Anime Tarot Natasha Yglesias,2022-07-12 Embrace and deepen your understanding of the spiritual and intuitive power of tarot cards using your favorite modern anime characters and symbols. While tarot has been around for years, it's seen a grand revival among those eager to learn how the cards can nurture intuition and spirituality in more creative, modern ways. And what better way to do that than by combining the classic symbolism of tarot with the fun and consistently appearing archetypes in anime? Whether it's The Empress, a card representing femininity, beauty, nurturing, and abundance, being represented through the Yamato Nadeshiko character archetype, which is the epitome of purity, poise, kindness, and honesty; or The Hermit, a card linked to solitude, soul-searching, and withdrawal being linked to the Hikikomori archetype, the modern-day hermits that rely heavily on technology, social media, video games, and other forms of distanced communication and entertainment to get by, we all have an unrealized version of our true potential lying in wait, and what better way to see this potential than through our favorite anime characters. Linking these anime characters and genre theory, tropes, and archetypes to the classic symbolism of the major and minor Arcana, Anime Tarot helps you engage and deepen your understanding of your inner world.

**Thoughts about Nothing!** Eve Adams; Penelope James,2011-01-10 When I was four years old, I witnessed someone kill a sick family pet (a rabbit). Ever since, I have wondered about meaning: what it means to live; what it means to die; what it means to care about either. I've come up with very few answers—probably zero. But I think that I have come to glean a little understanding as to how things work, although I suppose I will never know why they work as they do. This novel is an attempt to organize those "gleanings," and show some of the more poignant manifestations of them. Besides them, I've got nothing!

**Dororo** Osamu Tezuka, 2020-08-18 Previously published in three installments, the entire run of comic master Osamu Tezuka's enduring classic is herewith available in one volume at a new affordable price. The lauded adventures of a young swordsman and his rogue sidekick that also inspired the cult video game Blood Will Tell have never been as accessible. A samurai lord has bartered away his newborn son's organs to forty-eight demons in exchange for dominance on the battlefield. Yet, the abandoned infant survives thanks to a medicine man who equips him with primitive prosthetics - lethal ones with which the wronged son will use to hunt down the multitude of demons to reclaim his body one piece at a time, before confronting his father. On his journeys the young hero encounters an orphan who claims to be the greatest thief in Japan. Like an unforgettable road movie, Dororo reaches deeper than its swashbuckling surface and offers a thoughtful allegory of becoming what one is, for nobody is born whole.

**Life Lived Twice** Wouters, 2014-03-31 Life Lived Twice -By Sherrie Wouters Some promises are made to last forever ... What if you fell in love with a stranger ... but that stranger had come from your past, a past you never knew existed until the moment your eyes met? When Tess Winters locks eyes with a stranger at an airport bookstore, it ignites a feeling of passion somewhere deep inside her that she can't explain. Although the encounter is innocent and brief, the intensity of it lingers, leaving her overwhelmed by a yearning for the mystery man now consuming her every thought. Struggling to break the powerful hold he has over her heart, Tess starts to experience strange but familiar dreams...dreams from the turn of the twentieth century of the charming Mr Addison Taylor. As her dreams start to materialize into reality, and past and present begin to blur, Tess is forced to put the pieces of a forgotten time together, and soon discovers that love isn't the only thing that can find you after an eternity. Captivating, mysterious, and romantic, Life Lived Twice will leave you wondering whether love is so powerful it could last more than a lifetime.

Raised in scandal, Lord Michael de Grey is convinced that love is a losing gamble—and seduction the only game worth playing. But when duty threatens to trump everything he desires, the only way out is marriage to a woman of his brother's choosing. Elizabeth Chudderley is delightful, delicious—and distressingly attractive.
