**A Japanese Nightingale** Onoto Watanna,1904

**Kokoro** Bishop of Hippo Soseki,1996-07-01 Haunted by tragic secrets, Sensei slowly opens up to his young disciple, confessing indiscretions from his own student days that have left him reeling with guilt.

The River Ki Sawako Ariyoshi,1981 The River Ki passes through mountains, villages, ricefields and cities that are the heart of Japan and that provide a setting for the flow of this novel built around the lives of three women: mother, daughter and granddaughter who face great changes in the fabric of Japanese society.

**The Cape** Kenji Nakagami,2008-01 A collection of stories on Japan's burakumin, former slaves considered tainted by impure blood. In Red Hair, a man picks up a woman hitchhiker who turns out to be a nymphomaniac, while the title story is on incest.

KOKORO Natsume Sōseki,2024-03-09 KOKORO revolves around the complex relationship between the protagonist, a young man referred to as Sensei, and a nameless narrator who befriends him. Through the narrator's perspective, readers gain insights into Sensei's past, his struggles, and his profound sense of loneliness and alienation. Kokoro explores themes such as the nature of friendship, guilt, existential crisis, and the clash between traditional Japanese values and the influence of Western modernization. The title itself, Kokoro, translates to heart or spirit in English, and it symbolizes the emotional depth and inner turmoil experienced by the characters. The novel is celebrated for its deep psychological insights, lyrical prose, and exploration of the complexities of human relationships and emotions. It remains a beloved classic in Japanese literature and continues to be studied and appreciated by readers around the world.

Seven Japanese Tales Jun'ichirō Tanizaki,1981

*Kokoro* Soseki Natsume,2011-09-17 From Wikipedia: Kokoro (a

aCuaCi or a a aCi) is a novel by the Japanese author Natsume Soseki. It was first published in 1914 in serial form in the Japanese newspaper Asahi Shinbun. While the title literally means heart, the word contains shades of meaning, and can be translated as the heart of things or feeling. The work deals with the transition from the Japanese Meiji society to the modern era, by exploring the friendship between a young man and an older man he calls Sensei (or teacher). It continues the theme of isolation developed in Soseki's immediately preceding works, here in the context of interwoven strands of egoism and guilt, as opposed to shame. Other important themes in the novel include the changing times (particularly the modernization of Japan in the Meiji era), the changing roles and ideals of women, and intergenerational change in values, the role of family, the importance of the self versus the group, the cost of weakness, and identity.

*Shinshin-Igami the Bastard Torn and the Succubus They Slept With* Dara Sok, 2010-09-01 My Hypocrisy Knows No End! I've fallen weary to the unyielding lustful grips of being a Sodomite for as long as I could remember; I Bite! it's what I do best and I've taken a big chunk out of my Beloved ShinShin's life. Its' taken some time to work this out; I've been selfishly contemplating while struggling on how I go about explaining this piece to you, You; the General Public. Thousands of pages full of written documents and recorded records that had been left behind for me to find, sort through and tell stories of. Volume Three will be about that of ShinShin-Igami; who has been an infectious thorn in my side all these past many years. ShinShin hasn't been as careless and reckless or a bastard like myself and although he tries many time to change the way he

is; it seems that no one ever change who they really are; no matter how hard or how much they've sacrificed to do so. People only find ways of covering up for who they really are and established a fictitious persona in faces of their associates. This piece will detail the relationship that ShinShin has been involved with a contagious succubus who drained him of his youth and vitality, where his World was turned upside down by a bitch of a mother and her conniving whored daughter. Although ShinShin recovered from his misfortunes with the opposite sex; he bears the scars and scabs that she left embedded all over his body and this unfortunate situation has made him realized that life is sometime filled with ill-hearted and untruthful people who will take advantage of an ignorant giving person like himself. The eighteen months relation that ShinShin had been involved only gave him few moments of pleasures and much headaches and heartaches that eventually led to his unfortunate unresolved comatose death these past months. The person that came up with the phrase, The apple doesn't fall very far from the tree! was absolutely correct in uttering that statement; ShinShin have found that to be very true in his personal life because he was involved with a dishonest female who took after her evil-hearted mother. ShinShin's relationship with this deceiving female was complicated with lies and deceptions where a sinful mother and ignorant daughter took advantage of his ever giving heart and good nature. During their relations, ShinShin loved the contagious succubus absolutely, only to find that he was being played and used after an 18 months long devotions and commitments; she was seeing one other or more while they were intimately and passionately involved. Personally, I feel that ShinShin have been the victim of an ugly hearted person. ShinShin had given up much for this contagious ugly unruly person; financially and emotionally; shunning his extended family; good friends and their family, giving up on promotions and putting aside higher education to make time for what he thought was true love. Although their relationships has taken the intimate/involved

couples on several trips locally and internationally and got the two to participate in various events and outings together where they have crossed the Atlantic and Pacific and during that entire time there were signs of her deceptions and lies; and yet, being a Pagan Christian; ShinShin was so gullible that he ignored what was happening in front of him. He was ignorantly in love and like they say, Love is blind, and blind like an asshole ShinShin was during that entire year and a half. He was much into this ugly-hearted female and gave her his all and what he got in return wasn't nearly reciprocal. She has given him much heartache that's complicated with various mental/physical diseased infections. I've had my share of ups and downs in life; my early childhood was spent imprisoned, escaping and hiding away from the tyranny of the Khmer Rouge. After many years of relocating and moving around in various Refugee Encampments with my family, my early years in

*Botchan, or Master Darling* Soseki Natsume, 2021-05-07

Botchan, or a young master, grows up in Tokyo as a reckless and rambunctious youth. His parents favor his older brother, and he is also not well regarded in the neighborhood, having a reputation as the local roughneck. When his parents die, Botchan takes money from the inheritance and goes to study physics. Upon graduating, he accepts a job teaching middle school mathematics, but his arrogance and quick temper immediately lead to clashes with the students and staff. Mischief by the students turns out to be just the first salvo in a broader web of intrigue and villainy. The school's head teacher (Red Shirt) and English teacher (Squash) are vying for the hand of the local beauty (Madonna), and two camps have formed within the middle school staff. Botchan aligns with Squash and the head mathematics teacher (Porcupine) while they start a fight against the system and plot against Red Shirt.

**Death in Midsummer, and Other Stories** Yukio

Mishima, 1966 Nine short stories by the Japanese literary genius provide insights into the struggles and problems of his contemporary countrymen.

**The Key** Jun'ichirō Tanizaki, 1991 The story of a dying marriage, told in the form of parallel diaries. After nearly 30 years of marriage, a dried-up, middle-aged professor frenziedly strives for new heights of carnal pleasure with his repressed, dissatisfied wife, resorting to stimulants galore for her. During the day, they record their adventures of the previous night.

**The Cape: and Other Stories from the Japanese Ghetto**

Kenji Nakagami, 2013

*In Light of Shadows* Kyoka Izumi, 2004-10-31 *In Light of Shadows* is the long-awaited second volume of short fiction by the Meiji-Taishō writer Izumi Kyōka. It includes the famous novella *Uta andon* (A story by lantern light), the bizarre, antipsychological story *Mayu kakushi no rei* (A quiet obsession), and Kyōka's hauntingly erotic final work, *Rukōshinsō* (The heartvine), as well as critical discussions of each of these three tales. Translator Charles Inouye places Kyōka's literature of shadows (*kage no bungaku*) within a worldwide gothic tradition even as he refines its Japanese context. Underscoring Kyōka's relevance for a contemporary

international audience, Inouye adjusts Tanizaki Jun'ichirô's evaluation of Kyôka as the most Japanese of authors by demonstrating how the writer's paradigm of the suffering heroine can be linked to his exposure to Christianity, to a beautiful American woman, and to the aesthetic of blood sacrifice. In *Light of Shadows* masterfully conveys the magical allusiveness and elliptical style of this extraordinary writer, who Mishima Yukio called the only genius of modern Japanese letters.

*Mei Yumi's Japanese Literature* Higuchi Ichiyo, Mei Yumi, 2014-05-12 The amazing system of licensed pleasure palaces in Yoshiwara is described precisely. Physical and mental changes of children were conspicuous and understandable to grownups but sorrowful enigmas for the children themselves. Japan's literary masters and critics praised this novel as Ichiyo's masterpiece. Enjoy! The storyline of the novel, 'Turbid Bay,' runs in July in summer in touch with a downright stalker-murderer, the victim, and their background stories. A bitter remorse left behind. A 20-year-old stylish seamstress seemingly came from a good family. Once she said, "My heart burns with anger very often." A 16-year-old employee of an umbrella shop was a foundling. One day, he wondered, "Whether I was born from a crotch of a tree." Their relationship was over, all too soon. Okyo decided to live a better life, as a concubine. Japanese readers are moved by Kichizo's final remark. "Okyo'san, please take your hands off my shoulder." The wealthy madam, beautiful, innocent, and lonesome, was in the center of turbulence of jealousy and infidelity. When she realized that she was blocked in every direction, everything had been arranged carefully against her. Who did it first? Amazing stories so far untold are shown with a map of Yoshiwara to overseas readers. In Appendix 1. Yoshiwara of the Edo period is described. A fantastic world of Japanese culture and tradition was a collaboration of men as wealthy customers and women as the oiran and yujo in licensed pleasure palaces. In Appendix 2, how to make the waka poetry is talked about. Enjoy! It would be fun just

to read the Japanese vocabularies and meanings. The portrait of Higuchi Ichiyo has appeared as the icon of the Japanese 5,000 yen banknote since the autumn of 2004.
