The Wreckage of My Presence Casey Wilson, 2021-05-04 Magnificent. —People Magazine The instant New York Times bestseller: Laugh-out-loud, deeply insightful, and emotion-filled essays from multitalented actress, comedian, podcaster, and writer Casey Wilson. Casey Wilson has a lot on her

mind and she isn't afraid to share. In this dazzling collection, each essay skillfully constructed and brimming with emotion, she shares her thoughts on the joys and vagaries of modern-day womanhood and motherhood, introduces the not-quite-typical family that made her who she is, and persuasively argues that lowbrow pop culture is the perfect lens through which to examine human nature. Whether she's extolling the virtues of eating in bed, processing the humiliation over her father's late in life perm, mourning her mother's passing, or revealing her patented method for keeping the mystery alive in a marriage, Casey is witty, candid, and full of poignant and funny surprises. Humorous dives into her obsessions and areas of personal expertise—self-help, nice guys, cool girls (not her) and how to receive visitors in the bath—are matched by touching meditations on female friendship, anger, grief, motherhood, and identity. Reading *The Wreckage of My Presence* is like spending time with a close friend—a deeply passionate, full-tilt, joyous, excessive, compulsive, shameless, hungry-for-it-all, loyal, cheerleading friend. A friend who is ready for any big feelings that come her way—and isn't afraid to embrace them.

Love, Loss, and what I Wore ,2005-01-01 In a volume originally intended just for friends, the author reflects on her fortunes and misfortunes through the clothes she has worn, clothes that have expressed her hopes and dreams—from her Brownie uniform to her first maternity dress. Reprint.

Design in the Hamptons Anthony Iannacci, 2014-09-09 A luxurious look at nineteen private houses in the Hamptons, Long Island's exclusive summer retreat—with architecture, interiors, and gardens from celebrity designers including Jonathan Adler and Simon Doonan, John Barman, Fox-Nahem, Thad Hayes, Tony Ingrao, Todd Merrill, Roman & Williams, and Joe d'Urso. These architects and interior designers are inspired by the island's renowned natural beauty to create houses that set the global standards for oceanfront style. Today, that means thoughtful, modern, highly personalized structures that reference the East End's rich history and are designed to enhance appreciation of the fabled seaside landscape. The properties range from shingled beach cottages to a redesigned 1840s barn and a sustainable, glass-walled guesthouse on pilings. They display a curated blend of traditional references with cutting-edge architecture and enviable art collections, finished by the South Fork's famous light and ocean views. In some houses, a sense of calm pervades, and cozily appointed dining terraces with neutral color schemes look out over peaceful docks, while in others, vibrant midcentury modern accessories and outsize outdoor fireplaces point to frequent and exuberant pool parties. Whether they are decorated with natural materials and iconic 1950s and 1960s furniture from Charles Eames and Hans Wegner, or eighteenth-century antiques and industrial objects—all have been carefully selected to demonstrate the possibilities of authentic design in the Hamptons today.

What If? Anne Bernays, 1991-11-20 What If? is the first handbook for writers based on the idea that specific exercises are one of the most useful and provocative methods for mastering the art of writing fiction. With more than twenty-five years of experience teaching creative writing between them, Anne Bernays and Pamela Painter offer more than seventy-five exercises for both beginners and more experienced writers. These exercises are designed to develop and refine two basic skills: writing like a writer and, just as important, thinking like a writer. They deal with such topics as discovering where to start and end a story; learning when to use dialogue and when to use indirect discourse; transforming real events into fiction; and finding language that both sings and communicates precisely. What If? will be an essential addition to every writer's library, a welcome and much-used companion, a book that gracefully borrows a whisper from the muse.

Call Your Daughter Home Deb Spera, 2019-06-11 Featured on Oprah's Summer Reading List For readers of Delia Owens' *Where the Crawdads Sing* and Sue Monk Kidd's *The Secret Life of Bees*, this extraordinary historical debut novel follows three fierce Southern women in an unforgettable story of motherhood and womanhood. It's 1924 in Branchville, South Carolina and three women have come to a crossroads. Gertrude, a mother of four, must make an unconscionable decision to save her daughters. Retta, a first-generation freed slave, comes to Gertrude's aid by watching her children, despite the gossip it causes in her community. Annie, the matriarch of the influential Coles family, offers Gertrude employment at her sewing circle, while facing problems of her own at home. These three women seemingly have nothing in common, yet as they unite to stand up to injustices that have long plagued the small town, they find strength in the bond that ties women together. Told in the pitch-perfect voices of Gertrude, Retta, and Annie, *Call Your Daughter Home* is an emotional, timeless story about the power of family, community, and ferocity of motherhood. "Like Jill McCorkle and Sue Monk Kidd, Spera probes the comfort and strength women find in their own company." — *O, The Oprah Magazine* "A mesmerizing Southern tale...Authentic, gripping, a page-turner, yet also a novel filled with language that begs to be savored." — Lisa Wingate, New York Times Bestselling Author of *Before We Were Yours*

Barbarian Days William Finnegan, 2016-04-26 **Winner of the 2016 Pulitzer Prize for Autobiography** Included in President Obama's 2016 Summer Reading List "Without a doubt, the finest surf book I've ever read . . ." — *The New York Times Magazine* *Barbarian Days* is William Finnegan's memoir of an obsession, a complex enchantment. Surfing only looks like a sport. To initiates, it is something else: a beautiful addiction, a demanding course of study, a morally dangerous pastime, a way of life. Raised in California and Hawaii, Finnegan started surfing as a child. He has chased waves all over the world, wandering for years through the South Pacific, Australia, Asia, Africa. A bookish boy, and then an excessively adventurous young man, he went on to become a distinguished writer and war reporter. *Barbarian Days* takes us deep into unfamiliar worlds, some of them right under our noses—off the coasts of New York and San Francisco. It immerses the reader in the edgy camaraderie of close male friendships forged in challenging waves. Finnegan shares stories of life in a whites-only gang in a tough school in Honolulu. He shows us a world turned upside down for kids and adults alike by the social upheavals of the 1960s. He details the intricacies of famous waves and his own apprenticeships to them. Youthful folly—he drops LSD while riding huge Honolua Bay, on Maui—is served up with rueful humor. As Finnegan's travels take him ever farther afield, he discovers the picturesque

simplicity of a Samoan fishing village, dissects the sexual politics of Tongan interactions with Americans and Japanese, and navigates the Indonesian black market while nearly succumbing to malaria. Throughout, he surfs, carrying readers with him on rides of harrowing, unprecedented lucidity. *Barbarian Days* is an old-school adventure story, an intellectual autobiography, a social history, a literary road movie, and an extraordinary exploration of the gradual mastering of an exacting, little-understood art.

Live Fast Die Hot Jenny Mollen, 2017-06-27 *A NEW YORK TIMES HUMOR BESTSELLER* By the author of *I Like You Just the Way I Am* and a frequent *Chelsea* contributor, an outrageous collection of personal stories about motherhood, responsibility, and other potential disasters. Jenny Mollen is a writer and actress living in New York. Until recently, her life was exciting, sexy, a little eccentric, and one hundred percent impulsive. She had a husband who embraced her crazy—who understood her need to occasionally stalk around the house in his ex-girlfriend’s old beach caftans and to invite their drug dealer to Passover seder (so he wouldn’t feel like they were using him only for drugs). Then they had their son, Sid, and overnight, Jenny was forced to grow up: to be responsible, to brush her hair, to listen to her voicemail. Searingly funny and surprisingly affecting, *Live Fast Die Hot* is a collection of stories about what happens when you realize that some things are more important than crafting the perfect tweet—and a reminder that even if you never thought you were cut out for parenting, at least you can be better at it than your mother.

Bond of Blood Diane Whiteside, 2007-10-02 “A DEMON LOVER TO TEMPT ANY WOMAN. [A] BIG, DELICIOUSLY SEXY HERO.”—New York Times Bestselling Author Angela Knight “EXHILARATING...A TERRIFIC PARANORMAL ROMANTIC SUSPENSE THRILLER.”—Midwest Book Review Once a medieval knight, Don Rafael Perez has clung to his honor despite seven tortured centuries of being a vampire. Now he’s found peace—if not love—as Texas leader of the largest vampire territory in America. But a rival is challenging his rule—by first targeting Grania O’Malley, the forbidden beauty to whom Rafael has lost his heart. But when she’s attacked, will he break his oath of body and soul never to create a female vampire—even if it means saving her? And if he does, can Grania help him destroy the night creature Rafael has always feared?
