

Jemaine Clement

Matthew Bannister

The Jemaine Clement Handbook - Everything You Need to Know about Jemaine Clement

Emily Smith,2013-02-01 Jemaine Clement (born 10 January 1974) is a New Zealand comedian, actor and multi-instrumentalist, best known as one half of the musical comedy duo Flight of the Conchords along with Bret McKenzie. This book is your ultimate resource for Jemaine Clement. Here you will find the most up-to-date information, photos, and much more. In easy to read chapters, with extensive references and links to get you to know all there is to know about Jemaine Clement's Early life, Career and Personal life right away. A quick look inside: Jemaine Clement, A Good Opportunity, Billy T Award, Bowie (Flight of the Conchords), Bret Gives Up the Dream, Bret McKenzie, Despicable Me, Diagnosis: Death, Dinner for Schmucks, Drive By (Flight of the Conchords), Eagle vs Shark, Elementary School Musical (The Simpsons), Evicted (Flight of the Conchords), Flight of the Conchords, Flight of the Conchords (TV series), Flight of the Conchords (album), Flight of the Conchords (radio series), Folk the World Tour, I Told You I Was Freaky, Independent Spirit Award for Best Supporting Male, James Bobin, Jason Stutter, Men in Black 3, Mugged (Flight of the Conchords), Murray Takes It to the Next Level, Napoleon Dynamite (TV series), Omnichord, Outback Steakhouse, Prime Minister (Flight of the Conchords), Primetime Emmy Award for Outstanding Lead Actor in a Comedy Series, Rio (film), Sally (Flight of the Conchords), Sally Returns, So You're a Man and more pages! Contains selected content from the highest rated entries, typeset, printed and shipped, combining the advantages of up-to-date and in-depth knowledge with the convenience of printed books. A portion of the proceeds of each book will be donated to the Wikimedia Foundation to support their mission.

Eye of the Taika Matthew Bannister,2021-10-19 Innovative study of Taika Waititi, whose Maori and Jewish roots influence his distinctive New Zealand comedic style.

Critical Multimodal Studies of Popular Discourse Emilia Djonov,Sumin Zhao,2013-09-23 Studies of multimodality have significantly advanced our understanding of the potential of different semiotic resources—verbal, visual, aural, and kinetic—to make meaning and allow people to achieve various social purposes such as persuading, entertaining, and explaining. Yet little is known about the role that individual nonverbal resources and their interaction with language and with each other play in concealing and supporting, or drawing attention to and subverting, social boundaries and inequality, political or commercial agendas. This volume brings together contributions by prominent and emerging scholars that address this gap through the critical analysis of multimodality in popular culture texts and semiotic practices. It connects multimodal analysis to critical discourse analysis, demonstrating the value of different approaches to multimodality for building a better understanding of critical issues of central interest to discourse analysis, semiotics, applied linguistics, education, cultural and media studies.

Can't Stop the Grrrls Lily E. Hirsch,2023 From stars like Britney Spears and Mariah Carey to classic icons like Yoko Ono, female musicians have long been the target of toxic labels in the media and popular culture: liar, crazy, snake, diva, and so on. This book takes a candid look at the full range of sexist labeling and inspires us to think about these remarkable women on their own terms--

The Palgrave Handbook of the Vampire Simon Bacon,

Global TV Horror Stacey Abbott,Lorna Jowett,2021-03 In an era fascinated by horror, this book examines some of the most significant global TV horror, from children's television and classic series to contemporary shows taking advantage of streaming and on-demand to reach audiences around the world.

Spoofing the Vampire Simon Bacon,2022-10-10 Famous for being deathly serious, the vampire genre has a consistent yet often critically overlooked subgenre--the comedic spoof and satire. This is the first book dedicated entirely to documenting and analyzing the vampire comedy on film and television. Various types of comedy are discussed, outlining the important differences between spoofing, serious-spoofing, parody and satire. Seminal films such as Abbott and Costello Meet Frankenstein, Love at First Bite, Vampire in Brooklyn, Dracula: Dead and Loving It and What We Do In the Shadows are featured. More importantly, this book demonstrates how comedy is central to both the common perception of the vampire and the genre's ever-evolving character, making it an

essential read for those interested in the laughing undead and creatures that guffaw in the night.

The Werewolf Filmography Bryan Senn, 2017-02-08 From the horrific to the heroic, cinematic werewolves are metaphors for our savage nature, symbolizing the secret, bestial side of humanity that hides beneath our civilized veneer. Examining acknowledged classics like *The Wolf Man* (1941) and *The Howling* (1981), as well as overlooked gems like *Dog Soldiers* (2011), this comprehensive filmography covers the highs and lows of the genre. Information is provided on production, cast and filmmakers, along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure.

25 films that made Horror Cinema - Part Second Laura Cremonini, 2020-06-21 This book is the assembly of various texts that are freely available on the web, especially from Wikipedia. The next obvious question is: why buy this book? The answer: because it means you avoid having to carry out long and tedious internet searches. (13 different topics grouped in one book) The topics are all linked to each other organically, and as a function of the subject and, in most cases, contain additional unpublished topics, not found on the web. Moreover, the inclusion of images completes the work so as to make it unique and unrepeatable. (Over 100 poster and film scenes). In addition, each film is linked to Youtube and in most cases the films are viewed in full Movie. Contents of the book: 25 films that made Horror Cinema: *Halloween* (1978), *The Brood* (1979), *Nosferatu: Phantom der Nacht* (1979), *The Fog* (1980), ...E tu vivrai nel terrore! L'aldilà (1981), *Sien lui yau wan* (1987), *Dracula* (1992), *Interview with the Vampire* (1994), *The Others* (2001), *The Village* (2004), *El orfanato* (2007), *30 Days of Night* (2007), *Sinister* (2012). Of each film: Plot, Production, Background and development, Pre-production, Production, Release, Home media, Critical reception, Aftermath and influence, References, Footnotes, Posters and Film Scenes.

Music and Sound in the Worlds of Michel Gondry Kate McQuiston, 2020-11-26 Michel Gondry's directorial work buzzes with playfulness and invention: in a body of work that includes feature films such as *Eternal Sunshine of the Spotless Mind* and *The Science of Sleep*, to music videos, commercials, television episodes, and documentaries, he has experimented with blending animation and live action, complex narrative structures, and philosophical subject matter. Central to that experimentation is Gondry's use of music and sound, which this book addresses in a new detailed study. Kate McQuiston examines the hybrid nature of Gondry's work, his process of collaboration, how he uses sound and music to create a highly stylized reinforcement of often-elusive subjects such as psychology, dreams, the loss of memory, and the fraught relationship between humans and the environment. This concise volume provides new insight into Gondry's richly creative multimedia productions, and their distinctive use of the soundtrack.

3000 Facts about TV Shows James Egan, 2016

David Bowie ,

1000 Facts about TV Shows Vol. 3 James Egan, 2016

Funny As Paul Horan, Philip Matthews, 2019-07-18 A big, authoritative, hilarious illustrated account of New Zealand's funniest comedians. From the Kiwi Concert Party to The Topp Twins, Billy T. James to Rose Matafeo, Fred Dagg to Flight of the Conchords and Taika Waititi, New Zealanders have made each other laugh in ways distinctive to these islands. *Funny As* tells the story of comedy in this country through more than 300 pictures and an engaging text based on over 100 interviews with our best comedians. Published alongside a major TVNZ documentary series at a time when comedy has never been bigger, the book takes us inside the comedy clubs, cabarets and television studios where comedians work; it charts the rise of cartoons and skits, parody and stand-up; it introduces us to how New Zealand's funniest men and women have made sense (and nonsense) out of this country's changing culture and society. *Funny As* is the authoritative, hilarious story of New Zealand comedy.

Twenty-First-Century Gothic Wester Maisha Wester, 2019-05-22 A transnational and transmedia companion to the post-millennial Gothic. Key Features: Covers key areas and themes of the post-millennial Gothic as well as developments in the field and revisions of the Gothic tradition. Consitutes the first thematic compendium to this area with a transmedia (literature, film and television) and transnational approach. Covers a plurality of texts, from novels such as Stephenie Meyer's *Twilight*

(2005), Helen Oyeyemi's *White Is for Witching* (2009), Justin Cronin's *The Passage* (2010) and M.R. Carey's *The Girl with All the Gifts* (2014), to films such as *Kairo* (2001), *Juan of the Dead* (2012) and *The Darkside* (2013), to series such as *Dante's Cove* (2005-7), *Hemlock Grove* (2013-15), *Penny Dreadful* (2014-16) *Black Mirror* (2011-) and even the Slenderman mythos. This resource in contemporary Gothic literature, film and television takes a thematic approach, providing insights into the many forms the Gothic has taken in the twenty-first century. The 20 newly commissioned chapters cover emerging and expanding research areas, such as digital technologies, queer identity, the New Weird and postfeminism. They also discuss contemporary Gothic monsters - including zombies, vampires and werewolves - and highlight Ethnogothic forms such as Asian and Black Diasporic Gothic.

Nosferatu in the 21st Century Simon Bacon, 2022-12-15 'Nosferatu' in the 21st Century is a celebration and a critical study of F. W. Murnau's seminal vampire film *Nosferatu, eine Symphonie des Grauens* on the 100th anniversary of its release in 1922. The movie remains a dark mirror to the troubled world we live in seeing it as striking and important in the 2020s as it was a century ago. The unmistakable image of Count Orlok has traveled from his dilapidated castle in old world Transylvania into the futuristic depths of outerspace in *Star Trek* and beyond as the all-consuming shadow of the vampire spreads ever wider throughout contemporary popular culture. This innovative collection of essays, with a foreword by renowned Dracula expert Gary D. Rhodes, brings together experts in the field alongside creative artists to explore the ongoing impact of Murnau's groundbreaking movie as it has been adapted, reinterpreted, and recreated across multiple mediums from theatre, performance and film, to gaming, music and even drag. As such, 'Nosferatu' in the 21st Century is not only a timely and essential book about Murnau's film but also illuminates the times that produced it and the world it continues to influence.

Cinema Detours Mike White, 2013-04-27 *Cinema Detours* is a collection of two-hundred and twenty movie reviews written over a period of six years and published in a miscellany of media, including: 'Detour Magazine', 'Detroit's Metro Times', 'Mondo Film & Video Guide', 'Wild Side Cinema', 'Daily Grindhouse', and more. These reviews have been collected to preserve them in an archival physical form to rescue them from the ephemeral nature of the net. Films in this collection are mostly off the beaten path, representing genres all over the map: Cult, Horror, Sci-Fi, Film Festival Flicks, Action Films, Superhero Movies and even a Czechoslovakian Musical Western. Get in, strap in, shut up, and hold on as we take a breakneck tour of the lesser traveled reaches of the cinematic landscape. Tighten your seat belt and read carefully because everything happens fast. You've never had a trip like this before.

Physarum Machines Andrew Adamatzky, 2010 A *Physarum* machine is a programmable amorphous biological computer experimentally implemented in the vegetative state of true slime mould *Physarum polycephalum*. It comprises an amorphous yellowish mass with networks of protoplasmic veins, programmed by spatial configurations of attracting and repelling gradients. This book demonstrates how to create experimental *Physarum* machines for computational geometry and optimization, distributed manipulation and transportation, and general-purpose computation. Being very cheap to make and easy to maintain, the machine also functions on a wide range of substrates and in a broad scope of environmental conditions. As such a *Physarum* machine is a 'green' and environmentally friendly unconventional computer. The book is readily accessible to a nonprofessional reader, and is a priceless source of experimental tips and inventive theoretical ideas for anyone who is inspired by novel and emerging non-silicon computers and robots. An account on *Physarum* Machines can be viewed at <http://www.youtube.com/user/PhysarumMachines>.

Fact and Fiction in Contemporary Narratives Jan Alber, Alice Bell, 2021-05-11 This book explores the complex interrelationship between fact and fiction in narratives of the twenty-first century. Current cultural theory observes a cultural shift away from postmodernism to new forms of expression. Rather than a radical break from the postmodern, however, postmodernist techniques are repurposed to express a new sincerity, a purposeful self-reflexivity, a contemporary sense of togetherness and an associated commitment to reality. In what the editors consider to be one

manifestation of this general tendency, this book explores the ways in which contemporary texts across different media play with the boundary between fact and fiction. This includes the examination of novels, autobiography, autofiction, film, television, mockumentary, digital fiction, advertising campaigns and media hoaxes. The chapters engage with theories of what comes after postmodernism and analyse the narratological, stylistic and/or semiotic devices on which such texts rely. The chapters in this book were originally published as a special issue of the European Journal of English Studies.

International Perspectives on Business Innovation and Disruption in the Creative Industries Robert DeFillippi, Patrik Wikström, 2014-07-31 This volume examines how disruptive innovations are reshaping industry boundaries and challenging conventional business models and practices in the industries for film, video and photography.

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, Explore **Jemaine Clement**.
