**Gage Families** Walker Miller Gage,2017-10-27 Excerpt from Gage Families: John Gage of Ipswich, Thomas Gage of Yarmouth, William Gage of Freetown, Robert Gage of Weston, William Gage of Canada, Gage Family of the South, Robert Gage of Ireland TO find your line, recall the oldest gage ancestor; the year of his birth; the maiden name of his wife; and the places of residence. Then refer to the respective index (the numbers designating pages) and having found a particular ancestor you will find numbers at the right and left of the line, and at the top of each column numbers denoting the generations. To trace backward: find the left hand number (before the name of your known ancestor) and find the same number at the right end of the column of the previous generation. To trace forward: take the numbers at the right, and find the same numbers at the left of the next generation. To illustrate: my ancestor was william gage, born in 1770; his wife was Ruth Macomber, and they lived at Knox. In the index are many Williams' and several Macom bers', but on page 36 they are found together, where William. Gage, b. 1770 and his wife was a Macomber, and they lived at Knox, N. Y. To the left of William Gage is no. 33 in the column, of the 3rd generation, so by looking at the previous generation, we find No. 27-35 to be the children of joseph gage. At the left of Joseph's name is No. 5, and by the same process we find that he was the child of william gage and Hannah David of Freetown. The same principle applies when tracing forward: No. 33 William Gage had children No. 170-174; No. 170, Wesson Gage and Martha Miller had children, their sons being No. 758-765; No. 758, William M. Gage and Jane Elizabeth Andrews had sons no. 1981-1985 of which, in the 6th generation, No. 1985, William F. Gage, was my father, with three sons, No. 4823-4825. By mutual cooperation and patient work the record of the gage families may yet become complete, interesting and inspiring. He profits most who serves best. In that spirit I ask for your assistance. *Color in Art (Second) (World of Art)* John Gage, 2023-10-17 A wide-ranging and engaging introduction to the place and power of color in life and art by John Gage, author of the award-winning *Color and Culture*. The complex phenomenon of color has received detailed attention from the perspectives of physics, chemistry, physiology, psychology, linguistics, and philosophy. However, the people who work most closely with color—artists—have rarely been canvassed for their opinions on this mysterious subject. John Gage sets out to address this omission by focusing on the thoughts and practices of artists. *Color in Art* is concerned with the history of color, but is not itself a history; instead each chapter develops a theme from a different scientific discipline, as seen from the viewpoint of such diverse artists such as Vincent van Gogh, Wassily Kandinsky, Sonia Delaunay, Bridget Riley, and Clifford Possum Tjapaltjarri. Drawing on examples through the ages, from ancient times to the present, the many topics covered include flags, synesthesia, theosophy, theater design, film, chromotherapy, and chromophobia. Featuring a new foreword by art writer Kelly Grovier outlining contemporary developments in the study of color and an updated bibliography, this new edition of this classic text offers a wide-ranging and engaging introduction to the place and power of color in life and art.
