

Jester

James Patterson, Andrew Gross

Fools Are Everywhere Beatrice K. Otto, 2001-04 In this lively work, Beatrice K. Otto takes us on a journey around the world in search of one of the most colorful characters in history—the court jester. Though not always clad in cap and bells, these witty, quirky characters crop up everywhere, from the courts of ancient China and the Mogul emperors of India to those of medieval Europe, Africa, the Middle East, and the Americas. With a wealth of anecdotes, jokes, quotations, epigraphs, and illustrations (including flip art), Otto brings to light little-known jesters, highlighting their humanizing influence on people with power and position and placing otherwise remote historical figures in a more idiosyncratic, intimate light. Most of the work on the court jester has concentrated on Europe; Otto draws on previously untranslated classical Chinese writings and other sources to correct this bias and also looks at jesters in literature, mythology, and drama. Written with wit and humor, *Fools Are Everywhere* is the most comprehensive look at these roguish characters who risked their necks not only to mock and entertain but also to fulfill a deep and widespread human and social need.

The Jester James Patterson, Andrew Gross, 2003-03-03 Hugh De Luc returns from the Crusades to find his son killed, his wife kidnapped, and his town gutted in the search for a priceless relic . . . and now, he must fight to save everything he holds dear. Arriving home disillusioned from the Crusades, Hugh DeLuc discovers his village has been ransacked and his wife abducted. The dark riders came in the dead of night, like devils, wearing no colours but black crosses on their chests. They search for a relic, one worth more than any throne in Europe, and no man can stand in their way. But now, disguised

as a jester, Hugh is able to infiltrate the castle where he believes his wife is being held captive. When a man is fighting for freedom, for his wife, and for everything he holds dear, he's a worthy opponent . . . maybe even unstoppable. With the rapid pace of a page-turning thriller, The Jester is a breathtaking adventure. Full of pulse-pounding plot twists and mysteries, Hugh's quest to find Sophie is one of the most unforgettable love stories in all of fiction.

The Jester James Patterson, Andrew Gross, 2003

Bufón Ha Perdido Su Gracia David Saltzman, 2012 When they discover that laughter is missing from their kingdom, a jester and his helpmate set out on a quest to find it.

The Jester's Sword Annie Johnston, 2017-09-05

The Sublime Jester Ezra S. Brudno, 2023-09-11 Reproduction of the original.

The Jester (Classic Reprint) Leslie Moore, 2017-09-16 Excerpt from The Jester I believe that the ordering of a man's destiny lies not with the stars, but with One Who holds the universe in the Hollow of His Hand. Lisette, wife of Nichol the Jester, gave how ever full credence to the sage, a credence equal to that she gave to the dogmas of Holy Church, therein showing herself illogical after the manner of women, since our Mother the Church has ever bade us have no dealing with omens, dreams, the riddle of the stars, and such-like fooleries. Despite this, and having given, as we have seen, credulous ear to the sage's prophecy, she named the boy Peregrine. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original

format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Jester Leslie Moore, 2009-04 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Secret Life of the Corporate Jester David T. Riveness, 2006-07 In the early 12th century, members of the Chinese royal court found themselves surrounded by advisors who mirrored only their own perspectives. Out of fear and complacency, few of these advisors challenged accepted wisdom, questioned

the status quo, or voiced their concerns. Insightful leaders realized this denied them critical access to the reality about themselves and their organizations. Court jesters, however, free from conventional restraints and fears, began to supply truth in very clever ways, thereby opening up new perspectives, insights, ideas and options for those leaders they attended. Today, more than ever, individuals are searching for ways to positively contribute to organizational leadership, culture and behavior. To do that successfully, they need insight into organizational truth as well as strategies to reveal that truth to others in a way that does not cause defensiveness or resistance. Jesters are needed as much today just as they were in the courts of old. David Riveness, in his insightful and entertaining book *The Secret Life of the Corporate Jester*, reveals how to adopt and apply a ?jester's perspective.? The perspective and behaviors of a jester can be understood and adopted by anyone regardless of his or her organization, role or position. Those who apply what they learn from this book can wield significant influence and bring about remarkable positive change. David Riveness is the founder and CEO of Corporate Jester, an organization created to assist individuals and organizations learn, develop and apply strategies for success. As part of this role, he delivers personalized keynote addresses, learning sessions and coaching for companies, organizations, and individuals. Prior to founding Corporate Jester, David served as the Director of Global Facilitations for Eagle's Flight, a worldwide innovator in the development and delivery of practical training programs for organizations. While at Eagle's Flight, he facilitated and implemented training programs with such industry leaders as Warner Bros., NIKE, ESPN, Pfizer, The American Heart Association and Citibank on a variety of topics relating to

organizational and individual effectiveness. David has hosted dynamic training workshops and speaking engagements ranging from small groups to large workshops with 3,500 attendees. He has worked as a facilitator and speaker around the world, including such diverse locations as India, China and Brazil

Jester in the Court of the Suicide King Jack Voller, 2017-12-27 Born on the cusp of the Renaissance with a keen wit and a preternatural ability to see into the hearts and minds of others, a kennelmaster's son fortuitously acquires a nobleman's education and soon finds himself Court Jester - and trusted confidante - of his country's monarch. It was the fulfillment of his greatest ambition - until he met the Queen. Confounded by passions beyond his control, the Jester struggles to create a life in the in-between space he feels doomed to inhabit. And then his world is torn apart....
