*Where Have All the Boys Gone?* Jenny Colgan, 2020-01-07 From New York Times bestselling author Jenny Colgan comes this hilarious romance about a woman who trades in the comforts of city life in hopes of finding love in a small Scottish town in the middle of nowhere. Faced with the harsh reality that there are 25,000 more women than men in London, Katie's dating prospects are at an all-time low. While she's glad it's not a man's world anymore, it wouldn't hurt if there were more eligible bachelors. More likely to get murdered than married, according to gleeful media reports, Katie resigns herself to the fact that there's no sex in the city for her and decides to head for the hills—or the Scottish Highlands to be exact. Despite the fact she's never been one for muddy rain boots—and Fairlie is in the middle of nowhere—the tiny town does have one major draw: men. LOTS of them! But while Katie relishes the chance to do battle with armies of admirers, she's not excited about going head to head with her shady new boss, Harry. At least there's the local eye-candy to distract her, including gorgeous newshound Iain. But he is at loggerheads with Harry, and she can't afford to get on Harry's bad side any more than she already has. Life in the country might not be one big roll in the hay, but now that Katie has taken the plunge, can she ever turn her back on the delights of Fairlie and return to city life...?

*The Bookshop on the Shore* Jenny Colgan, 2019-06-25 A grand baronial house on Loch Ness, a quirky small-town bookseller, and a single mom looking for a fresh start all come together in this witty and warm-hearted novel by New York Times bestselling author Jenny Colgan. Desperate to escape from London, single mother Zoe wants to build a new life for herself and her four year old son Hari. She can barely afford the cramped studio apartment on a busy street where shouting football fans keep them awake all night. Hari's dad, Jaz, a charismatic but perpetually broke DJ, is no help at all. But his sister Surinder comes to Zoe's aid, hooking her up with a job as far away from the urban crush as possible: a bookshop on the banks of Loch Ness. And there's a second job to cover housing: Zoe will be an au pair for three children at a genuine castle in the Scottish Highlands. But while Scotland is everything Zoe dreamed of—clear skies, brisk fresh air, blessed quiet—everything else is a bit of a mess. The Urquhart family castle is grand, but crumbling, the childrens' single dad is a wreck, and the kids have been kicked out of school and left to their own devices. Zoe has her work cut out for her, and is determined to rise to the challenge, especially when she sees how happily Hari has taken to their new home. With the help of Nina, the friendly local bookseller, Zoe begins to put down roots in the community. Are books, fresh air, and kindness enough to heal this broken family—and her own...?

It's summer, but an American production company has decided that McCredie's is the perfect location to film a very cheesy Christmas movie. After all, who can resist the charmingly narrow historic street with its Victorian grey stone buildings and warmly lit shop windows? Carmen Hogan, the bookshop's manager, is amused and a bit horrified by the goings-on, but the money the studio is paying is too good to pass up. She uses the little windfall from filming to create new displays and fend off a buyout offer from an obnoxious millionaire who wants to turn McCredie's into a souvenir shop selling kilts made in China and plastic Nessies. Still reeling slightly from a breakup, Carmen's not particularly looking forward to the holidays. But just as snow begins to fall and the lights of Christmas blink on, all sorts of lovely new possibilities present themselves...for McCredie's bookstore, and for Carmen herself.
