Junior Thomas Kemeny,2019-11-26 There are a lot of great advertising books, but none that get down in the dirt with you quite like this one. Thomas Kemeny made a career at some of the best ad agencies in America. In this book he shows how he got in, how he's stayed in, and how you can do it too. He breaks apart how to write fun, smart, and effective copy-everything from headlines to scripts to experiential activations-giving readers a lesson on a language we all thought we already knew. This book is not a retrospective from some ad legend. It's a book that should be instantly useful for people starting out. A guide for the first few years at a place you'd actually want to work. Traditionally, advertising books have been written by people with established careers, big offices and letters like VP in their titles. They have stories from the old days when people could start in the mailroom. They are talented. That's been done. Who wants another book filled with seasoned wisdom? This is a book written by somebody still getting his bearings. Someone who has made an extraordinary number of errors in a still short career. Someone who has managed to hang onto his job despite these shortcomings.

Japanese National Railways - Its Break-up and Privatization Yoshiyuki Kasai,2021-10-25 This is a rare look into the politics and economics of the largest and arguably most dramatic privatization undertaken in Japan. Yoshiuki Kasai, President of JR Central, guides readers through first-hand accounts of the history of JNR's break-up, the political and internal obstacles faced in the reform process, and the major lessons drawn through his experiences. At the end of the book Kasai is joined by Diethelm Sack and Sir Steve Robson in a discussion of major issues encountered in railway reforms in Japan, Germany and the UK.

Biology and Political Science Robert Blank,Samuel M. Hines Jnr.,2002-03-11 This book demonstrates the increasing interest of some social scientists in the theories, research and findings of life sciences in building a more interdisciplinary approach to the study of politics. It discusses the development of biopolitics as an academic perspective within political science, reviews the growing literature in the field and presents a coherent view of biopolitics as a framework for structuring inquiry across the current subfields of political science.

The Devil in the Junior League Linda Francis Lee,2010-04-01 The Junior League of Willow Creek, Texas, is tres exclusive. Undesirables need not apply. Fredericka Mercedes Hildebrand Ware (Frede to her friends) is a member beyond reproach...until her life begins to unravel. When her husband betrays her, steals her money, and runs off to places unknown, it's something Frede would rather keep under wraps. The last thing she needs is to become fodder for the JLWC gossip mill. And to make matters worse, there's only one person in town who stands a chance at helping her get revenge: Howard Grout, a tasteless, gold-chain-wearing lawyer who has bought his way into Frede's tony neighborhood. But there's a price: She has to get his tacky, four-inch-stiletto-and-pink-spandex-wearing wife Nikki into the Junior League. Linda Francis Lee has written an hysterical novel about the creme de la creme of Texas society, the lengths to which one woman goes to bring her cheating husband to justice, and how taking on what seems like a Mission Impossible can change you in ways you could never have imagined.

Squire's Warren Junior Military Band Janne Hurrelbrink-Bias,2017 Squire's Warren Junior Military Band had an emotional appeal that endeared it to audiences of all ages. Considered one of northeastern Ohio's richest artistic assets, the band's members, who hailed from the entire region, were filled with pride, tradition, patriotism, and a sense of discipline. The original VFW Boys Band was formed in 1927, with Donald W. Squire Hurrelbrink becoming director in 1930. In 1957, the name changed to the Warren Junior Military Band. Travels took the band from the East Coast to the West Coast, from Canada to the Gulf of Mexico, and to audiences abroad, amassing an impressive record of Midwest, Canadian, European, American Legion, and VFW National Championships. Throughout the years, the band performed at numerous prestigious events and for an impressive number of dignitaries, as well as a phenomenal number of local, civic, and patriotic festivities. Members were privileged to have Squire's leadership for 66 years. Alumni continued to lead, direct, and pass on the values they learned under Squire's guidance. Finally, in 2010, the band ended its long legacy.
