Mobile Suit Gundam WING 1 Yoshiyuki Tomino, Hajime Yada, 2017-07-18 One of the biggest anime properties of all time returns with the release of Mobile Suit Gundam Wing. Following the actions of five fighters and their mobile suits, Gundam Wing is a heavily political, dramatic action work that is centered around a war between Earth and its surrounding colonies in space. Mobile Suit Gundam Wing Endless Waltz: Glory of the Losers retells the original WING story by incorporating elements of the anime and its recent light novel adaptations. In the year A.C. (After Colony) 195, humankind had flown its nest, the Earth, to search for new hope while living in space colonies. However, the United Earth Sphere Alliance has used its military might under the guise of "justice and peace" to seize control of

some colonies, and those colonies have lost their autonomy and have been forced into silence. But the seeds of resistance have not been entirely crushed. "Operation Meteor" is about to take flight...

Celestial Being Noboru Kimura, Hajime Yodate, Yoshiyuki Tomino, 2010
The novelization of the hit anime series! The year is 2307 A.D. Although fossil fuels have been depleted, humanity has obtained a new source of energy to replace them in the form of a large-scale solar power generation system based on three huge orbital elevators. However, the benefits of this system are available only to a handful of major powers and their allies. The three orbital elevators belong to three superpower blocs. These are the Union, led by the United States of America; the Human Reform League, led by China, Russia, and India; and the AEU, led by Europe. These superpower blocs continue to play a grand zero-sum game for the sake of their own prestige and prosperity. In this world of never-ending conflict, a private armed organization appears, dedicated to the elimination of war through armed force. Its name is Celestial Being, and it is in possession of Gundam mobile suits. With these Gundams, it begins armed intervention into all acts of war.
