William R. Forstchen, Forstchen & Keith, J. Andrew Keith

False Colors William R. Forstchen, Forstchen & Keith, J. Andrew Keith, 1998-12 When a desperate attack on the Kilrathi homeworld destroyed the entire planet, with the Emperor and his warlords, the demoralized Kilrathi colony worlds surrendered. After thirty-five years of war, Earth and its own colonies welcomed peace in our time. But the ominous reality was that plenty of independent Kilrathi warlords survived and commanded a formidable array of warships and weaponry. War weary Earth turned a deaf ear to reports of Kilrathi belligerence, preferring to look forward to a tranquil and prosperous future. But it was only the calm before a new storm....

Fleet Action William R. Forstchen, 2016-12-06 The Kilrathi Empire is in a bind. For the last five years they have been constructing a secret fleet so powerful that it will slice straight through to Earth and destroy the Confederation. There is a problem, however: the Confederation has become increasingly successful with its behind-the-lines raids and the Prince fears that before the new fleet is ready, the Empire will be on the ropes. At a Kilrathi council of war a simple solution is agreed upon: sure for peace, lull the humans into disarming and then when all is ready, launch a surprise offensive. True to the tradition of democracies everywhere, the Confederation falls for it; the military stands down. Luckily for the human race, however, there are a few who don't trust soft words from a Kilrathi mouth. Admiral Tolwyn and his veterans must fight a delaying action, buying time with their lives for humanity to make ready for the final battle... At the publisher's request, this title is sold without DRM (Digital Rights Management).

Action Stations William R. Forstchen, 1997-12 After a decade of peace, politicians of Earth and its colonies were running on platforms of wasteful military spending, forcing Earth's military to struggle to stay battle-ready. Now the colonies are being attacked by the feline race called the Kilrathi. The government is not taking the Kilrathi seriously, thinking that they're a third-rate power, which the Fleet could handle with ease. Commander Winston Turner hopes that mankind will recognize its mistake before it's too late.
