Shine! J.J. Grabenstein, Chris Grabenstein, 2021-09-14 Everyone deserves to shine in this sparkling book about a girl who's trying to find her place in the universe--and middle school--from the New York Times bestselling author of *Escape from Mr. Lemoncello's Library*! Shine on! might be the catchphrase of twelve-year-old Piper's hero--astronaut, astronomer, and television host Nellie Dumont Frisse--but Piper knows the truth: some people are born to shine, and she's just not one of them. That fact has never been clearer than now, when her dad's new job has landed them both at Chumley Prep, a posh private school where everyone seems to be the best at something and where Piper definitely doesn't fit in. Bursting with humor, heart, science, possibilities, and big questions, *Shine!* is a story about finding your place in the universe--a story about figuring out who you are and who you want to be. BONUS! Science experiment included!

No Place to Call Home JJ Bola,2018-06-05 A tale of love, loss, identity, and belonging, *No Place to Call Home* tells the story of a family who fled to the United Kingdom from their native Congo to escape the political violence under the dictator, Le MarÃ©chal. The young son Jean starts at a new school and struggles to fit in. An unlikely friendship gets him into a string of sticky situations, eventually leading to a suspension. At home, his parents pressure him to focus on school and get his act together, to behave more like his star-student little sister. As the family tries to integrate in and navigate modern British society while holding on to their roots and culture, they meet Tonton, a womanizer who loves alcohol and parties. Much to Jean's father's dismay, after losing his job, Tonton moves in with them. He introduces the family—via his church where colorful characters congregate—to a familiar community of fellow country-people, making them feel slightly less alone. The family begins to settle, but their current situation unravels and a threat to their future appears, while the fear of uncertainty remains.

Between Harlem and Heaven Alexander Smalls,JJ Johnson,Veronica Chambers,2018-02-06 Winner of the James Beard Award for Best American Cookbook
“Between Harlem and Heaven presents a captivatingly original cuisine. Afro-Asian-American cooking is packed with unique and delicious layers of flavor. These stories and recipes lay praise to the immense influence the African Diaspora has had on global cuisine.” — Sean Brock “This is more than just a cookbook. Alexander and JJ take us on a culinary journey through space and time that started more than 400 years ago, on the shores of West Africa. Through inspiring recipes that have survived the Middle Passage to seamlessly embrace Asian influences, this book is a testimony to the fact that food transcends borders. — Chef Pierre Thiam In two of the most renowned and historic venues in Harlem, Alexander Smalls and JJ Johnson created a unique take on the Afro-Asian-American flavor profile. Their foundation was a collective three decades of traveling the African diaspora, meeting and eating with chefs of color, and researching the wide reach of a truly global cuisine; their inspiration was how African, Asian, and African-American influences criss-crossed cuisines all around the world. They present here for the first time over 100 recipes that go beyond just one place, taking you, as noted by The New Yorker, “somewhere between Harlem and heaven.” This book branches far beyond soul food to explore the melding of Asian, African, and American flavors. The Afro Asian flavor profile is a window into the intersection of the Asian diaspora and the African diaspora. An homage to this cultural culinary path and the grievances and triumphs along the way, Between Harlem and Heaven isn’t fusion, but a glimpse into a cuisine that made its way

into the thick of Harlem's cultural renaissance. JJ Johnson and Alexander Smalls bring these flavors and rich cultural history into your home kitchen with recipes for... - Grilled Watermelon Salad with Lime Mango Dressing and Cornbread Croutons, - Feijoada with Black Beans and Spicy Lamb Sausage, - Creamy Macaroni and Cheese Casserole with Rosemary and Caramelized Shallots, - Festive punches and flavorful easy sides, sauces, and marinades to incorporate into your everyday cooking life. Complete with essays on the history of Minton's Jazz Club, the melting pot that is Harlem, and the Afro-Asian flavor profile by bestselling coauthor Veronica Chambers, who just published the wildly successful *Yes, Chef* by Marcus Samuelsson, this cookbook brings the rich history of the Harlem food scene back to the home cook.

Tami Hoag, 2009-05-19 In this romantic, funny, and heartwarming classic novel, #1 New York Times bestselling author Tami Hoag poignantly captures one eventful summer in the life of a woman facing the ultimate relationship dilemma. She knew his type all too well: Jared Jay Hennessy was tall and handsome, a man who thought he was God's gift to women. From the pink flamingos dotting his front yard to the all-night boozy barbecues, he threatened to disrupt Genna's peaceful summer off from teaching. But beneath his carefree smile and teasing nature, J.J. was a man as serious about the future as he was about Genna. He'd come to this quiet Connecticut town to change his life, and he challenged Genna to help him become Mr. Right. It was a challenge she knew she'd be smart to refuse . . . and one J.J.

knew she couldn't resist.
