been desperately in love with since I was a teen. I have no idea if they were in on the plan to have me killed, but I can't stop myself from craving their taste, their bodies and their rough, domineering touches. Even though I know the risks, I keep falling deeper into our twisted relationship. My plan is simple—find and get rid of the people who carried out the attack, kill my father...and don't fall in love with the men who might have betrayed me. This world already killed me once—let it try again.

Third Time Lucky Jayce Carter, 2020-09-22 FROM POPULAR ROMANCE AUTHOR JAYCE CARTER Book three in the Ready or Not series Forget a second chance at

love—they're gearing up for round three. After an ugly divorce, Jasmine moves back to her hometown penniless, alone and ready to swear off men for good. Unfortunately, her new landlord turns out to be someone she knows well, and the only man she's ever really fallen for. Now she just has to remember her most important lesson—love is far too risky a gamble. Finn can't believe it when the girl who got away—twice—shows back up in his life. He let his guard down with her before, and both times she left him high and dry without a word. No matter how much he tells himself not to sign up for that ride again, he can't help but wonder if this time things could be different. Jasmine and Finn fight both one another and their feelings, but it's impossible to ignore the attraction between them. Can they get over their past, or will the third time end in heartbreak as well?

Solomon Jayce Ellis, 2022-05-11 Lies and deception kept them apart, but the truth might kill any hope for a future. Twenty years after hitchhiking from Atlanta to DC, Solomon Mitchell has a peaceful life, volunteering at an LGBTQ Youth Center and directing the kids' choir at church. He accepts his life of solitude and his small circle of friends, and he's fine—fine!—keeping it that way. When the pastor asks to see him after a performance, he thinks nothing of it—until he sees the childhood he escaped staring at him in the shape of his high-school sweetheart, Isaac Jenkins. Who was supposed to be with him, but never made it to their rendezvous. Running again is the easy answer. Staying and fighting is way harder. But man, could Isaac make fighting worth it. Isaac, his church's youth pastor, is on a tour to DC, ostensibly to learn how various congregations have retained or grown their memberships. He already has low expectations and somehow, his bar is still too high. When a friend suggests visiting a church not on his list,

it's his cue to go beyond the rigid confines he's always lived and worked in. His world spins when he finds Solomon, his first love, literally the one that got away, leading the choir. Isaac still bears a weight of guilt about their separation, and this may be his one chance to make things right. He's not leaving without trying. Isaac's church leaders want him back home and give him two options: return and forget about Solomon, or defy them and watch everything he thought he knew disintegrate.

Selling Innocence Jayce Carter, 2023-09-12 FROM BESTSELLING ROMANCE AUTHOR JAYCE CARTER Book one in the Black Heart Auctions series Getting bought by four sexy, dangerous men isn't as fun as it sounds. I spent my entire life as little more than a pawn used for the benefit of others, defined only by my family, my bloodline and my last name. After narrowly escaping my father's plan to kill me, however, I get a second chance at life. For the past year, I've lived under a fake name, with a fake past, all to create a life of my own choosing. That all goes to hell when I find myself abducted and put up for sale at the infamous Black Heart Auctions, a place where anything can be bought and sold—including people. Four men with dark pasts buy me, planning to use me to get their revenge on a mysterious enemy known only as Lorien. Now I must untangle the connections between Lorien and the men, keep my past and identity a secret and never let myself forget the danger these men pose. All I've ever wanted was a quiet, normal life, but to get that, I'll need to survive this first. And here I thought getting sold was the worst of my problems.

Flock This Jayce Carter, 2024-03-26 FROM POPULAR AUTHOR OF WHY CHOOSE ROMANCE JAYCE CARTER Book one in the Flocking It Up series Trouble doesn't find

me— I go looking for it. I' ve been rejected all my life— always too loud, too messy, too much. I thought joining the spirit world— full of vampires, werewolves and magical beings living alongside humans— would change that, but as an anomaly without a clan, I' m more unwelcome than ever. Instead of power and sexy trysts with hot immortals, I end up working as a courier just to survive. I got turned into a crow shifter and all I got out of it is a sucky, dead-end job. However, when I make a delivery and instead find the vampire leader' s corpse, the stake that killed him in my hand, standing on the sidelines stops being an option. Without a clan to speak for me, I have no choice but to figure out who framed me and find the real killer on my own. Surrounded by people I can' t trust, in a world that has no place for me, I' ve got to use every skill in my arsenal to stay one step ahead. They say a little mischief is good for the soul, but too much of it can kill you.
