**The Jeff Dunham Handbook - Everything You Need to Know about Jeff Dunham** Emily Smith, 2013-05 Jeff Dunham (born April 18, 1962) is an American ventriloquist and stand-up comedian who has also appeared on numerous television shows, including *Late Show with David Letterman*, *Comedy Central Presents*, *The Tonight Show* and *Sonny With a Chance*. His style has been described as a dressed-down, more digestible version of Don Rickles with multiple personality disorder. Describing his characters, *Time* observes, All of them are politically incorrect, gratuitously insulting and ill tempered. Dunham has been credited with reviving ventriloquism, and doing more to promote the art form than anyone since Edgar Bergen. Dunham has been called America's favorite comedian by *Slate.com*, and according to the concert industry publication *Pollstar*, he is the top-grossing standup act in North America, and is among the most successful acts in Europe as well. As of November 2009, he has sold over

four million DVDs, an additional \$7 million in merchandise sales, and received more than 350 million hits on YouTube as of October 2009 (his introduction of Achmed the Dead Terrorist in Spark of Insanity was ranked as the ninth most watched YouTube video at the time). A Very Special Christmas Special was the most-watched telecast in Comedy Central history, with its DVD going quadruple platinum (selling over 400,000) in its first two weeks. *Just a Guy* Bill Engvall, Alan Eisenstock, 2007-05-29 What does it mean to be JUST A GUY? --A guy doesn't think before he speaks. --Eating and sleeping always come first. Always. --A guy may get married, but he doesn't have to like it. --It's tough to

admit, but all guys are exactly the same. Blue Collar Comedy Star Bill Engvall is JUST A GUY. He's been one his whole life. He can't help it. He was born that way. And that makes him an expert on the subject. For the record, here's the official definition of a guy: A person who doesn't think before he speaks. He can't. He's not that deep. Because a guy has only three basic needs: eating, sleeping, and sex. That's it. JUST A GUY chronicles a lifetime in pursuit of those needs. In this hilarious and heartfelt memoir, Bill Engvall takes you on the rollicking ride of his life, beginning with his childhood in Texas and adolescence in Arizona, becoming a fixture in local emergency rooms, the result of massive amounts of non-thinking behavior trying to impress girls or torture his sisters; to high school in Dallas where he dabbled in an array of truly odd jobs, learned the trombone, and came of age, all strangely connected; to college and his tenure as his fraternity's social chairman, where he masterminded a series of legendary parties and attempted to rescue his pet bird while the house was burning down (not his fault, honest); to following his dream as a standup comic and, gulp, singer; to his brief stint in children's theater while sharing the stage and the back of a van with the director's dog, and as a movie extra with forked tongue and cloth claws; to his bumbling and riotous courtship, then marriage to Gail, the love of his life; and, finally, fatherhood, where he remains, to this day, a well-meaning, but flawed parent. Through it all, Bill gamely stumbles along, struggling to maintain a façade of confidence and control. Far from a superhero, Bill Engvall is an everyday Everyman, the poster boy for normal. The result is JUST A GUY who is disarming, perceptive, wildly funny, and unexpectedly moving. JUST A GUY will make you laugh out loud and tug at your heart. Hopefully, not at the same time.

She is the proud wife to comedian and ventriloquist, Jeff Dunham, mama to twin boys, and step-mama to three grown girls. Audrey loves holidays and LOVES baking Christmas cookies, especially if it's with her young twin boys, Jack and James! After going the vegan route, she didn't want to say farewell to all of her childhood cookie favorites, therefore she veganized the recipes and put them all in this beautifully designed book for others to enjoy, as well. With so many others needing or choosing a vegan, dairy-free diet and/or egg-free diet, she is proud to say that the recipes included in this cookbook, *Vegan Christmas Cookies and Cocoa*, are just as good (if not better!) than the traditional versions. This cookbook is loaded with bright and colorful photographs to help create inspiration and excitement for baking holiday goodies at Christmastime. It was important to Audrey that this book not only provide incredible recipes, but also create an experience for the reader as they turn each page. Each recipe includes a fun description, many of which share how that recipe is special to Audrey and her family. At the bottom of each recipe, bakers will also find recommendations on how to properly store each cookie or treat, as well as recommendations on how to make them gluten-free. Additionally, each recipe offers grams and milliliter measurements in addition to cups and spoons. Audrey understands that some vegan ingredients can be challenging to

find, therefore she has created a list of some of the ingredients she uses regularly. That list can be found on [AudreyDunham.com/Ingredients](http://AudreyDunham.com/Ingredients) . You can find some of her favorite kitchen tools there, as well. **The Low Glycal Diet** Jeffrey Dunham,Martha W.

Murphy,2015-12-29 Lose up to 10 pounds in the first 2 weeks of Dr. Jeffrey Dunham's proven program. This innovative approach combines low glycemic food-much like those emphasized on the Paleo Diet-with popular high-carb foods. The trick is knowing what to eat, when and how many calories to consume. Dr. Dunham's easy-to-follow coding system tells readers exactly how to do this. The program is rooted in the science of calorie spikes. When calorie spikes are kept low and spread out properly, patients burn more fat. Dr. Dunham capitalizes on this science by using a combination of low glycemic foods and calorie counting to keep calorie spikes low. His proven method has become the key to lasting weight loss for more than 10,000 people. While popular diets have typically focused on counting calories or glycemic load, The Low Glycal Diet is the first diet to take into account how they interact. The Low Glycal Diet walks readers through Dr. Dunham's diet and offers 75 exclusive recipes that are effective

low glycemic/high carbohydrate combinations. The companion app, which people use to check if their meals have the right combination of calories and glycemic scale rating, has been downloaded more than 80,000 times.

How to American Jimmy O. Yang, 2018 Standup comic, actor and fan favorite from the popular HBO series *Silicon Valley* shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too. Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series *Silicon Valley*. In *How to American*, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET *RapCity* for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, *How to American* mocks stereotypes while offering tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.

### **The Great Lester: Ventriloquism's Renaissance Man**

David Erskine, 2013 In this engrossing fictional memoir based on original sources, Harry Eugene Lester paints a rich picture of his life and times as the world's premiere ventriloquist in the heyday of vaudeville and beyond. Not only will vents and historians appreciate this book, but also, as it's a delight to read, anyone who likes to read personal reflections of a life well lived can enjoy

The Great Lester: Ventriloquism's Renaissance Man. The Great Lester was a Renaissance man-a free spirit-a creative person who originated a ventriloquist act that both changed and enlightened American ventriloquism, even as he wrestled with the changing times and his own inner world. What makes that character different from the rest of us? What are the secrets of his talent? What is creative vision, and where does it come from? Based on original research, including access to newspaper and magazine accounts and previously unpublished correspondence, and primary source tape recordings made by Lester, *The Great Lester: Ventriloquism's Renaissance Man* presents the first fully integrated portrait of this American icon of ventriloquism. Few performers lived such a large and eventful life while transportation and electricity changed the world. Lester's early life was one of restless adventure going to new places following traveling entertainment-first with the circus, then Dime Museums, and then American vaudeville and music halls in Europe. He traveled the world, becoming famous and wealthy, and then becoming penniless as the fashions in show business changed. Lester possessed an evangelical zeal to share his approaches regarding acquiring the art and craft of ventriloquism. His most famous student was Edgar Bergen, fresh from high school in 1922. Lester spent his last years teaching ventriloquism students one on one at his studio in Hollywood. *Ersine* brings Lester to life as never before. He also details parts of Lester's personality that cannot be easily understood-his defiance of rules regarding his career and his inability to change with the fashions in show business.

*Essex Girls* Sarah Perry, 2020-10-01 'Not all Essex girls are party girls. They can be sages, martyrs, leaders. In her neat and provocative little book, Sarah Perry celebrates their courage and vivacity.' Hilary Mantel A defence and celebration of the Essex Girl by the best-selling author of *The Essex Serpent* *Essex Girls* are disreputable, disrespectful and disobedient. They speak out of turn, too loudly and too often, in an accent irritating to the ruling classes. Their bodies are hyper-sexualised and irredeemably vulgar. They are given to intricate and voluble squabbling. They do not apologise for any of this. And why should they? In this exhilarating feminist defence of the Essex girl, Sarah Perry re-examines her relationship with her much maligned home county. She summons its most unquiet spirits, from Protestant martyr Rose Allin to the indomitable Abolitionist Anne Knight, sitting them alongside Audre Lorde, Kim Kardashian and Harriet Martineau, and showing us that the Essex girl is not bound by geography. She is a type, representing a very particular kind of female agency, and a very particular kind of disdain: she contains a multitude of women, and it is time to celebrate them.

**Not That Kind of Girl** Lena Dunham, 2014-09-30 #1 NEW YORK TIMES BESTSELLER • Includes two new essays! NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED, THE GLOBE AND MAIL, AND LIBRARY JOURNAL For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, wise, and fiercely candid collection of personal essays establishes Lena Dunham—the acclaimed creator, producer, and star of HBO's *Girls*—as one of the most original young talents writing today. In *Not That Kind of Girl*, Dunham illuminates the experiences that are part of making one's way in the world: falling in love, feeling alone, being ten pounds overweight despite eating only health food, having to prove yourself in a room full of men twice your age, finding true love, and most of all, having the guts to believe that your story is one that deserves to be told. "Take My Virginity (No Really, Take It)" is the account of Dunham's first time, and how her expectations of sex didn't quite live up to the actual event ("No floodgate had been opened, no vault of true womanhood unlocked"); "Girls & Jerks" explores her former attraction to less-than-nice guys—guys who had perfected the "dynamic of disrespect" she found so intriguing; "Is This Even Real?" is a meditation on her lifelong obsession with death and dying—what she calls her "genetically predestined morbidity." And in "I Didn't F\*\*\* Them, but They Yelled at Me," she imagines the tell-all she

will write when she is eighty and past caring, able to reflect honestly on the sexism and condescension she has encountered in Hollywood, where women are “treated like the paper thingies that protect glasses in hotel bathrooms—necessary but infinitely disposable.” Exuberant, moving, and keenly observed, *Not That Kind of Girl* is a series of dispatches from the frontlines of the struggle that is growing up. “I’m already predicting my future shame at thinking I had anything to offer you,” Dunham writes. “But if I can take what I’ve learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine will have been worthwhile.” Praise for *Not That Kind of Girl* “The gifted Ms. Dunham not only writes with observant precision, but also brings a measure of perspective, nostalgia and an older person’s sort of wisdom to her portrait of her (not all that much) younger self and her world. . . . As acute and heartfelt as it is funny.”—Michiko Kakutani, *The New York Times* “It’s not Lena Dunham’s candor that makes me gasp. Rather, it’s her writing—which is full of surprises where you least expect them. A fine, subversive book.”—David Sedaris “This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises.”—Carroll Dunham “Witty, illuminating, maddening, bracingly bleak . . . [Dunham] is a genuine artist, and a disturber of the order.”—*The Atlantic*
