Joel and Family Ted Louis,2007-06 Continuing the story where Joel: Escape from Abuse ended; several months have passed since Crane Johnson adopted five abused boys. They have settled into a somewhat normal family, if you can call a thirty year-old bachelor raising five active boys, ages 6 to 13, as normal. A serious, life-threatening illness strikes Joel. Crane strives to maintain the family unit, care for his sick son and run the consulting business he owns in San Antonio. The family has to temporarily relocate to Houston while Joel is in the hospital. The glue that holds the family together is their housekeeper and surrogate grandmother for the boys, Hildy. Along the way, other children in need cross the family's path and are helped to a better life. Crane's wealth allows him to solve most of the difficulties that come his way. The one exception is his social life. He is frustrated at every turn by family or business obligations. A near disaster happens when the family returns to San Antonio upon Joel's release from the hospital. The private jet Crane has chartered is forced to make an emergency landing. Each difficulty the family encounters strengthens the bonds that hold the family together.

The Book Of Joel Joel Carroll,2021-07-22 As a young man, I faced many adversities while struggling to find myself through a brutal nineteen-year war with drug and alcohol addiction, all the while suffering from anxiety, depression, and PTSD. During that war I was kidnapped, dodged a disturbing death on multiple occasions, suffered a minor stroke due to head trauma, and survived the internal warfare that almost ended with me taking my own life. Tormented by dark spirits and enlightened by the good, I was gifted to another opportunity at living a meaningful life. With God's underserving Grace and incomprehensible Mercy, I share my experience, strength, and hope with you, to prove recovery from addiction is not only 100% possible, but we can in turn, aid and assist our brothers and sisters in our communities. Joel Carroll is an advocate for men, women and children, who battle with drug addiction and suffer from mental illness. In 2013 he transformed his life, from an alcoholic and an addict, to a man who aids and assists others during their times of struggle. He also transformed from a liar and a thief, to an honest and giving man who loves his family dearly. After graduating from the Salvation Army of Tucson's six-month rehabilitation program, Joel has dedicated his life to serving God and the communities he once ravaged.

Read about the radical transformation of a dope smoking weirdo into a man of destiny. Excellent reading.” -- Patrick Russell “A great book of life, taking us on a roller coaster ride of the Spirit. Many laughs and many tears as you follow through the humor and pain. Very strong testimony that will win souls!” -- Buster Curtsinger

He also explores Joel’s creative transformation in the nineties, his dream performance with Paul McCartney at Shea Stadium in 2008, and beyond. Along the way, Schruers reveals the stories behind all the key events and relationships—including Joel’s high-profile marriages and legal battles—that defined his path to stardom and inspired his signature songs, such as “Piano Man,” “Scenes from an Italian Restaurant,” “New York State of Mind,” and “She’s Always a Woman.” Throughout, he captures the spirit of a restless artist determined to break through by sharing, in his deeply personal lyrics, the dreams and heartbreaks of suburban American life. Comprehensive, vibrantly written, and filled with Joel’s memories and reflections—as well as those of the family, friends, and band members who have formed his inner circle, including Christie Brinkley, Alexa Ray Joel, Jon Small, and Steve Cohen—this is the definitive account of a beloved rock star’s epic American journey.
