**The Ascent of Eli Israel and Other Stories** Jon

Papernick,Jonathan Papernick,2011-05 A profoundly unsettling collection of tales of Americans caught up in the ethnic, religious, social, economic, and political conflicts of modern day Israel, by an astonishing new voice. In a land where sudden death is an everyday fact of life, a boy dodges bullets and searches through rubble for news of his soldier father. An aging rabbi's faith is tested by a crippling, seemingly supernatural affliction. A middle-aged man comforts his Holocaust-survivor mother as she faces senility, convinced that Nazis are conspiring against her. And the mysterious biblical red heifer makes a startling appearance in the midst of a decidedly contemporary struggle. In these unsettling tales, the remarkable Jon Papernick transports us to modern-day Israel, a country torn by war, strife, and controversy throughout the history of its statehood. Giving voice to striking characters--Israelis, Palestinians, and Americans; Arabs, Christians, and Jews--caught in the ethnic, religious, social, and political conflicts of a dangerous region, Papernick brings the images we glimpse from afar, in newspapers and on television, chillingly to life. By turns starkly realistic and allegorically fantastic, these tales chronicle the conflict from the inside and illuminate the suffering and anger experienced by those on all sides. In "An Unwelcome Guest," a young Jewish settler from New York plays a deadly game of backgammon with a ghostly old Arab while his pregnant wife sleeps unaware. In "The King of the King of Falafel," a restaurant rivalry ends in apocalyptic violence. In Lucky Eighteen, two young Americans living in Jerusalem as the Oslo accords collapse juggle

political activism and a devastating love triangle--under the dark specter of suicide bombings. And in the brilliant, horrifying title story, a lonely shepherd wanders a broken no-man's-land, carrying with him the burden of an unspeakable act. In these haunting and strangely beautiful stories, the tragic carnage of the Middle East is rendered in unforgettable form. Suffused with rage, violence, humor, magic, and religion, this gripping collection leaves a profound impact. Evenhanded yet passionate, shocking yet hopeful, *The Ascent of Eli Israel* heralds the arrival of a masterful storyteller. Please visit.

The Pillars of Solomon Jon Land, 2000-04 The pillars of Solomon / Jon Land.

The Walls of Jericho Jon Land, 2011-04-01 American Ben Kamal is a Detroit police detective whose police training makes him valuable to the new Palestinian police force on the West Bank. He's glad to help--but hooking up with the Israelis to find a serial killer was not part of the deal. Danielle Barnea is the best that Shin Bet, Israel's FBI, has to offer, but she, too, resists the assignment. Now Ben and Danielle are forced to leave personal differences behind as they realize that something much more complex than murder is behind the killings. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Dead Simple Jon Land, 1998-03-15 While searching for his missing mentor, Sergeant-Major Buck Terry, Blaine McCracken stumbles onto a deadly domestic terrorism scheme to take the seven million people in Manhattan hostage with threats to unleash an experimental explosive. 15,000 first printing.

*Who's Going to Say Kaddish for the Chinaman's Dog?* Jon Hykes, 2014-07-11 *Who's going to Say Kaddish for the Chinaman's Dog*, is the Ultimate love story. In it there are ordinary people dealing with ordinary things: sex, violence, sexual violence, war, separation, dismemberment, death, and PTSD. It deals with revenge, atonement, redemption, and respect. It also deals in the

difference between faith and religion, and ones relationship with one's own deity. While exploring their world, they discover fundamental truths and each other. This is done in a unique, humorous, and unforgettable way, which can best be described as an emotional roller coaster. It is not for the faint of heart or soul, as the issues are dealt with in a graphic manner.

### Financial Fraud Jon Schiller,2010-03-17 Description

*Jon Smith* Richard Proctor,2010-06-23 It is the year 2020 and the world has become a place run by a socialist/corporatist government. The preceding ten years brought about large changes in America and the world as laws were passed that enabled the government to take total control of peoples lives. Hunting, sports, eating real food, and everything else of our current world has been banned or outlawed. Only the few that fled the change still live the life that the fore fathers of America sought. Into this comes Jon Smith, a man who fled and went off the grid ten years prior. In the new world he and his son live a life of freedom along with two hundred or so other folk in the valley. It is a story of struggle, reunion conflict as the New Government finds that they cannot let Jon and his people remain free. It is a decision of whether to live a life of freedom and die or acquiesce.

**The Doomsday Spiral** Jon Land,2011-03-01 DIVIn Jon Land's first novel, a crew of Arab terrorists attempts to tear America apart from the inside out—and only Alabaster, an Israeli special forces operative, can stop them/divDIV /divDIVAfter years of being presumed dead, Palestine's most feared terrorist emerges from hiding with a plan for utter domination of the Middle East: the Shaitan Commandment. With a quartet of the region's

deadliest soldiers, he puts into motion a scheme that spells doom for the Western world. His target is not Israel, but Israel's protector: the United States. On their trail is Alabaster, an Israeli special-forces agent whose true identity is buried under so many layers of deception that not even the Mossad knows who he really is. But every terrorist has heard of him, and knows to be afraid. A ruthless investigator with no time for diplomatic niceties, he may be all that stands between the United States and oblivion. This ebook features an illustrated biography of Jon Land including rare photos from the author's personal collection.

*Masada* Jon Schiller, 2006-10 Dani Sharon, an Israeli business entrepreneur, is recruited by his governments clandestine LEKEM to mastermind acquiring the components and technology to build a nuclear arsenal. Danis flamboyant character and tactical brilliance make him a natural for the assignment. His only stipulation in accepting the task is that he be allowed to skim a profit off all his transactions to finance his movie ventures. Dani obtains the necessary material and information through extralegal and clandestine methods. He cuts numerous deals with European, South African, and American companies. What he cant buy, he steals in daring capers monitored by the superpowers. Within a short time Israel explodes its first atom bomb. However, soon after this success, Israeli leaders realize radioactive fallout would endanger their own population if the atom bomb were used against hostile Arab neighbors. They conclude a neutron bomb is necessary to protect the Israelis from this danger. Using a movie production company as a cover, Dani begins acquiring the technology for such a bomb and the ballistic missile to deliver it.

**The Book of Stone** Jonathan Papernick,2015-05-12 The Book of Stone examines the evolution of the terrorist mentality and the complexities of religious extremism, as well as how easily a vulnerable mind can be exploited for dark purposes. Matthew Stone has inherited a troubling legacy: a gangster grandfather and a distant father—who is also a disgraced judge. After his father's death, Matthew is a young man alone. He turns to his father's beloved books for comfort, perceiving within them guidance that leads him to connect with a group of religious extremists. As Matthew immerses himself in this unfamiliar world, the FBI seeks his assistance to foil the group's violent plot. Caught between these powerful forces, haunted by losses past and present, and desperate for redemption, Matthew charts a course of increasing peril—for himself and for everyone around him. Lyrical and incendiary, *The Book of Stone* is a masterfully crafted novel that reveals the ambiguities of "good" and "evil".

**The Book of Joe** Jonathan Tropper,2005-01-25 Right after high school, Joe Goffman left sleepy Bush Falls, Connecticut and never looked back. Then he wrote a novel savaging everything in town, a novel that became a national bestseller and a huge hit movie. Fifteen years later, Joe is struggling to avoid the sophomore slump with his next novel when he gets a call: his father's had a stroke, so it's back to Bush Falls for the town's most famous pariah. His brother avoids him, his former classmates beat him up, and the members of the book club just hurl their copies of *Bush Falls* at his house. But with the help of some old friends, Joe discovers that coming home isn't all

bad—and that maybe the best things in life are second chances. Fans of Nick Hornby and Jennifer Weiner will love this book, by turns howling funny, fiercely intelligent, and achinglly poignant. As evidenced by *The Book of Joe*'s success in both the foreign and movie markets, Jonathan Tropper has created a compelling, incredibly resonant story.

*The Valhalla Testament* Jon Land, 2022-03-22 Imprisoned in Nicaragua, an NFL star must escape to the United States to warn the government of an impending terrorist attack--before the sinister forces of the international intelligence community silence him forever Jamie Skylar is not a political man. His life has always been about football, and that single-minded dedication was justified when, after he finished setting school rushing records at Brown, the New York Giants gave him a lucrative contract to join their crew of bruisers. But more important to him than football is his sister, and she needs him now. An American undercover operative masquerading as a journalist in Central America, Beth has just learned of the Nicaraguan army's plans for an attack inside the United States, codenamed Operation Thunder Clap. She invites her brother to visit her, intending to have him smuggle out the government's sinister plans. But when she is murdered and Jamie is imprisoned, the running back will need all his strength to escape and warn the United States. This ebook features an illustrated biography of Jon Land including rare photos from the author's personal collection.
