I Hope This Helps Tommy Siegel, 2020-10-06 The author and artist shares 200+ comics, essays, and guides to coping with twenty-first-century panic: "an absurdist take on the anxieties of the internet era" (CBR). With comics titled "Choose your social anxiety coping mechanism" and "What your coffee drink of choice says about you," Tommy Siegel offers clever and sardonic commentary on our social media-driven culture, as well as a series of devastatingly funny relationship comics starring his popular Candy Hearts characters. Siegel's comics began as doodles in the back of a van while he toured as a rock musician. They quickly earned a viral global fanbase and shout-outs from cultural heavyweights including Ringo Starr, Tim Heidecker, Vic Berger, and Alexandria Ocasio-Cortez. With a perfect balance of absurd humor and

insightful writing, *I Hope This Helps* outlines the journey from the author's earliest "van doodles" to the socially-distanced awkwardness of today.

More Than Houses Millard Fuller, 1999-10-05 In these pages you will find inspiring, true stories of people who didn't have hope until they had a home. Stories of children who gained identity and confidence for their future. Of families made stronger and healthier and prison inmates who are now giving back to their communities. Of entire communities bonding together around an ethic of hard work and mutual respect. Of denominational, political, and racial barriers falling with every swing of the hammer. Of a growing host of young people engaged in the quest to end poverty housing. And even some wonderful love stories. The end result is nothing less than the transformation of lives, communities, and families—one person, one home at a time. Which, of course, has always been the dream—to build more than houses. Habitat for Humanity is building much more than houses. By building hope it is building relationships, strengthening communities, and nurturing families. Actor Paul Newman, Habitat supporter Rosalynn and I believe in Habitat's integrity, effectiveness, and tremendous vision. With Habitat, we build more than houses. We build families, communities, and hope. Former U.S. President Jimmy Carter I could have gone through my whole life bouncing back and forth on welfare. Habitat makes a difference, and allows people to be what God intended them to be instead of what their circumstances dictate. Missouri homeowner Terrie Robinson

Inside Out David Henderson,2016-11-02 This book is written for my sons and is a patchwork of my thoughts, prayers, journal entries, and emails. These emails, etc. were written to family, friends, and the youth group students I have had the privilege of getting to know and love for the past 25 years. Some of the questions I get are about creation/evolution, the deity of Christ, the end times as well as personal issues such as sexual purity, and how to live a holy life. Part of the book is also about the journey God has brought me through in my personal life. My hope is that however God uses this book, that it pleases and glorifies Him.

Using Writing as a Therapy for Eating Disorders June Alexander,2016-07-01 Using Writing as a Therapy for Eating Disorders: The diary healer uses a unique combination of evidence-based research and raw diary excerpts to explain the pitfalls and benefits of diary writing during recovery from an eating disorder. In a time when diary writing remains a largely untapped resource in the health care professions, June Alexander sets out to correct this imbalance, explaining how the diary can inspire, heal and liberate, provide a learning tool for others and help us to understand and cope with life challenges. The book focuses on the power of diary writing, which may serve as a survival tool but become an unintended foe. With guidance, patients who struggle with face-to-face therapy are able to reveal their thoughts through writing and construct a strong sense of self. The effects of family background and the environment are explored, and the therapeutic value of sharing diaries, to better understand illness symptoms and behaviours, is discussed. Using Writing as a Therapy for Eating Disorders will be of interest to those who have recovered or are recovering from eating disorders or any mental illness, as well as therapists, clinicians and others working in the medical and healthcare professions.

Zyla & Kai Kristina Forest,2022-06-07 A fresh love story about the will they, won't they—and why can't they—of first love. While on a school trip to the Poconos Mountains (in the middle of a storm) high school seniors, Zyla Matthews and Kai Johnson, run away together leaving their friends and family confused. As far as everyone knows, Zyla and Kai have been broken up for months. And honestly? Their break up hadn't surprised anyone. Zyla and Kai met while working together at an amusement park the previous summer, and they couldn't have been more different. Zyla was a cynic about love. She'd witnessed the dissolution of her parents' marriage early in life, and it left an indelible impression. Her only aim was graduating and going to fashion school abroad. Until she met Kai. Kai was a serial dater and a hopeless romantic. He'd put a temporary pause on his dating life before senior year to focus on school and getting into his dream HBCU. Until he met Zyla. Alternating between the past and present, we see the

love story unfold from Zyla's and Kai's perspectives: how they first became the unlikeliest of friends over the summer, how they fell in love during the school year, and why they ultimately broke up... Or did they? Romantic, heart-stirring, and a little mysterious, Zyla & Kai will keep readers guessing until the last chapter.

The Scent of Rain Kristin Billerbeck, 2012-08-06 Could it be that the life Daphne's always wanted is right under her nose? Daphne Sweeten left Paris—and a job she loved—to marry the man of her dreams in the U.S. But when he stands her up on their wedding day, she's left reeling and senseless. Literally. She's been trained as a perfume creator and now her sense of smell has disappeared along with her fiancé. She has to figure out why her nose isn't working, fix it, and get back to Paris. Meanwhile, she'll rely on her chemistry skills and just hope her new boss at Gibraltar Products, Jesse, doesn't notice her failing senses. They'll be working together on household fragrances, not posh perfumes. How hard can it be? As Daphne and Jesse work on a signature scent for their new line, she feels God at work as never before. And the promise of what's possible is as fresh as the scent of rain. “Witty and upbeat” —Library Journal

MASH Doctor in Vietnam Reuel S. Long, M.D., 2022-11-18 Reuel Long's experiences as an MD in the emergency rooms of Flint, Michigan, prepared him for only some of what he would see in a mobile army surgical hospital. Antiwar sentiment among the doctors in basic training at Fort Sam Houston set the tone for his tour as a general medical officer. In March 1971, the 27th MASH played a critical role treating survivors of the deadliest attack on any firebase during the Vietnam War. Long's vivid memoir recalls the casualties he cared for during the war, including one he crossed paths with 44 years later—who in his own words describes his rehabilitation from the loss of his legs and his protesting the war from a wheelchair. An addendum gives an insider's account of the U.S. military's failure to remedy a fatal design flaw in the M16 rifle, which caused an unknown number of American casualties.
