Flowers for the Judge, Death of a Ghost, and The Case of the Late Pig Margery Allingham,2016-10-01 Three Albert Campion mysteries in one volume reveal why "Margery Allingham stands out like a shining light" (Agatha Christie). Flowers for the Judge Scandal hits the prestigious publishing house of Barnabas when one of the directors is found dead in a locked cellar. All eyes are on the other partners at the firm—cousins of the dead man with much to gain from his demise—and rumors hint at a connection to the long-ago disappearance of another director. Desperate to salvage their reputation, the cousins turn to Albert Campion—but will his investigations clear the Barnabas family name, or besmirch it forever? "One of her best . . . vivid and witty." —The New York Times Death of a Ghost John Sebastian Lafcadio's ambition to be known as the greatest painter since Rembrandt was not to be thwarted by a matter as trifling as his own death. A set of twelve sealed paintings is left in the hands of his widow, together with the instruction that she unveil one canvas each year before a carefully selected audience. Albert Campion is invited to join a cast of gadabouts, muses, and socialites to witness the eighth unveiling—but instead the lights go down and a young man is stabbed to death. Campion must get to work on the baffling case, with its long—suspiciously long—line-up of possible killers, and soon finds himself having to face his dearest enemy. "Wonderfully plotted . . . Allingham was a rare and precious talent." —The Washington Post The Case of the Late Pig Private detective Albert Campion is summoned to the village of Kepesake to investigate a particularly

distasteful death. The body turns out to be that of Pig Peters—freshly killed five months after his own funeral. Soon other corpses start to turn up, just as Peters's body goes missing. It takes all of Campion's coolly incisive powers of detection to unravel the crime. Mixing high drama and pitch-perfect black comedy, *The Case of the Late Pig* is, uniquely, narrated by Campion himself. "Allingham captures her quintessential quiet detective Albert Campion to perfection."—Daily Express

With Justice for One - a Judge's Death Sentence Horace Ray Metz,2012-07 Sexually abused in 1961, while a college freshman; the author immediately reported the professor. A cover-up ensued, masterminded by an assistance dean. University officials valued reputation over the well-being of the author; and the well-being of other students, abused later. Due to the cover-up, the author's life was forever changed. There were times in the decades that followed, when under the influence of alcohol, the author could have murdered the dean. Thankfully, it never happened. Thirty-five years later, fate provided a surrogate who was juxtaposed into the role of the dean. A judge sent the author to a State prison, to cover-up criminal activity within the judicial system. Deja vu! In prison, with nothing but his faith in God and his pen; the author was determined to prevent the judge from doing to another, as was done to him. With Justice for One is the inspirational story of A Judge's Death Sentence, as the author lived it.

Restored to Death Nancy Bell,2003 Restored to Death introduces Jackson Crain, a widowed county judge who lives with his delightfully idiosyncratic thirteen-year-old daughter. When his deceased wife's sister is bludgeoned to death, and her husband, Ron Hughes, is accused of the crime, the judge decides to assist the investigation. Things do not look good for Ron, who is rumored to be having an affair with the red-haired waitress at the town's only cafe. Soon a young vagrant girl is discovered: she has been bludgeoned to death, too. As Judge Crain explores further, he is surprised to find a possible connection between the murdered girl and a new woman in town whom he finds attractive. Full of quirky characters like the gossip-laden ladies down at the Knitter's Nook, Restored to Death is the start of another top-notch series from Nancy Bell.

The Death of Old Man Rice Martin L Friedland,1996-08 The Story of One of the Most Remarkable Trials in All

History! Sensational trials--the Menendez brothers, the Rodney King case, the Preppie Murder--are not unique to the age of television. The year 1900 saw one of the most dramatic criminal trials in American history, described by one newspaper at the time as America's most remarkable murder case. When William Marsh Rice, the founder of Rice University, was found dead in the New York City quarters he shared with his only servant, suspicion immediately fell on Albert Patrick, a young lawyer. Rice, whose fortune was pledged to Rice Institute (later Rice University), had, it seemed, been killed by chloroform poisoning and his will forged to give Patrick his vast estate. Patrick was immediately arrested and, in a spectacular trial, tried for first-degree murder, a crime then punishable by execution. In this combination murder mystery and murder history, Martin Friedland recounts the events leading up to the trial and the case as it played itself out in court. Skillfully guiding the reader through the trial and its outcome, Friedland sheds new light on the events, casting doubt on what, at first glance, seems an ironclad case. Provocatively illustrated with over 60 photographs that capture the circumstances of the trial and the mood of New York City at the turn of the century, *The Death of Old Man Rice* is not only a gripping tale of murder and intrigue, but a timely window onto many aspects of criminal justice in America. Touching on issues of great contemporary relevance-- such as the influence of the popular press; the purchase of expert witnesses; the problems of multiple appeals; the inadequacy of penal institutions; and the advantages of wealth--Friedland combines scholarship with suspense in his trademark who done it style. A murder mystery, a historical study, and a fascinating window into the world of forensic science, *The Death of Old Man Rice* is that rare book that can engage any reader.

Death & Justice Mark Fuhrman, 2010-11-30 Controversy rages about capital punishment as innocent men and women are being released from death rows all over the country. Are innocent people being executed? Is capital punishment justice or is it revenge? Into the debate steps Mark Fuhrman, America's most famous detective, and no stranger to controversy himself. Fuhrman seeks to answer these questions by investigating the death penalty in Oklahoma, where a hang 'em high attitude of cowboy justice resulted in twenty-one executions in 2001, more than any other state. Most of these cases came from one jurisdiction, Oklahoma County, where legendary DA Bob Macy bragged of sending more people to death row than any other prosecutor, and police chemist Joyce Gilchrist was eventually fired for mismanaging the crime lab. Examining police records, trial transcripts, appellate decisions and conducting hundreds of interviews, Fuhrman focuses his considerable investigative skills on more than a dozen of the most controversial Oklahoma death penalty cases.

Grace and Justice on Death Row Brian W. Stolarz, 2016-10-04 A Washington Post bestseller! A chilling and compassionate look at how close an innocent man was to being put death with a foreword by Sister Helen Prejean, author of *Dead Man Walking*. What is worse than having a client on Death Row in Texas? Having a client on Death Row in Texas who is innocent and not knowing if you will be able to stop his execution in time. *Grace and Justice on Death Row: A Race Against Time to Free an Innocent Man* tells the story of Alfred Dewayne Brown, a man who spent over twelve years in prison (ten of them on Texas' infamous Death Row) for a high-profile crime he did not commit,

and his lawyer, Brian Stolarz, who dedicated his career and life to secure his freedom. The book chronicles Brown's extraordinary journey to freedom against very long odds, overcoming unscrupulous prosecutors, corrupt police, inadequate defense counsel, and a broken criminal justice system. The book examines how a lawyer-client relationship turned into one of brotherhood. *Grace And Justice On Death Row* also addresses many issues facing the criminal justice system and the death penalty – race, class, adequate defense counsel, and intellectual disability, and proposes reforms. Told from Stolarz's perspective, this raw, fast-paced look into what it took to save one man's life will leave you questioning the criminal justice system in this country. It is a story of injustice and redemption that must be told.
