

John

John A. T. Robinson

The Gospel According to John ,1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

John Derian Picture Book John Derian,2016-10-04 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

The Book of John John T. Long,2019-05-03 Through his personal experiences John shows how he ultimately reached that place of peace and understanding that the world can neither give nor take away. Rather than meditating in a cave for twenty years, John has taken life head on in outrageous and sometimes unbelievable experiences that led to his awakening. This book reads like Hunter S. Thompson, Wayne Dyer and Jesus debating the meaning of life while bungee jumping blindfolded out of an Apache helicopter backwards and eating sushi together. The reader will be shocked, crying and then laughing uncontrollably over his strange and wonderful life full of hardship, supernatural experiences and spiritual epiphanies. The story moves along at a good pace, and just when the reader thinks that he/she knows what is going to happen next, something out of the blue occurs. Lots of suspense and surprise and wonder. John tells the story in the present tense. That gives it a sense of immediacy. The humorous touches throughout are great! They balance out the sad stories in a yin-yang kind of way. John's voice in the prose is clear and persuasive. The reader can hear him saying these words sitting as if right next to them. Too many writers try to generate an "authorial" voice and end up sounding contrived. This book, on the other hand, clearly comes from the heart. It peels back layers of mystery yet never goes so far afield that the reader cannot follow. It is a journey the reader will love taking! This book will kick off the reader's year in the right direction, leaving them feeling uplifted, lighter, and exploding into a million pieces of joy! • Identify subconscious programs running in the background of your mind. • Delete those programs. • Install a new operating system.

The Secret Book of John ,2012-12-14 This ancient Gnostic text can be a companion for your own spiritual quest The Secret Book of John is the most significant and influential text of the ancient Gnostic religion. Part of the library of books found in Nag Hammadi, Egypt, in 1945, this central myth of Gnosticism tells the story of how God fell from perfect Oneness to imprisonment in the material world, and how by knowing our divine nature and our divine origins—that we are one with God—we reverse God's descent and find our salvation. The Secret Book of John: The Gnostic Gospel—Annotated & Explained decodes the principal themes, historical foundation, and spiritual contexts of this challenging yet fundamental Gnostic teaching. Drawing connections to Christianity, Buddhism, Hinduism, kabbalistic Judaism, and Sufism, Davies focuses on the mythology and psychology of the Gnostic religious quest. He illuminates the Gnostics' ardent call for self-awareness and introspection, and the empowering message that divine wholeness will be restored not by worshiping false gods in an illusory material world but by our recognition of the inherent divinity within ourselves. Now you can experience and understand this foundational teaching even if you have no previous knowledge of Gnosticism. This SkyLight Illuminations edition presents the most important and valued book in Gnostic religion with insightful yet unobtrusive commentary. It provides deeper insight into the understanding that in Gnosticism the distinction between savior and saved ceases to exist—you must save yourself and in doing so save God.

Gospel of Mark (2nd Edition) Alabaster Co,2020-07-20

The Book of John Lin Johnson,2006-11-12 No other book in the Bible presents Jesus Christ and his ministry more clearly than the Book of John. No other guide makes his ministry more understandable than The Smart Guide to the Bible: The Book of John. Walk with Jesus as he recruits the twelve disciples. Sit down on the hillside and listen as he teaches the parables. Watch as Jesus performs miracle after miracle. And at every step along the way, understand the critical concepts and life-changing lessons Jesus wants you to learn. The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God's word for everyday Bible readers. Every page contains handy features or learning aids like these: cross-references to other Scriptures brief commentaries from experts points to ponder the big picture of how passages fit with the entire Bible practical tips for applying biblical truths to life simple definitions of key words and concepts interesting maps, charts, and illustrations wrap-ups of each biblical passage study questions Whether you're new to the Bible, a long-time student of Scripture, or somewhere in between, you'll appreciate the many ways The Smart Guide to the Bible: The Book of John goes far beyond your typical Bible study tool. The practical, relevant helps on each page lead you to get the most out of God's word.

John Cynthia Lennon,2012-02-16 Cynthia and John Lennon's relationship spanned ten crucial years of the Beatles phenomenon. But as well as new insight into the Beatles years, Cynthia has a compelling personal story of marriage, motherhood and the man who was to become the most idolised and admired of all the Beatles. Cynthia is candid about the cruel and the loving sides of John. She tells of the end of their marriage and the beginning of his relationship with Yoko Ono in more detail than ever before, and reveals the many difficulties estrangement from John - and then his death - brought for herself and Julian. Cynthia is a remarkable survivor and this is her extraordinary story and unique insight into a man loved and idolised all over the world.

The Priority of John John A. T. Robinson,2011-03-01 It has been the fate of many books on John to be left unfinished, for its interpretation naturally forms the crowning of a lifetime. I have myself been intending to write a book on the Fourth Gospel since the 'fifties, before I broke off (reluctantly) to be Bishop of Woolwich, though I am grateful now that I did not produce it prematurely at that time. It means however that I shall be compelled to refer to and often recapitulate material directly or indirectly related to the Johannine literature, which I have written over the years (some of it indeed while I was bishop). Many scholars in fact, if not most now, think that the author of the Gospel himself never lived to finish it and have seen the work as the product of numerous hands and redactors. As will become clear, I prefer to believe that the ancient testimony of the church is correct that John wrote it 'while still in the body' and that its roughnesses, self-corrections and failures of connection, real or imagined, are the result of its not having been smoothly or finally edited. If so I am in good company. At

any rate who could wish for a better last testimony from his friends than that 'his witness is true' (John 21.24)? In other words, he got it right--historically and theologically. --from the Introduction At the time of his death in December 1983, John Robinson had completed the text of the book on which his 1984 Bampton lectures were to be based, so that it is possible to see the full details of his extremely controversial argument that the Gospel of John was the first Gospel to be written. Dr. Robinson himself once described the dawning of his conviction that this was the case as a 'Damascus Road experience', and his presentation of the evidence is made with all the customary vigor with which he would argue for something in which he deeply believed. The objections which need to be overcome to stand on its head what has long been one of the fundamental assumptions of New Testament scholarship are substantial, but here once again Dr. Robinson shows that so much of what is taken as established fact in that area is no more than preference and presumption. Certainly he will provoke rethinking on a whole series of topics, from the chronology of Jesus' ministry to the nature of his teaching. As The Listener said of the equally controversial Redating the New Testament: The greatest pleasure Dr. Robinson gives is purely intellectual. His book is a prodigious virtuoso exercise in inductive reasoning and an object lesson in the nature of historical argument and historical knowledge. This sequel equals, if not excels, its predecessor in those respects and is a fitting tribute to a brilliant New Testament scholar. The manuscript was prepared for publication by Dr. Chip Coakley, Dr Robinson's pupil, now Lecturer in Religious Studies in the University of Lancaster.

Expository Thoughts on the Gospels John Charles Ryle,1860

Iron John Robert Bly,2004-07-28 In this deeply learned book, poet and translator Robert Bly offers nothing less than a new vision of what it is to be a man.Bly's vision is based on his ongoing work with men and reflections on his own life. He addresses the devastating effects of remote fathers and mourns the disappearance of male initiation rites in our culture. Finding rich meaning in ancient stories and legends, Bly uses the Grimm fairy tale Iron John, in which the narrator, or Wild Man, guides a young man through eight stages of male growth, to remind us of archetypes long forgotten-images of vigorous masculinity, both protective and emotionally centered.Simultaneously poetic and down-to-earth, combining the grandeur of myth with the practical and often painful lessons of our own histories, Iron John is a rare work that will continue to guide and inspire men-and women-for years to come.

Elis and John Present the Holy Vible Elis James,John Robins,2018-10-18 The Elis James and John Robins' Show has become cult listening, and that cult has registered for charitable status, published quarterly accounts and been given a full blessing by the Archbishop of Broadcasting. It's official: Elis and John are a religion, and this book is their Holy Vible. Have you ever failed to Keep It Session? Is your new flatmate a complete coin? Have you ever eaten Space Raiders on the toilet and written 'Grief Is Living' in your journal? Then this book is for you. If not, don't worry, it won't be long before you're making up games, looking at Freddie, or facing your own personal farthing-gate. Our obsessions make us what we are, and though you may never have addressed a will to Brian May or cried watching Ronnie O' Sullivan make a 147, you'll have done something similar, and Elis and John are here to tell you that you're not weird, so come on in, and taste the vibe! Or should I say, READ the vibe!

John the Posthumous Jason Schwartz,2013-08-01 John the Posthumous exists in between fiction and poetry, elegy and history: a kind of novella in objects, it is an anatomy of marriage and adultery, an interlocking set of fictional histories, and the staccato telling of a murder, perhaps two murders. This is a literary album of a pre-Internet world, focused on physical elements — all of which are tools for either violence or sustenance. Knives, old iron gates, antique houses in flames; Biblical citations, blood and a history of the American bed: the unsettling, half-perceived images, and their precise but alien manipulation by a master of the language will stay with readers. Its themes are familiar — violence, betrayal, failure — its depiction of these utterly original and hauntingly beautiful.

1-3 John Robert W. Yarbrough,2008-11 A respected New Testament scholar offers a substantive commentary on the letters of John in the award-winning BECNT series.

John John MacArthur,2006-06 The Mac Arthur Study Guide Series provides a twelve week, verse-by-verse examination of the books of the New Testament. This revised and updated series continues to be one of the best-selling study guides currently available for individuals or small groups.

The Epistles of S. John Alfred Plummer,1896

The works of John Angell James John Angell James,1860

The Homilies of S. John Chrysostom, Archbishop of Constantinople, on the Gospel of St. John Saint John Chrysostom,1883

John 11-21 Joel C. Elowsky,Thomas C. Oden,2007-04-27 The Gospel of John was beloved by the early church for its spiritual insight and clear declaration of Jesus' divinity. In addition to the homilies of John Chrysostom, readers of this ACCS volume will find selections from Origen, Cyril of Alexandria, and Augustine, supplemented with homiletic material, liturgical selections, and doctrinal material from scores of other church fathers.

Thank you very much for reading **John**. As you may know, people have look numerous times for their favorite readings like this John, but end up in malicious downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some malicious virus inside their computer.

John is available in our digital library an online access to it is set as public so you can download it instantly.
