The Tiny Book of Tiny Stories: Volume 1 Joseph Gordon-Levitt,2012-01-17 This e-book contains six exclusive tiny videos created by the hitRECORD community to enhance the Tiny Stories reading experience. From hitRECORD, the immensely popular open collaborative production company, and its founder, Golden Globe-nominated actor Joseph Gordon-Levitt, comes The Tiny Book of Tiny Stories: Volume 1. The universe is not made of atoms; it's made of tiny stories. To create The Tiny Book of Tiny Stories: Volume 1, Joseph Gordon-Levitt, known within the hitRECORD community as RegularJOE—directed thousands of collaborators to tell tiny stories through words and art. With the help of the entire creative collective, Gordon-Levitt culled, edited and curated over 8,500 contributions into this finely tuned collection of original art from 67 contributors. Reminiscent of the 6-Word Memoir series, The Tiny Book of Tiny Stories: Volume 1 brings together art and voices from around the world to unite and tell stories that defy size. Please note that due to the large file size of these special features this enhanced e-book may take longer to download than a standard e-book.

**The Art of Breaking Up** hitRECORD,2020-05-05 Joseph Gordon-Levitt's creative collaborative community HITRECORD looks at love from both sides in this ingenious flippable book. So, you just got dumped, huh? Or did you just dump someone? Doesn't matter who ended it. Either way, you're sleeping alone tonight. But don't worry, you're not really alone. HITRECORD's global community of over 750,000 active artists is here to help with The Art of Breaking Up, a new book designed to get you through this trying time. That's over 750,000 people who know the soul-crushing pain of a broken heart. But instead of wallowing forever in vats of unproductive (but delicious) cookie dough, they've channeled all that misery into an insightful, funny, and smart compendium of musings, photography, drawings, collages, puzzles, recipes, games, and more—designed to explore (and distract from) the mind-numbing agony of a romantic breakup. You'll laugh, you'll smile, and you'll probably cry. Everyone knows there are two sides to every break-up, so this book features a double-sided, flippable structure. One side eases the tortured consciences of the HEARTBREAKERS. Flip the book, and the other side considers the plight of the BROKEN-HEARTED. Both sides are organized chronologically with chapters that correspond to the emotional trajectory of both the HEARTBREAKER and BROKEN-HEARTED. Chapters include: Early Warning Signs, Exit Strategy, The Break Up, Acceptance, Depression, Bargaining, Anger, and Denial. Where the two sections meet in the middle there is a compelling, heart-wrenching moment where the HEARTBREAKER and BROKEN-HEARTED connect again, but we're not giving that away. Inside this book you'll find plenty of art, stories, comics, and other amusements, such as a Post-Break-Up Relationship Survey, Denial Yoga, Candy Hearts for Assholes, Breakup Greeting Cards, Hex Your Ex Voodoo Doll, The Free Bird Word Search Game, and a playlist or two, including Right Back at Ya, a collection of songs to stoke the burning rage in your heart. Everything you'll find in this book was made collaboratively by people from around the world on HITRECORD—an online creative platform for collaborative art and media projects founded and directed by Joseph Gordon-Levitt. With its universal, all-inclusive approach to the subject, The Art of Breaking Up is an acute observation of love and heartbreak in modern times, and maybe—just maybe—a salve for anyone with a broken heart.

**Trumpty Dumpty Wanted a Crown** John Lithgow,2020-09-29 Following the success of his New York Times bestseller Dumpty, award-winning actor, author, and illustrator John Lithgow presents a brand-new collection of satirical poems chronicling the despotic age of Donald Trump. Trumpty Dumpty Wanted a Crown is darker and more hard-hitting than ever. His uproarious poems and illustrations encompass Trump's impeachment, the COVID-19 pandemic, the Black Lives Matter protests, and much more. Lithgow targets Mitch McConnell, Mike Pompeo, Bill Barr, Jared Kushner, Elaine Chao, and many others, but also includes a few heroes of the moment, including Anthony Fauci, Nancy Pelosi, Adam Schiff, and even Barack Obama. The book arrives at a time when it's needed most. *People Powered* Jono Bacon,2019-11-12 What if you discovered a blueprint that could grow your brand's reputation and loyalty, dramatically reduce customer service issues, produce content and technology, and cement a powerful, lasting relationship between you and your customers? Communities have been a popular topic since the rise of the Internet and social media, but few companies have consistently harnessed their power, driven tangible value, and effectively measured their return on investment (ROI) like Salesforce.com, Star Citizen via Kickstarter, and Red Hat. Companies such as PayPal, Facebook, Bosch, Microsoft, CapitalOne, and Google, have also built communities inside their organizations, which have fostered innovation, broken down silos, and helped their organizations to operate more efficiently and collaboratively. People Powered helps C-suite leaders, founders, marketers, customer advocates, and community leaders gain a competitive advantage by answering the following questions: What is the key value proposition of building a community? What kind of community do we need and how do we build and integrate it into our organization? How do we incentivize and encourage people to get involved, build reliable growth, and keep community members engaged? How do we develop authentic, productive relationships with community members both online and in person? How do we get departmental buy-in, hire effectively, and create consistent, reliable community engagement skills in our organization? What are the strategic and tactical pitfalls and roadblocks we need to avoid? How do we make sure that our community continues to grow with us—and more importantly, how do we make sure that we continue to grow with them? People Powered pulls together over 20 years of pragmatic

experience into a clear, simple methodology and blueprint to not just answer these questions, but deliver results. Don't get left behind—become an industry trailblazer and ensure your company's longevity by tapping into the most dynamic force both outside and inside your organization: the people.
