

Jeeves

Ben Schott

Introducing Jeeves P. G. Wodehouse,2013-05-22 A collection of six classic Jeeves stories.

Jeeves and the Leap of Faith Ben Schott,2020-10-13 Jeeves and Wooster return in a new espionage caper full of japes, high jinks, and jiggery-pokery in a series that is “impossible to read without grinning idiotically” (Evening Standard). The Drones club’s in peril. Gussie’s in love. Spode’s on the war path. Oh, and His Majesty’s Government needs a favor . . . I say! It’s a good thing Bertie’s back, what? In his eagerly anticipated sequel to *Jeeves and the King of Clubs*, Ben Schott leads Jeeves and Wooster on another elegantly uproarious escapade. From the mean streets of Mayfair to the scheming spires of Cambridge, we encounter a joyous cast of characters: chiseling painters and criminal bookies, eccentric philosophers and dodgy clairvoyants, appalling poets and pocket dictators, vexatious aunts and their vicious hounds. But that’s not all: Who is ICEBERG, and why is he covered in chalk? Why is Jeeves reading Winnie-the-Pooh? What is seven across and eighty-five down? How do you play Russian Roulette at The Savoy? These questions, and more, are answered in *Jeeves and the Leap of Faith* — an homage to P.G. Wodehouse, authorized by

his estate, and essential reading for fans of The Master. Tinkety-tonk!

The Inimitable Jeeves P. G. Wodehouse, 2019-01-31 In The Inimitable Jeeves, Bertie Wooster and his valet Jeeves embark on a series of riotous adventures. Among other things they involve Bertie's feeble attempts to stop his friend Bingo Little from falling in love with every girl he meets. But the amiable chump's main concern is to avoid the eagle eye and iron will of his merciless Aunt Agatha. In one of the funniest works in the English language, P. G. Wodehouse charms, delights, and occasionally surprises the reader with his shrewd parody of the carefree lives of the English elite.

Jeeves and the Wedding Bells Sebastian Faulks, 2013-11-05 When young man about town Bertie Wooster, nursing a broken heart, agrees to help his old friend Peregrine Woody Beeching, whose own romance is failing, hilarity and chaos ensue as Jeeves, the very epitome of the modern manservant, steps in to save Bertie from himself. 100,000 first printing.

The Jeeves Omnibus - Vol 3 P.G. Wodehouse, 2012-02-29 As always, Bertie is about to find himself in the soup (or 'up to the knees in bisque') and Jeeves is poised to pull him out - quite

possibly after pushing him in in the first place. In this omnibus of characteristically hilarious short stories and novels, Jeeves is for the first time shockingly employed to resolve the woes of someone other than Bertie Wooster. Contains The Mating Season, Ring for Jeeves and Very Good, Jeeves...

The Inimitable Jeeves P.G. Wodehouse, 2023-02-04 THE INIMITABLE JEEVES:- is the first of the Jeeves novels written by P.G. Wodehouse. This was the second collection of Jeeves stories, after My Man Jeeves. Often touted as a classic collection of stories, it contains some of the funniest episodes in the life of Bertie Wooster, gentleman, and Jeeves, his gentleman's gentleman. Through characters like Bertie Wooster, Jeeves, Bingo Little, Mabel, Mortimer Little and Jane Watson, Wodehouse succeeds in creating an idyllic world. God's in his heaven and all's right with the world that's what Wooster thinks but things start going wrong. Bingo Little, needs Bertie to put in a good word for him with his uncle. Bingo is in love with Mabel, a waitress, but fears his uncle won't approve of her. Jeeves suggests a plan using romance novels to sway Bingo's uncle. This fictionalized account carried 11 previously published stories to make it a book of 18 chapters. All of the short stories involve Bingo Little, who is

always falling in love.

The Jeeves Collection P. G. Wodehouse, 2017-04-06 Contents:

My Man Jeeves Extricating Young Gussie Right Ho, Jeeves Jeeves is a fictional character in a series of humorous short stories and novels by P. G. Wodehouse, being the highly-competent valet of a wealthy and idle young Londoner named Bertie Wooster created in 1915. Both the name Jeeves and the character of Jeeves have come to be thought of as the quintessential name and nature of a valet or butler, inspiring many similar characters. The premise of the Jeeves stories is that the brilliant valet is firmly in control of his rich and foppish young employer's life. Jeeves becomes Bertie Wooster's protector and all-purpose problem solver, devising subtle plans to rescue Bertie and his friends from tiresome social obligations, demanding relatives, brushes with the law, and, above all, problems involving women. Wodehouse derives much comic effect from having Bertie, his narrator, remain blissfully unaware of Jeeves's machinations, until all is revealed at the end of the story.

My Man Jeeves Sir Pelham Grenville Wodehouse, 2020-09-28

Jeeves—my man, you know—is really a most extraordinary chap. So capable. Honestly, I shouldn't know what to do without him. On broader lines he's like those chappies who sit peering sadly over

the marble battlements at the Pennsylvania Station in the place marked Inquiries. You know the Johnnies I mean. You go up to them and say: When's the next train for Melonsquashville, Tennessee? and they reply, without stopping to think, Two-forty-three, track ten, change at San Francisco. And they're right every time. Well, Jeeves gives you just the same impression of omniscience. As an instance of what I mean, I remember meeting Monty Byng in Bond Street one morning, looking the last word in a grey check suit, and I felt I should never be happy till I had one like it. I dug the address of the tailors out of him, and had them working on the thing inside the hour. Jeeves, I said that evening. I'm getting a check suit like that one of Mr. Byng's. Injudicious, sir, he said firmly. It will not become you. What absolute rot! It's the soundest thing I've struck for years. Unsuitable for you, sir. Well, the long and the short of it was that the confounded thing came home, and I put it on, and when I caught sight of myself in the glass I nearly swooned. Jeeves was perfectly right. I looked a cross between a music-hall comedian and a cheap bookie. Yet Monty had looked fine in absolutely the same stuff. These things are just Life's mysteries, and that's all there is to it. But it isn't only that Jeeves's judgment about clothes is infallible, though, of course,

that's really the main thing. The man knows everything. There was the matter of that tip on the Lincolnshire. I forget now how I got it, but it had the aspect of being the real, red-hot tabasco. Jeeves, I said, for I'm fond of the man, and like to do him a good turn when I can, if you want to make a bit of money have something on Wonderchild for the 'Lincolnshire.'

Life with Jeeves Pelham Grenville Wodehouse, 1981 It is old Bertie Wooster's habit to land in the soup from time to time. To get into a spot of bother. Circumstances, aided and abetted by Aunt Agatha, Aunt Dahlia, Bingo Little, Tuppy, Sippy and others, seem to conspire against him, and a frightful muddle ensues. Enter Jeeves, the source of all solace. Jeeves of the infinite sagacity. Jeeves, that noiseless provider of deliverance from the hangover, a bird of the ripest intellect, calm and wise enough to rescue Bertie and his pals from the most fearful scrapes. Jeeves, that subtle master of prudence, good taste and ineffable composure. Where would that chump Bertie be without him? This omnibus edition will delight newcomers to Wodehouse as well as those already familiar with his sunny universe and his sparkling prose. It contains *Right Ho, Jeeves*, *The Inimitable Jeeves* and *Very Good, Jeeves*. Book jacket.

Enter Jeeves P. G. Wodehouse, David A. Jasen, 1997-07-10

Splendid collection contains first eight stories featuring Bertie Wooster, the deliciously dim aristocrat and Jeeves, his brainy, imperturbable manservant. Also, the complete Reggie Pepper (Bertie's prototype) series.

Right Ho, Jeeves P. G. Wodehouse, 2022-11-13 Bertie returns to London from several weeks in Cannes spent in the company of his Aunt Dahlia Travers and her daughter Angela. In Bertie's absence, Jeeves has been advising Bertie's old school friend, Gussie Fink-Nottle, who is in love with a goofy, sentimental, whimsical, childish girl named Madeline Bassett...

My Man Jeeves P. G. Wodehouse, 2022-11-13 Jeeves presents the ideal image of the gentleman, being highly competent, dignified, and respectful. Incredibly knowledgeable about topics ranging from horse racing to history, Jeeves has an encyclopedic knowledge of literature and academic subjects. He frequently quotes from Shakespeare and the romantic poets. Well informed about members of the British aristocracy thanks to the club book of the Junior Ganymede Club, he also seems to have a considerable number of useful connections among various servants. Jeeves uses his knowledge and connections to solve problems

inconspicuously. Contents: Leave it to Jeeves Jeeves and the Unbidden Guest Jeeves and the Hard-boiled Egg Absent Treatment Helping Freddie Rallying Round Old George Doing Clarence a Bit of Good The Aunt and the Sluggard

Jeeves and the King of Clubs Ben Schott, 2018-11-06 What ho! A new Jeeves and Wooster novel that is impossible to read without grinning idiotically (Evening Standard), penned in homage to P.G. Wodehouse by bestselling author Ben Schott -- in which literature's favorite master and servant become spies for the English Crown. The misadventures of Bertie Wooster and his incomparable personal gentleman, Jeeves, have delighted audiences for nearly a century. Now bestselling author Ben Schott brings this odd couple back to life in a madcap new adventure full of the hijinks, entanglements, imbroglios, and Wodehousian wordplay that readers love. In this latest uproarious adventure, the Junior Ganymede Club (an association of England's finest butlers and valets) is revealed to be an elite arm of the British secret service. Jeeves must ferret out a Fascist spy embedded in the highest social circles, and only his hapless employer, Bertie, can help. Unfolding in the background are school-chum capers, affairs of the heart, antics with aunts, and sartorial set-tos. Energized by Schott's

effervescent prose, and fully authorized by the Wodehouse Estate, *Jeeves and the King of Clubs* is a delight for lifelong fans and the perfect introduction to two of fiction's most beloved comic characters.

Jeeves And The Tie That Binds P.G. Wodehouse, 2000-11

Jeeves belongs to a club for butlers, and one of the rules is that every member must contribute to the club book everything about the fellow he's working for. Jeeves is so taken with his employer, Bertie Wooster, that he writes eighteen pages about him--and Bertie, quite naturally, is perturbed. Suppose the book falls into the wrong hands ...

Thank You, Jeeves P. G. Wodehouse, 2013-07-01 P. G.

Wodehouse wrote the best English comic novels of the century. —Sebastian Faulks Bertram Wooster's interminable banjolele playing has driven Jeeves, his otherwise steadfast gentleman's gentleman, to give notice. The foppish aristocrat cannot survive for long without his Shakespeare-quoting and problem-solving valet, however, and after a narrowly escaped forced marriage, a cottage fire, and a great butter theft, the celebrated literary odd couple are happy to return to the way things were.

Very Good, Jeeves! Pelham Grenville Wodehouse, 1979 In

creating that incomparable pair -- the lovable scamp Bertie Wooster and his unflappable valet, Jeeves -- P. G. Wodehouse made a world for us to live in and delight in (Evelyn Waugh). This volume contains eleven stories, including Jeeves and the Impending Doom, a hilarious chronicle of a ghastly weekend at Aunt Agatha's country home; Jeeves and the Song of Songs, which features Bertie's reluctant public debut as a singer; and The Inferiority Complex of Old Sippy, in which Jeeves manages, with the usual aplomb, to help one of Bertie's bumbling pals win the hand of the woman he loves.

Very good, Jeeves! Pelham Grenville Wodehouse, 1975

The Jeeves Omnibus - Vol 1 P.G. Wodehouse, 2012-02-29 'It beats me why a man of his genius is satisfied to hang around pressing my clothes and what not,' says Bertie. 'If I had Jeeves's brain I should have a stab at being Prime Minister or something.' Luckily for us, Bertie Wooster manages to retain Jeeves's services through all the vicissitudes of purple socks and policeman's helmets, and here, gathered together for the first time, is an omnibus of Jeeves novels and stories comprising three of the funniest books ever written: Thank You, Jeeves, The Code of the Woosters and The Inimitable Jeeves.

The World of Jeeves Pelham Grenville Wodehouse, 1989

Stories of wit and humor starring the ever-helpful butler Jeeves.

The Jeeves Omnibus Pelham Grenville Wodehouse, 1990 The second Jeeves omnibus which includes Carry on Jeeves , Right Ho, Jeeves and Joy in the Morning .

Jeeves Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has been more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Jeeves**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
