It's Not Me, It's Them Joel Dommett, 2018-02-08 'Effortless humour and bucketloads of charm. It's impossible not to be bowled over by the ending. Most definitely my favourite celebrity memoir in a long time. Brilliant.' - THE SUN **The hilarious debut from I'm A Celeb star Joel Dommett (Live at the Apollo, 8 Out of 10 Cats, Impractical Jokers), for fans of Joe Lycett, James Acaster and Sarah Millican** As a 17-year-old virgin working . . . for Virgin, Joel Dommett has grand ambitions. Firstly, he is going to swap suburbia for the bright lights of Showbiz. Secondly, he is going to find 'the one' in the first forty people he's going to sleep with. What follows is a series of disastrous romantic encounters, including carpets mistaken for toilets, futile grand gestures and the catfishing to end all catfishing. Featuring genuine teenage diary entries and told in Joel's trademark self-deprecating style, this is the brilliant first book from the UK's most exciting comedian.

Be Yourself and Happier Will Young, 2022-04-21 The Sunday Times Bestseller Navigating day-to-day life can be a tricky business. By the time we are adults, our experiences have formed our way of thinking and we have learned patterns of behaviour that are not always helpful. We must unravel these to understand, accept, nurture and allow ourselves to rise with our vulnerabilities, not in spite of them. After having a breakdown in 2011, Will Young went about the process of interrogating everything he thought he knew: how he formed his identity, what he relied on for self-esteem and how he behaved and communicated. Everything he has learned over the past ten years, he has now condensed into this easy to access A-Z guide. He digs into how everyday life can affect our wellbeing, how we can navigate our emotions, where they come from and how to create a balanced mindset, offering practical techniques we can all use to ground ourselves and set boundaries. With wit and wisdom and revealing his own vulnerabilities along the way, Will shows us how to identify destructive patterns, develop good mindful habits, be true to who we are and grow into better versions of ourselves.

The Idea of You Robinne Lee, 2017-06-13 Solène Marchand begins an impassioned affair with a member of her daughter's favorite boy band.

Bashment Rikki Beadle-Blair, 2017-09-28 Was it the music that made you do it? Did you chant lyrics while you beat his brains out? Did the preacher inspire you to despise people who fall in love without your permission? Where does the rage begin? He was white. And he was queer. And he was there. In our club. In our music. In our face. What's he expect? A kiss and a cuddle? An electrifying new play - hard-hitting, tender and painfully funny. About love, about hate - *Bashment* is a play for our times.

The Other Mother Jen Brister,2019-09-05 I'm Jen Brister: stand-up comedian, middle-aged adolescent, and mum. But not that mum - I'm the other one. 'Hysterical, important, moving, wonderful' Sara Pascoe Confused? Two years ago, my partner (a woman - we're not solicitors) gave birth to twins. (I know! Believe me, I'm still reeling myself.) Like every new parent, I had absolutely no clue what I was doing. Add 'gay' and 'non-biological' to the mix and what do you get? Not a weird box of detergent, but a panicked beige lesbian desperately googling, 'Will my babies love me?' at 3 a.m. A very funny, very honest look at parenting life, from IVF awfulness to crying over the pages of sleep training manuals. A perfect gift for any parent who feels they don't fit the mould of a traditional family. *LONGLISTED FOR THE POLARI PRIZE* 'Damned funny. You'll find the pages of this book brimming with rich and wonderful proof' Hannah Gadsby 'A side-splittingly honest look at the grim realities of same-sex parenting' Diva

Perfect Sound Whatever James Acaster,2019-08-22 *The Sunday Times Bestseller* The brand new memoir from James Acaster: cult comedian, bestselling author of Classic Scrapes, undercover cop, receiver of cabbages. PERFECT SOUND WHATEVER is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017 James Acaster wakes up heartbroken and alone in New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the year' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons' character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

Freedom and Equality Clare Chambers,2024-03-13 Should the state recognise gender? Can a liberal state discourage traditional family structures? Is women's sport compatible with equality of opportunity? Should feminists defend women's freedom to choose cosmetic surgery? Is genital cutting always wrong, or is it only wrong for girls? Freedom and Equality investigates the contours of feminist liberalism: a philosophical approach that is appealing but elusive. Its hallmark is a liberalism that prioritises equality and individual autonomy, while offering a rigorous critique of using individuals' choices as the measure of justice. Liberalism without feminism prioritises individual choice, a strategy that has played a crucial role in the liberal defence of freedom against authoritarianism and conformity. However, as feminism shows, relying on individual choice is insufficient to render an outcome just, because people often choose things that harm or disadvantage themselves. From beauty norms to the gendered division of labour, from marriage to religion, women and men choose to arrange their lives in ways that perpetuate inequality. Often, these choices are made in response to social norms, including unjust, unequal, or harmful norms. It follows that relying on individual choice as a measure of justice actually leaves unjust social structures intact. Any defender of autonomy and equality must be prepared to criticise individuals' choices while prioritising individual choosers. The essays in this collection cover a wide range of issues fundamental to liberalism, to feminism, and to their intersection. They explore the foundational philosophical concepts of choice, equality of opportunity, ideology, and the state, and they engage directly with key political controversies, including women's sport, the state recognition of gender, the regulation of cosmetic and cultural surgeries, and state action to secure equality in the family. Clare Chambers argues that feminist liberalism is both possible and necessary. It is possible because the two doctrines of feminism and liberalism are compatible, their fundamental values of freedom and equality aligned. But feminism is necessary because liberalism has shown that it is simply not up to the task of securing gender equality and women's liberation alone.

James Acaster's Guide to Quitting Social Media James Acaster,2022-08-18 THE SUNDAY TIMES BESTSELLER This is a self-help book like no other. Because you are not helping yourself, James Acaster is helping you. In 2019, James quit all forms of social media - covering his phone in tar and driving it to a lock-up in Rhyl, before setting up home in a castle he'd built himself called Castle Anti-Net. But when the withdrawal symptoms hit him, he realised in order to stay clean he'd have to replace everything social media gave him with three-dimensional, real-life activities. Employing the help of a mysterious, wealthy benefactor named Clancy Dellahue, and an ever-growing gang of misfits (aka the Tangfastic Crew), James found ways to replace his online friends (he joined the scouts) and spy on his exes (climbing ropes, zip lines, fake moustache) as well as anonymously bullying strangers, seeing photos of everyone's dogs, getting public figures fired, arguing with everybody about everything, and so much more. His life is amazing and yours could be too if you buy JAMES ACASTER'S GUIDE TO QUITTING SOCIAL MEDIA, BEING

THE BEST YOU YOU CAN BE AND SAVING YOURSELF FROM LONELINESS VOL. 1.

Have A Little Faith The Reverend Kate Bottley,2023-09-14 'Thank God for Kate and this book' Dawn French 'Kate's natural warmth, wit and wisdom shines through every page' Sara Cox ***** Hello there, come on in. Firstly, I know what you're thinking, 'I'm not religious so I'm not sure if this is for me' but, the truth is, we can all benefit from having a little faith and it will look different to each of us. Granted, some of the stories about a man who can walk on water and come back from the dead are anything but normal, but the point isn't about what we believe in, it's about believing in something. It's what humans have always done, it's in our DNA, because having faith in something makes us feel connected. It makes us feel like we matter. Faith means we are in it together, that we believe we will be OK. So, yes, this book is about faith, but it's also about being human, because believing in things is just part of our existence. Wherever you sit on the faith spectrum, I'm here to tell you it's okay. You don't have to sign up to all of something to get something out of some of it. You don't have to like every song on the album. My belief has guided me through life's ups and downs, and I hope that sharing what I've learned will help you face your own challenges armed with hope, and plenty of lasagne. Love, Kate x
