

Kabal

Livio Gambarini

The Holy Kabal Tom Harper, 2007

Kabal Theodore Bergqvist, 2023-09-06 År 1747, Stockholm präglas av politisk instabilitet och ockulta krafter. Medan upplysningens idéer om förnuft och vetenskap utmanar det gamla, står kyrkan fast vid invanda traditioner. I stadens intellektuella salonger skakas debatten av högljudda röster. Samtidigt längtar en grupp överlevande soldater från Karl XII:s krig efter att återupprätta Sveriges forna maktställning och svär sig trogna till djävulen. Kabal är en hårresande resa genom livet och förhållandena i 1700-talets Stockholm. Genom ögonen på Johan Hjortenbergs, verksam vid Vetenskapsakademien, skildras en kamp mellan ljus och mörker. Övernaturliga krafter kolliderar med historiska realiteter och leder till blodiga konsekvenser. I denna spännande berättelse vävs mysteriet samman med politiskt kaos och ockulta hemligheter. Theodore Bergqvist (född 1970) är en framgångsrik entreprenör och vd bosatt i Stockholm. 2013 tog han steget in i författarrollen med sin debutroman Kabal, där han visade prov på sin förmåga att väva samman spänning och historisk inramning till en fängslande berättelse.

Eternal War - Armies of Saints Livio Gambarini, 2015-07-26 In 13th century Florence, the war between the Guelphs and Ghibellines is destroying entire families. Every corner of Tuscany has been drawn into the conflict, but little do the two sides realise their war is but a pale reflection of a battle between the mysterious inhabitants of the spirit world, lasting a thousand years. The spirit that guides the Cavalcanti family, Kabal, uses every any means at his disposal to make sure his family is not torn to shreds and eventually comes out on top. The true ace up his sleeve is the new head of his family, the warrior and poet Guido Cavalcanti.

Guido is driven to seek an impossible peace as he strives to save his city and marry the girl he loves. He is helped by a young, exceptionally shy poet known as Dante Alighieri... It is a story of war, betrayal, intrigue and magic that is woven skilfully together to create a wondrous combination of historical accuracy and the fantastic world that lies behind human endeavour. "The Eternal War - Armies of Saints" is an innovative historical fantasy set against the backdrop of the Florence of the Divine Comedy. It has already conquered Italy and now, with the English translation, it is set to take the world.

The Vessel Ronnie Crawford,2021-05-11 Every start has a finish. Our universe is uneasy as the all seeing eye directs its attention on planet earth. A Contribution Towards the Better Knowledge of the Topography, Ethnology, Resources, & History of Afghānistān Sir Charles Metcalfe MacGregor,1871

Handbook of Middle American Indians, Volume 6 Manning Nash,1967-01-01 Social Anthropology is the sixth volume in the Handbook of Middle American Indians, published in cooperation with the Middle American Research Institute of Tulane University under the general editorship of Robert Wauchope (1909-1979). The volume editor is Manning Nash (1924-2001), Professor of Anthropology at the Center for Study of Economic Development and Cultural Change, University of Chicago. This volume provides a synthetic and comparative summary of native ethnography and ethnology of Mexico and Central America, written by authorities in a number of broad fields: the native population and its identification, agricultural systems and food patterns, economies, crafts, fine arts,

kinship and family, compadrazgo, local and territorial units, political and religious organizations, levels of communal relations, annual and fiesta cycles, sickness, folklore, religion, mythology, psychological orientations, ethnic relationships, and topics of especial modern significance such as acculturation, nationalization, directed change, urbanization and industrialization. The articles rely on the accumulated ethnography of the region, but instead of being essentially historical in treatment, they aim toward generalizations about the uniformities and varieties of culture, society, and personality found in Middle America. The collection is an invaluable reference work on Middle America and a provocative guide to scholars engaged in furthering understanding of humans and society. The Handbook of Middle American Indians was assembled and edited at the Middle American Research Institute of Tulane University with the assistance of grants from the National Science Foundation and under the sponsorship of the National Research Council Committee on Latin American Anthropology.

BOTB #3 Rise Of The Serviatrixes: Part A: Bitter Reunions In this Beauty and the Beast like story, Pluck must face hatred and fear. She must overcome those who despise what she looks like in this Beauty and the Beast retellings. An action packed version of Beauty and the Beast book that minges some romance with a realm of wonder. Pluck now has a destiny she must fulfill. She will either save Wellspring or destroy it. She is called the Serviatrix, but now she is not alone. Two others, Tabitha and Sabrina, have emerged claiming to be the true Serviatrix. Sword and sorcery romance novel that starts with a loved-filled act followed by a hate-filled reaction. As a preteen, Pluck is transformed into a Beast. In this classic fairy tale retelling, Pluck has a whole world to explore. A fairy named Zenba explores this chick lit fairy tale along with her. Zenba might be tiny but she's a mighty warrior. I've greatly enjoyed writing this Beauty and the Beast novel adaptation. I've created this book not only to please those who are looking for a Beauty and the Beast retelling for adults but also those seeking Beauty and the Beast retelling for young adults. A modern beauty and the beast set in a fantastic land of danger and wonder. Pluck's story is not

your usual approach but a beauty and the beast different versions. Pluck has many allies and many enemies. Pluck also has a very powerful magical sword called the Lux, the Lightning Sword to aid her in her quest. Another item of magic has bonded to her called the Mystic Rose. Pluck carries around this very powerful flower as a large tattoo rose on her back. I wanted to take a Beauty and the Beast adult romance and throw in elements of mystery and intrigue. The Shadow and the Cursed are a hellish force bent on destroying everything good. Can Pluck stop them alone? An endearing tale similar to Beauty and the Beast of Thornleigh where the woman is the heroine. Pluck is a strong female character who tries to do good in every situation. A chick lit fantasy adventure everyone can enjoy. A YA beauty and the beast clean so that all ages can enjoy. Steel gleams and strikes like lightning in this chick lit sword and sorcery. There are many characters to fall in love with and to despise in this beauty and the beast fairy tale. Journey with Pluck as she seeks her purpose and end to her curse in this classic beauty and the beast book. I have added many fantastic beasts to this retelling of beauty and the beast timeless fairy tales book. There is lots of adventure and friendships made in this not so beauty and the beast frisky fairy tale chick lit adventure.
