The Boy Who Skipped Jeff Adkins, 2012-01-17 What seems like a series of unconnected anecdotes become the threads that bind together the story of three people, and one very unusual year at Col. Devitt Caudill Memorial High School. *The Boy Who Skipped* tells three intertwined stories: Jeff Mason auditions for the school play as a favor to his older sister. He is a bright science geek, looking for his place in the universe as well as in the hallways of his school. Lynn Anderson is a gifted actress and cheerleader, seeking something to make her life meaningful in her new rural school far from the suburban life she had expected and the suburban life she feared. And young teacher Carol Caudill is determined to bring the beauty and power of theater to a town that would just as soon live without it...and heaven help anyone who stands in her way. The story is set in a small town in 1970's Eastern Kentucky. Based on real events, it tells stories about how these three people and a group of young actors set out to do what everyone told them was impossible.

Mischief Makers Jeffrey Smith,2007-03 The Musings of an ex-Moleque by Jeff Smith Jeff Smith's life can easily be summarized by two distinct periods of time. The Musings of an ex-Moleque tell the story of the first period. This time-frame is the first eighteen years of his life where Jeff truly was the product of his family's old school influence and the small town rural environment in which he was raised. In the 1950's and 60's, Sisters, Oregon was a small mill town of about 500 souls. Being situated in the very heart of Oregon and nestled at the foot of the Cascade Mountain Range, it offered a unique setting for a young lad to live a life of unfettered adventure, joy, and security. Jeff's story is the story of perhaps thousands of young American lads raised in a bygone era, one which probably will never be enjoyed again as our culture continues to change so drastically, leaving no room for little rascals to run free and wild. Author's Biography Jeff Smith was born on August 11th in the year 1952 in Redmond, Oregon. Jeff was the last of six children born to William Ray and Naomi Belle Smith. Though born in Redmond, Jeff was raised in the nearby town of Sisters. As Sisters was so small it had no hospital, so most babies in those days were born either in Redmond's newly built hospital or in neighboring Bend. Jeff was definitely a product of his familial upbringing and the small town rural environment in which he spent the first eighteen years of his adventurous life. Shortly after high school graduation in 1970 Jeff entered a missionary training center in Bend, Oregon in pursuit of his dream of being a minister of the Gospel of Jesus Christ in Brazil. That dream was interrupted by a two year tour of duty in the US Army, having been drafted number 34 in the end of the old lottery draft system.

The Diary of a Wimpy Kid series has consistently topped the bestseller lists of USA Today, the Wall Street Journal, and Publishers Weekly. Dead Janitors Club Jeff Klima,2010-06-01 It had been well over a month since I had seen or heard from Dirk, and it was showing in my bank account...I was tempted to start searching for another job. I still had faith, though, that somehow, someday, I was meant for this line of work... Hello? I mumbled, not recognizing the number on the caller ID. Jeff, it's Dirk, said the voice. I waited curiously, wondering who the hell Dirk was. We've got one, he eventually said when I failed to answer. We had never bothered to get together for any sort of training, and now, it was too late. After toiling for minimum wage for years, Jeff Klima got an unexpected offer: to head up a brand new crime scene cleanup company in Orange County. The upside? A chance to make incredible money in a field with no competition. The downside? Everything else about the job. The Dead Janitors Club is an engrossing, hilarious, and morbidly fascinating memoir of life and death, from someone whose life is death. From his first job-where a piece of brain fell off the ceiling and landed in his eye-to having to clean up one of his former neighbors, The Dead Janitors Club is more than just a retelling of crime scenes and what it takes to clean them up. It is a memoir about struggling to

survive college, love, life, and keeping one's sanity when one never knows if, the next time the phone rings, you must delve into the darker side of life and death.
