John Daly Project-Life (An Autobiography) John Daly, 2021-01-01 John Daly, Writer, Singer, Musician, takes you on a ride through his childhood and into his adult life with Alcoholism, Drug Abuse, Murder, Suicide and Psychic Phenomenon. Growing up with alcoholic parents produced psychological problems that lead John on a route to substance abuse himself. Finding out that his father was not his biological father after 59 years made him sort through his life for answers. This lead him to realize his life had a lot to offer as a story. A story that people in similar situations might relate to. If anyone has grown up with alcoholic parents or got caught up into drug abuse, this book might connect. If anyone has had family attempt or commit murder, this book might connect. If anyone has had family or friends commit suicide, this book might connect. But the thing that brings this book out and beyond the realm of human experiences, is the possibility of a continued connection with those who have passed on. The subtle hints they give. Hints that one might miss if not paying attention. Besides John's adventures that include things like: Performing on stage for hundreds of people, skydiving, scuba diving or flying experimental aircraft, John shares his experience of connecting with his loved ones in Spirit. Their love continues to show up even after their physical bodies have passed.

My Life in and out of the Rough John Daly, 2006-05-08 Ever since his astonishing victory in the 1991 PGA Championship, John Daly, known affectionately on the PGA Tour as Big 'Un, has enthralled fans with his big drives, bigger personality, and Grip It and Rip It approach to golf -- and to life. Long John, usually seen with a Marlboro Light dangling from his lip, is the unchained, unpredictable, unapologetic bad boy of professional golf. The only rules I follow, JD likes to say, are the Rules of Golf. Daly's play-it-as-it-lays approach drives *My Life in and out of the Rough*, a thrillingly -- and sometimes shockingly -- candid memoir of a larger-than-life athlete battling assorted addictions (alcohol, gambling, chocolate, sex), his weight, and, perhaps worst of all, divorce lawyers. (He's been married four times.) A two-time major winner before he turned thirty, John Daly is one of the most popular athletes in the world. Taking readers with him off the fairway and into his \$1.5-million motor home for a rollicking ride through his life -- an ever-churning world of booze, burgers, casinos, country music, and breathtaking moonshots -- Daly reveals how a down-home Everyman from Arkansas managed to rise to the peak of the golf world, escape from the depths of abject depression, and, finally, take control of his life. Well, sort of.

Advocacy John A. Daly, 2011-08-30 Offers advice, actions, and strategies for how to pitch a good idea to an influential group and gain their support.

Teed Off Sherrie Daly, 2011-04-05 Sherrie Daly, the former wife of PGA tour superstar John Daly, takes a swing at the controversial man called "Wild Thing" in this jaw-dropping memoir about what really goes on behind the scenes of professional golf. In this explosive tell-all, Sherrie Daly goes beyond the polite clapping, collared shirts, and hushed voices and exposes the darker side of the golf world: the groupies, party-crazed athletes, and blatant infidelity. After being married to player (in all senses of the word) John Daly for nine years, Sherrie knows this better than anyone. It's no secret that John, one of the PGA tour's most popular stars, was known for his erratic behavior and on-the-edge lifestyle as much as for his powerful, grip-it-and-rip-it style on the green. But Sherrie goes beyond the public persona to dish on John's out-of-control antics throughout their marriage, many of which she helped cover up to protect his career, and his self-destructive addictions to whiskey, sex, and gambling, which led him to lose one of his biggest purses ever—nearly one million dollars—in an hour. She writes candidly about the physical and emotional abuse she endured and why she continued to play the role of golf wife despite the trashed hotel rooms, wrecked homes, and demolished cars. Then she turns the tables on herself, sharing the truth behind her catfights with his girlfriends, her legal troubles, and especially the night John alleged she attacked him with a steak knife. After years in the exclusive players' wives club, Sherrie Daly is Teed Off and ready to rip the game's well-groomed facade to shreds.

Who's Your Caddy? Rick Reilly, 2003-05-06 The funniest and most popular sportswriter in America abandons his desk to caddy for some of the

world's most famous golfers—and some celebrity duffers—with hilarious results in this New York Times bestseller. Who knows a golfer best? Who's with them every minute of every round, hears their muttering, knows whether they cheat? Their caddies, of course. So sportswriter Rick Reilly figured that he could learn a lot about the players and their game by caddying, even though he had absolutely no idea how to do it. Amazingly, some of the best golfers in the world—including Jack Nicklaus, David Duval, Tom Lehman, John Daly, Jill McGill of the LPGA tour, and Casey Martin—agreed to let Reilly carry their bags at actual PGA and LPGA Tour events. To round out his portrait of the golfing life, Reilly also persuaded Deepak Chopra and Donald Trump to take him on as a caddy, accompanied the four highest-rolling golf hustlers in Las Vegas around the course, and carried the bag for a blind golfer. Between his hilarious descriptions of his own ineptitude as a caddy and his insight into what makes the greats of golf so great, Reilly's wicked wit and an expert's eye provide readers with the next best thing to a great round of golf.

John Daly Autobiography John Daly, 2006-05 The 1995 Open Champion and legendary wild man of golf recalls the best and worst of his life: his inspirational play on both US and European tours; the demons that afflicted him on the course and his addiction to gambling and drink; and the trashed hotel rooms and spectacular marital problems. John Daly took professional golf by storm when he came out of nowhere to win the 1991 PGA Championship at Crooked Stick in Indiana. A big hitter, Daly quickly became a favourite with PGA crowds for his long drives and no-frills philosophy of 'grip it and rip it.' Almost as quickly he became a controversial figure thanks to his on-course fits of temper and off-course bouts of drinking and gambling. He overcame erratic play to win the 1995 British Open, then suffered through six years of poor play and personal turmoil before winning the BMW International Open in Munich in September of 2001. In February of 2004 he returned to the winner's circle on the PGA Tour, winning the Buick Invitational at Torrey Pines. Daly has been married four times, and his spectacular marriage bust-ups have attracted endless media headlines. His fourth wife, Sherrie, and her parents were indicted on federal drug and gambling charges in 2003; they were accused of selling cocaine, marijuana and methamphetamines from 1996 to 2002 and of laundering the proceeds through local banks. Daly talks openly in his book about his controversial private life, the tantrums, the addictions to drink, gambling and women, and reflects on a new course in life in this richly entertaining read.

Up and Down Bubba Watson, 2021-11-02 He was a small-town boy who burst onto the international golf scene with a dramatic hook shot from deep in the woods to win the Masters— before the game he loved almost killed him. Opening up about the toll that chasing and achieving his dream of being a champion golfer took on his mental health, Bubba Watson shares his powerful story of the breaking point that gave him clarity. Bubba Watson

But every dream comes with a price. Feeling that he was never good enough, Bubba began to let the constant criticism from fans and commentators haunt his thoughts. Success in the game he loved was killing him. In *Up and Down*, Bubba opens up about his debilitating anxiety attacks, the death of his father and namesake, adopting his children, and how reaching a breaking point professionally and personally drew him closer to his family and God. Golf is what Bubba Watson does, but it is not who he is. Through his story, you'll learn how Bubba: Overcame his anxiety and feelings of inadequacy Found his true identity not in the standards of the world, but in the God who already knows he is enough Learned to trust God with his gifts, family, and biggest dreams Became the husband, father, friend, and mentor he was called to be Life, like golf, is filled with ups and downs. *Up and Down* is the inspiring story of an imperfect man striving to become the best person he can be—wherever the course may take him.

The Magical Reality of Nadia (The Magical Reality of Nadia #1) Bassem Youssef, Catherine R. Daly, 2021-02-02 From Bassem Youssef, aka the Jon Stewart of the Arab World, and author Catherine R. Daly comes a hilarious and heartfelt story about prejudice, friendship, empathy, and courage. Nadia loves fun facts. Here are a few about her: • She collects bobbleheads -- she has 77 so far. • She moved from Egypt to America when she was six years old. • The hippo amulet she wears is ancient... as in it's literally from ancient Egypt. • She's going to win the contest to design a new exhibit at the local museum. Because how cool would that be?! (Okay, so that last one isn't a fact just yet, but Nadia has plans to make it one.) But then a new kid shows up and teases Nadia about her Egyptian heritage. It's totally unexpected, and totally throws her off her game. And something else happens that Nadia can't explain: Her amulet starts glowing! She soon discovers that the hippo is holding a helpful -- and hilarious -- secret. Can she use it to confront the new kid and win the contest? From *The Daily Show* comedian Bassem Youssef and author Catherine R. Daly comes a humorous and heartfelt story about prejudice, friendship, empathy, and courage. Includes sections of black-and-white comics as well as lively black-and-white illustrations throughout.

Golf My Own Damn Way John Daly, 2009-10-13 If you know anything at all about John Daly—and if you don't, what in the hell are you doing with this book in your hands?—you know he approaches the game of golf from an, uh, slightly different perspective than your average two-time major winner. How different? Well, for starters, Long John thinks the PGA Tour ought to permit Bermuda shorts, make carts mandatory, let him wear his hair

down to his butt if he wants to, and strip-search tournament patrons at the entrance gate to keep cameras and cell phones off the course. In *Golf My Own Damn Way*, you'll take a virtual ride on Big John's magic bus as he tells you the best way to grip it so you can rip it. Looking for a sure cure to bunkerphobia? It's here. A one-hour golf lesson that's 100 percent guaranteed to make you a better golfer? Ditto. Want to know why you should occasionally leave your big dog in your trunk, how to watch your weight, and what golf and sex have in common? You came to the right book. And while he's busy explaining all these and many other things, Daly also tells you why you should keep your head out of the game, let your belly lead your hands, listen to your right foot, check your ball position—and buy a hybrid (the club, not the car). Following in the spike prints of his 2006 bestselling autobiography, *My Life In and Out of the Rough*, *Golf My Own Damn Way* is an off-the-wall and intensely personal yet imminently practical and accessible tip sheet on how to cut ten strokes off your score—now. Two things are certain: you've never seen a golf instructional book quite like this one, and you'll never need another one. Fairways and greens, Pard!

Tiger Woods Jeff Benedict, Armen Keteyian, 2019-04-02 The inspiration for the HBO documentary from Academy Award-winning producer Alex Gibney. The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods's life—this “comprehensive, propulsive...and unsparing” (The New Yorker) biography is “an ambitious 360-degree portrait of golf's most scrutinized figure...brimming with revealing details” (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this “searing biography of golf's most blazing talent” (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods's life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the “chosen one,” to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. “Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true” (The Wall Street Journal). Ultimately, Tiger Woods is “a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure” (The New York Times).

Teaching Communication Anita L. Vangelisti, John A. Daly, Gustav W. Friedrich, 2013-11-05 The field of communication was founded, in part, because of a need to make people better communicators.
