Love, Honor & Forgive Bill Farrel,Pam Farrel,2000-01-12 How can you stay in love with your spouse? Practice forgiveness. It's that simple. But it's also really difficult. Saying I'm sorry and meaning it may be one of the biggest challenges you've ever faced. But your marriage may depend on it. Bill and Pam Farrel write from many years of experience as counselors to engaged and married couples. Over and over again, they've seen that healthy and happy couples have learned the power of forgiveness. They've been able to understand and accept God's dramatic sacrifice of forgiveness in Jesus' death on the cross. And they've been able to offer that same kind of forgiveness to each other. In *Love, Honor & Forgive* the Farrels speak honestly about forgiveness in marriage, offering plenty of stories for thought and suggestions for action. You'll discover what forgiveness is and isn't how to find motivation to forgive when you're hurt or angry conversational techniques to help you ask for forgiveness tips for keeping the little things from turning into big ones steps to rebuilding trust with your spouse how to restore passion in your relationship after it's been damaged or broken the heavy toll bitterness takes--on you and your marriage how to forgive even when your spouse doesn't want forgiveness The Farrels offer honest, practical and motivating counsel to help you restore or grow the love in your marriage. Asking and offering forgiveness is at the center. It is possible. And here's how.

Encyclopedia of American Short Films, 1926-1959 Graham Webb,2020-07-13 Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

Medusa Clive Cussler,Paul Kemprecos,2009-06-02 Deep-sea explorer and government operative Kurt Austin must save the world from a deliberate viral outbreak in this thriller from the #1 New York Times-bestselling author In the Micronesian islands, a top-secret U.S. government-sponsored undersea lab conducting vital biomedical research on a rare jellyfish known as the Blue Medusa suddenly disappears. At the same time, off Bermuda, a bathysphere is attacked by an underwater vehicle and left helpless a half-mile below the surface, its passengers—including Zavala—left to die. Only Kurt Austin's heroic measures save them from a watery grave, but suspecting a connection, Austin puts the NUMA team on the case. Austin's team has no way to prepare for what comes next: a hideous series of medical experiments, an extraordinarily ambitious Chinese criminal organization, and a secret new virus that threatens to set off a worldwide pandemic. Austin and Zavala have been in tight spots before, but this time it's not just their own skins they're trying to save—it's the lives of millions. Filled with the high-stakes suspense and boundless invention that are unique to Cussler, *Medusa* is the most thrilling novel yet from the grand master of adventure.

Stars in the Ring: Jewish Champions in the Golden Age of Boxing Mike Silver,2016-03-04 For more than sixty years—from the 1890s to the 1950s—boxing was an integral part of American popular culture and a major spectator sport rivaling baseball in popularity. More Jewish athletes have competed as boxers than all other professional sports combined; in the period from 1901 to 1939, 29 Jewish boxers were recognized as world champions and more than 160 Jewish boxers ranked among the top contenders in their respective weight divisions. *Stars in the Ring*, by renowned boxing historian Mike Silver, presents this vibrant social history in the first illustrated encyclopedic compendium of its kind.
